Lenten Newsletter 2021

My Dear Brothers and Sisters in Christ,

I'm not sure about you folks, but I am really happy to know that the month of January is completed and we have now moved into February. I know that may sound cruel, but I have always had a difficult time with January. Sure the month may start off fun with ringing in the New Year and raising champagne glasses in toasts while eating pickled herring. After that the month seems to be long and bitterly cold; except for this year. However, it still was a long month.

As we prepare to enter into the season of Lent I really want to stress the importance of making Lent a season of spiritual growth and renewal. 40 days may seem like a very long time, but as usual, it will quickly fly by. Look how quickly 2021 seems to be flying by. Trust me, Lent will be over before you know it. I'm sure you've already noticed in the stores that the Easter decorations, candy and egg coloring kits have been on display for quite some time. Please don't fall into the temptation of decorating your home in Easter attire; save those decorations for the day after Good Friday and leave them up for the next 50 days until the feast of Pentecost. And please refrain from eating the Peeps, Crème Eggs and jellybeans until Easter Sunday. There is a good reason why this season is 40 days and it's important that we appreciate each and every day.

Another thing to remember is that we shouldn't get frustrated with ourselves if we slip up in our Lenten resolutions. Resolutions are meant to help guide us through this season to get closer to God and Jesus. But it seems that similar to New Year's resolutions we can be very good for a couple of days but then after a week or so it seems like we've forgotten what it is we resolved to do. If this should happen don't give up. We are not falling into mortal sin if we forget to follow our resolution. Instead make a new resolution or start over again. God doesn't ask you to be successful in your resolutions He just asks you to persevere.

# The Crucifix

I am sure you noticed that during the seasons of Advent and Christmas the large cross was removed from within the sanctuary. The cross will be replaced by a crucifix (size to be proportionate to the sanctuary space). The cross will be mounted in the back of the church where it can be draped with colors of the liturgical seasons and easily accessible for veneration during Holy Week and on Good Friday.

## Do you know why a crucifix and not a cross is in the sanctuary?

The passage below is taken from the book “A Shepherd Tends His Flock” written by **Very Rev. John Girotti Vicar of Canonical Services and Associate Moderator of the Curia for the Diocese of Green Bay.**

“Perhaps one of the most distinctive and recognizable symbols of our Catholic Faith is the crucifix.

A crucifix is distinguished from a simple cross in that a crucifix is a cross with a “corpus” or figure of Christ’s body attached to it. The word crucifix means literally “the one having been fixed to the cross.”

An understanding of the word itself helps us to recognize why we as Catholics use a crucifix instead of a simple cross as one of our primary symbols. By using a crucifix, our attention is drawn not to the cross itself – as an instrument of torture or death – but rather to the Lord Himself and to what he did for us.

Sometimes, it is suggested that an empty cross best symbolizes the fact that, although Christ suffered and died for us on the cross, He also rose from the dead. Thus, the empty cross may be taken as a symbol of His Resurrection and His triumph over death. Christ is indeed risen! Certainly, Easter – the Resurrection – is a culmination of Christ’s redemptive act and the cornerstone of our Faith. We never simply stop at Good Friday! Sometimes, however, we need to see, perhaps graphically, what sin does. **We need to see how much God loves us, how He suffered and died for us.** Sadly, we can be so quick to forget – **and the crucifix is a powerful reminder to us.**

You might have noticed that every Catholic Church has an image of Christ crucified prominently displayed near the altar: in short, a crucifix. The reason for this is that the Mass is not mere commemoration of the death or Resurrection of Christ. It is more! The Mass is rather the continuation and the participation within the one and infinite sacrifice of Christ on the Cross at Calvary. Therefore, it is most fitting to see this image near the altar where Mass is celebrated.

We must not see the crucifix as a negative or dark image. If it troubles us, this may be because we are focusing on the effect of sin. Sin is not pleasant. Rather, we should see the image of Christ crucified as a sign of his complete love for us. Let us see his arms outstretched, gathering all the world to Himself!”

God Bless you all as you begin your Lenten journey. Dcn. John Bundra

Faithful stewardship should hold an important place in the life of every Catholic Christian disciple. As stewards, we gratefully recognize the gifts God has given and prayerfully and intentionally give a portion of those gifts back to God. Sharing, service and prayer...these are the three footsteps of stewardship.

## We are Missionary Disciples who Serve!

We believe that every person has been created with wonderful gifts to bring us joy and to serve each other. The Epistle of St. Peter reminds us: "As each one has received a gift, use it to serve another as good stewards of God's varied graces" (1 Peter 4:10). To be a steward of service means that we gratefully name and nurture our gifts and offer them to our Church and to the world.

During COVID-19, how will you share your gifts in service to our parish ?

Recently I was handed an article listing 40 ideas for each day of Lent. You can check out the article by googling **House for All Sinners and Saints' 40 Ideas for Keeping a Holy Lent**. Check out the resolution for Day 25, I really like that one. I also want to warn you about Day 8, little children should probably not read that one or at least a different word should be used describing that resolution.

Finally and most importantly, throughout these days of Lent, invite the Lord to walk with you on your journey. I think that many people have the thought that Lent is a solitary journey and that we are called to imitate Jesus and his journey in the desert. Yet the truth is He wants to be on this journey with each and every one of us. And so it is very important that we allow the Lord to walk by our side. Invite him to be with you. Invite the Holy Spirit to be with you as well. With those two by your side this Lent will be an awesome and enriching experience.

God Bless,

Fr. Matt Simonar

### Generously Sharing

During Lent, we are reminded of Christ's ultimate sacrifice for us on the cross. As followers of Jesus, we are called to sacrifice, to give of ourselves and our resources as a sign and sharing of Christ's love. As members of Nativity, we are asked to share financially to support Christ's mission of love and Mercy. This is one way our giving can make a real difference in the life of the world.

Please consider making regular donations to our parish - either by use of your contribution envelopes or online giving through our parish website. If you are not currently contributing, please consider giving at this time as an expression of your faith in God's divine providence.

We are grateful  
for all your support

### Divine Mercy Sunday

On Sunday, April 11 Nativity Parish will be celebrating the devotion to the Divine Mercy. Adoration & Reconciliation will be available from Noon to 3:00pm. The Chaplet will be sung at 3:00pm, followed with Benediction.

#### What is Divine Mercy?

Divine Mercy is the form God's love takes when it flows from the Trinity to his creatures. It takes on human flesh in Jesus Christ to show us God's love. This is why Divine Mercy is a Person, not just an attribute of God.

#### What is the Message?

God loves us - all of us, no matter how great our sins.

Remember your **ABC's** as a way to live out the message of the Divine Mercy and Gospel.

**Ask For God's mercy** - God wants us to repent and ask for his mercy.

**Be merciful to others** - God wants us to receive his mercy and in turn, be merciful to others.

**Completely Trust in Jesus** - Trust in God during good times and bad times.

The **Divine Mercy Novena Prayer** will be available to take before Holy Week. This is a good way to prepare for Divine Mercy Sunday.

The **Divine Mercy Chaplet** is prayed on ordinary Rosary beads. The Chaplet is powerful because it draws in its strength from the Mass. It is normally prayed at 3:00pm because Jesus died on the cross for us at this time.

**All are Welcome to Join Us !**

**Stewardship of Sharing:** Stewards are grateful people who believe that God has been generous with us and we, in turn, share with others. The scripture passage "Where your treasure is, there will your heart be" (Mt 6:21) challenges us to look at how and where we spend our financial resources. As followers of Jesus, we carefully consider the needs of our Church and the poor when developing a household budget. We are stewards, not out of obligation but out of gratitude and joy for all that God has done for us.

# Lent and Easter Season

<p><b>Steward of Prayer:</b> Prayer is about our relationship with God. We gratefully acknowledge God's presence in our lives and respond by investing ourselves. In nurturing this relationship we stay connected and understand God's will for our lives. As disciples of Jesus we strive to engage in personal prayer each day.
