Do you have a keen detail to numbers? Like to dabble in finances? Don't mind meetings once a month? We could use you on our Finance Council as a Treasurer Trustee. If any of this interests you, or is sparking you to get active in this way, please call the parish office as soon as possible. We are in need of persons interested in taking on the role of Trustee within the Finance Council. Don't let the name scare you, it's an easy way to get active and help your parish in a huge way. We need you!! If you think someone else would be able to help in this way, please pass this on to them. Hope to hear from you real soon!

St. Mary, Marion News

We have many open spots in the yearly calendar for Mass Intentions. If you would like to have a mass said for a loved one who has passed, a wedding anniversary, birthday, or special life event, now is the time to schedule it, we have many openings. To schedule, call the parish office at 715-535-2571.

Mass Intentions are a suggested donation of \$10 per mass. If you are unable to pay, but would like a mass said you may still do so with no discrimination. If you are paying for it, just mail in your donation or drop it in the collection marked by what parish and "Mass Intention." All monies go toward helping with the day to day operations of the parish. Thank you.

Come, Follow Me...

Keeping you abreast on the Discipleship activity within our Three Parish Family.

You are welcome to join these groups at any time. See the calendar for meeting dates/times, if they are not listed below.

Trinity Family Conference "Our Three Parish Discipleship Ministry" of St. Vincent de Paul

We are looking for more people to help serve in this ministry. Please join us at any time, our next meeting will be, Sunday, August 8th at 6:00 PM. We are always at work in the our communities.

EVERY DAY STEWARDSHIP

It's All in the Basket

St. Therese of Lisieux made a point of going the extra mile in kindness towards those people who really got under her skin. It was part of her own brand of Everyday Stewardship — thanking God for all His creation, even the parts with which, in her own humanness, she struggled to cope.

I think about this a lot when I challenge myself to give thanks for things that bother me and people who challenge me. When I do this, I envision Christ giving thanks over those insufficient loaves. How many of us would see that paltry little basket and kick a rock in frustration because we can't feed all our people? "You didn't give me enough, Lord! You didn't give me enough patience, enough money, enough creativity, enough stamina to be a good steward. If you had given me more, I could also give more!"

In those moments of despair, we need to take a good look at the life God has given us. We need to look at the trials and the challenges and the shortcomings. The hopes that didn't pan out, the disappointments that keep cropping up. Somewhere therein lies what we need to be the steward God asks us to be, just as St. Therese's own stewardship was defined by the people she simply couldn't stand.

God does not give us all we want. He does not give us all we ask for. He does us one better: He gives us all we need. It's all in the basket.

— Tracy Earl Welliver, MTS
