8th Grade News
 The students came from Christmas break ready to learn. They began a new novel *The Outsiders*. This a classic story about a group of young people who are the cool rich kids versus the poor kids. The issues the kids face are relevant to what young people still face today. When you have a conflict with someone, how do you handle it? When you have a problem, who can you trust to help you? My students are fortunate they can trust in God and their parents to help them through big decisions and tough problems. In the story we found out some children don't feel they have anyone to go to so they created their own family.

PRAY FOR OUR SUPREME COURT JUSTICES!

New Hope for Unborn Babies? Is the end near for Roe v. Wade? Could the 1973 ruling that legalized abortion through all 9 months of pregnancy be overturned? The Dobbs case being heard by the Supreme Court could have that outcome – but we must pray. Read about the nationwide initiative of fasting and prayer at diolc.org/respect-life, where you can also download a flyer with photos of each of the Justices. Post it on your refrigerator and remember to pray and sacrifice for each of them by name! A ruling is expected by June.

You can also find many more resources, including information on the January 22nd "Day of Prayer for the Legal Protection of Unborn Children," with a special Mass designated for that day.
