**Mission Statement:** St. Charles Borromeo, St. Joseph, Immaculate Conception, (St. Mary), united in proclaiming the Gospel of Jesus Christ through His saving death and resurrection, by calling, forming and sending disciples to go out and make new disciples. As a people, we are called to encounter Jesus, and grow as disciples through the sacramental life of the church.

# Gospel Meditation

Tragedy and disappointment are inevitable. What sees you through this? There will be challenges, changes, unexpected circumstances, interrupted plans, hurts, and injustices experienced by every human being at some point in their lives. We will be asked to adjust our plans, change course, and even encounter suffering and death. Where do we learn all of the lessons we need to live life well? Some of them we learn along the way but much of what we bring to life, positive and negative, comes from our early beginnings, our families. This is our early world and provides the blueprint for how we see the bigger, more inclusive world, which unfolds before us.

Our families of origin can be sources of grace, heartache or a combination of both. Families are intended to be pivotal in providing us with proper social structure and understanding, a support system, lessons about relationships and communication, and the unconditional acceptance and love we so desperately crave. They can also determine whether we have an accessible and healthy relationship with God. Many of life's challenges can literally bring us to our knees and require that we possess a strength of character that resides well beyond the superficialities of our world. At some point we will all need three coping gifts that can be given to us only by God: faith, hope, and love. Our families help us learn that we are not the ones responsible for their creation, but God!

Our experience of early family life colors all of our relationships and what we expect to achieve from life in general. Resolving conflicts, dealing with difficulty and suffering, celebrating accomplishments, prioritizing our needs, listening to God's call, understanding relationships, understanding disappointment, learning about the virtues and living a centered focused life are all lessons our families either succeed in teaching or do not. To succeed, as God has designed and ordered our world, is to discover his presence and then trust that Presence. The Holy Family can teach even the most dysfunctional family how to best use God's gifts of faith, hope, and love to find him and do his will. Their simple humble example is always before us, showing us the way. Jesus, Mary and Joseph, pray for us! ©LPi

*Most families will have new numbers for 2021*

Christmas time does not begin until Christmas Eve Mass. It extends through the Baptism of the Lord in January. All the time that the stores celebrate Christmas is really Advent. After Christmas Day, we usually have less hassle and more time to enjoy the holidays with our families and friends. Keep the holiday spirit alive during these weeks after the actual feast. It is entirely proper to keep up the lights, the tree, the music and above all, the good cheer!

### ***Do you know someone over 30 who might have a vocation?***

Some men mistakenly assume priesthood is not an option because they had been married, had children, lacked a college degree, or thought they were “too old” or “not good enough.”

Sacred Heart Seminary and School of Theology has been forming men over age 30 since 1970, and is hosting Zoom “Meet & Greet” for anyone that might want to learn more. Join one of our informal conversations: <https://www.shsst.edu/vocation/>

Contact Deacon Steve Kramer for more information: [skramer@shsst.edu](mailto:skramer@shsst.edu) or (414)858-4767.

### **Eucharistic Adoration at St. Joseph**

**Tuesday, December 29**

**7:00 A.M. to 7:00 P.M.**

If you would like to spend an hour or more with the Lord, please sign up on the sheet near the front door of St. Joseph, or call Kathy Rivest at 810-358-6370.

*Don't have an hour or unsure of your schedule? Come when you can and stay as long as you like.*

## **ISO: THE CCHS CLASS OF 2025**

*“For you are a people holy to the Lord your God, and the Lord has chosen you to be a people for his treasured possession, out of all the peoples who are on the face of the Earth.” Deuteronomy 14:2*

Not just anyone can be a Hilltopper. Each year, we search for a select number of students who have the foundational academics, the courage and the commitment to be formed in faith, armed with knowledge and steeped in our 100 year old tradition of excellence. We ask every student to write an essay on why they want to come to Catholic Central, and what gifts and talents they would bring to our community. We search to find students like these, who reflect the characteristics written in these recent essays:

*“Through the work that I do at school my faith and knowledge about God will become more powerful. I will strengthen that knowledge in my classmates by praying with and for them.”*

*“Catholic Central High School is where I can grow with God, have a successful career, and see what my talents are. CC isn't just a school-it is a family”*

*“Many students have come to Catholic Central and left amazing legacies for themselves and the school that will be remembered for years to come. I hope to contribute to CC's legacy with my gifts of academics and faith.”*

Catholic Central serves a large, twenty-five mile radius in Southeastern Wisconsin. We sift through literally hundreds of databases and contact lists searching for those students and families who want to live their calling as a “treasured possession” of the Lord. We extend our invitation to join us far and wide, but know that only some will choose to answer the call.

**This is the time of year when we are conducting placement exams for 8th graders hoping to become Future Toppers.**

We will host students, upcoming on January 8 and 9 to take the exam. Please visit <http://topperpride.org/testing/> to register for a spot to start your quest in becoming a Hilltopper.

Please join us in praying for these students in their quest to become a Hilltopper. Our goal is to serve fifty new freshmen in the fall of 2021, as our celebration of our 100th anniversary continues. Fifty may not seem like a big number, but as the Italian poet Dante once said, “out of a tiny spark may burst a mighty flame.”

With Topper Pride,

Bonnie Scholz

### New Year Blessing

Heavenly Father, in this time of new beginnings, we recall how the heavens celebrated the birth of Christ.

We think back to the new kingdom he proclaimed, and remember the new life we gained in our baptism.

In this time of new beginnings, and at the beginning of this New Year, may we always act as good examples of the new life in you that all Christians have and be the same for others.

Give us the joy that is ours as adopted members of God's family. Amen

# Everyday Stewardship

RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

## The Gift of Family

What a year it has been! How will we speak of these times a decade from now? As time goes by, our impressions of this past year will certainly change. How we feel today about dealing with a killer virus and all the chaos surrounding that is still fresh for all. I would assume that most of us right now are also holding those we love a little closer and hugging them a little harder. Hopefully, even if the fears and concerns of 2020 dissipate in the future, the way we feel toward our family should never leave us.

Stewardship is certainly about everything. God has given us so much, great and small, profound and common. One of the greatest gifts that all have received is family. Families take all shapes and sizes and some look very different than others. For some, family is a caretaker or temporary guardian. For others it is a friend when everyone else seems to have vanished. The bottom line is that, to quote a song from many years ago, "people need people."

When God gave the world His only Son, the Incarnation did not come on a cloud or with a flash of light. He was born into a family. Jesus understood the gift of family all his life. Do you think that if having a family wasn't important God would have still included this in the plan of salvation?

As this year draws to a close, remember your stewardship many days begins and ends with the people closest to you. Don't misuse or take for granted this precious gift. God gives us gifts on purpose, even to His only begotten Son.

## COMMUNION TO THE SICK & HOMEBOUND

The Parishes have been asked when it may be permissible to use a pyx to bring Holy Communion to someone who cannot attend Mass. The Archdiocese has stated that at this time it is preferable to have a priest, deacon or an appropriately appointed minister bring Holy Communion to the sick or homebound. During this time of pandemic the utmost care must be made to ensure that those who are receiving Holy Communion are not put in danger of transmission of the virus.

*If you know of someone who would like to have a visit from one of our priests or deacon, please call the parish office.*
