**Mission Statement:** St. Charles Borromeo, St. Joseph, Immaculate Conception, (St. Mary), united in proclaiming the Gospel of Jesus Christ through His saving death and resurrection, by calling, forming and sending disciples to go out and make new disciples. As a people, we are called to encounter Jesus, and grow as disciples through the sacramental life of the church.

# A Message from Fr. Jim

## The Kingdom of God – Sowing the Seed

In today's Gospel Jesus expresses a truth which we can readily identify with. After a seed is planted in the ground, it develops into a full grown crop. With only some water, warm sunshine and a little patience the marvelous growth takes place. How that can happen we do not know. Even more mysterious is the fact that when a shrub is pruned, when some of its branches are cut away, it actually becomes more vigorous and productive.

Jesus is challenging us to ponder a deeper mystery, the mystery of the reign of God in the Church. Jesus says that the reign of God is like a mustard seed which can grow into the largest of shrubs. We can readily see the truth of this comparison. The Church began as a small group of disciples in Jerusalem, from there it spread north to Antioch in Syria, and then across the Mediterranean to Rome, throughout Europe and eventually to the whole world. The Holy Spirit has certainly been at work. Seeds need light and water to grow. The Church needs the Holy Spirit. After the day of Pentecost when the Holy Spirit was sent upon the Church, it began to grow and spread.

To be a Catholic is to think big, to realize that we are part of a Church which reaches back through the centuries to Christ Himself and which now circles the globe and is found in every place. The Church, though universal, is not perfect, we must admit. Weaknesses and mistakes, whether our own or those of others in the Church, should never discourage us. Just as a shrub occasionally needs pruning for health and growth, so the Church needs repentance and renewal which are also the work of the Holy Spirit. We are privileged to be a part of this great Community we call the Church.

God bless you always!  
Fr. Jim Volkert

### Parish Trustee Position

According to the Wisconsin State Statute regarding Parish Corporate Bylaws, each parish must hold a public election for the position of trustee. Before the election takes place registered parishioners are allowed to nominate candidates for the position. Therefore, I am opening the nomination process for the position of **Parish Trustee - Treasurer**. This person, along with me and our other trustee, John Gabaldo, will be a legal member of the parish corporation. Mary Henningfield, who currently holds this position, has expressed a willingness to be nominated for another term.

Other candidates for this position must be a practicing parish member and at least 25 years old. Each trustee serves a two-year term. As pastor, I am allowed to nominate a candidate. **Additional candidates must be nominated in writing by at least 10 active parishioners and submitted to me by Tuesday, June 22<sup>nd</sup>**. This nomination letter should include the name of the person being nominated and a few sentences about why he/she would be a good trustee. On the weekend of June 26<sup>th</sup> & 27<sup>th</sup> the names of the nominees will be announced and on the following weekend, July 3<sup>rd</sup> and 4<sup>th</sup> the election for this position will take place during the Masses. If you are unable to vote on this weekend, please contact the parish office to make arrangements to cast a ballot. If you have a question regarding the nomination process, please do not hesitate to contact me at the parish office.

God bless you always!  
Fr. Jim Volkert

## JUNE 14 FLAG DAY

— ★ ★ ★ ©LPI —

### The United States Flag

As we look at the flag of our country, let us always remember its true meaning, for a flag without meaning is only a piece of cloth.

The red of our flag stands for valor and bravery like that of those who fought to protect our freedoms.

White signifies purity and innocence, as that of our Founding Father's intent to secure the rights of all.

Blue signifies vigilance, perseverance, and justice, to secure the blessings of God.

And as our stars and stripes to the stars of the heavens and the rays of the sun, let us never forget that our country must depend upon God's blessing and protection.

### Friday, June 11

In honoring the Sacred Heart, we are honoring the compassion and love of Christ: his human heart, moved with pity for his flock, his divine heart, pierced for the sins of his people. From the heart of Christ, pierced by the soldier's lance, blood and water poured out, "the wellspring of the Church's Sacraments" (Preface for the Sacred Heart).

# Gospel Meditation

A favorite motto of St. Teresa of Calcutta was, “do small things with great love.” This is how it works in the kingdom of God. God can do tremendous things with the smallest gesture, especially when it is done in love. We can clearly see that our world is suffering greatly. People are struggling to find peace, navigate through conflicts, earn a sustainable living, find security and enough food to eat, and work through political tensions and conflicts. In the light of the magnitude of the difficulties that exist around us and even within us, we can find ourselves floundering to discover practical, effective solutions. How can something so large be helped by someone as small and seemingly insignificant as me? While whole systems and structures may be out of the league of our personal influence, are we really that helpless in the midst of all of the turmoil, sadness, and suffering?

If we believe that God is with us and that God is still working to bring about the glory of God’s kingdom, then the answer is no. We are never helpless or without hope. Armed with a strong life of prayer, we can always flee to God and ask for inspiration, wisdom, and especially love. We are all blessed with unique gifts and talents and it often seems that considering all that the world lacks, love and charity remain at the top of the list. Life can easily become a battleground of hostility. Because life is challenging and difficult, anger is not far away. We see it on people’s faces and hear it in their voices. There is a measure of frustration that permeates all avenues of life. It is even felt in the air.

As people of faith, we know that what we see here is not the end but only a part of something far greater to come. We know that God’s kingdom is where we are ultimately meant to be, and the Gospel is the way to get there. If love and charity can prevail in us, then God will be able to do what God does best. God will use us to scatter the seeds of his kingdom. Through our small gestures, those seeds can receive the nurturing attention that is necessary for them to bear great fruit. We cannot fall victim to the strife that is around us. We have to keep ourselves refreshed and focused so that even in small ways, we can become part of the solution, not the problem. Love and charity, which come from God, can help to heal the ills of the world. May we bring these simple gifts to the everyday simple tasks of our lives! Watch how big the plant grows! ©LPi

### Saturday, June 19

St. Romuald (c. 950-1027) was born in Ravenna and led a self-indulgent life as a young man, but when he saw his father kill an opponent in a duel, he fled to a monastery. Romuald yearned for a stricter life than he found there, and so he withdrew to become a hermit. Eventually, he founded the Camaldolese branch of the Benedictine family, integrating community life with the solitary life. His monks live and work in individual hermitages but come together to celebrate Eucharist and the Liturgy of the Hours.

### St. Anthony Can Find Anything — Even You

“Tony, Tony, come around! Something is lost and it must be found.”

Did you learn this one when you were a kid? In my experience there are even a lot of lapsed Catholics - or people who were never Catholic at all - who know that when you lose something, St. Anthony becomes your best friend. Missing keys? Pray to St. Anthony. Can't find your favorite sweater? St. Anthony. Forget where you parked your car in the mall lot? St. Anth— okay, you get the idea. Whatever it is, large or small, important or trivial, Tony has a reputation for finding the lost things.

It's a devotion that can seem a little like superstition - witchcraft, even? - if you don't really understand it. Mumble an incantation to a dead guy and you're guaranteed to find your sunglasses. But as with most traditions that are old, beloved and effective, looking a little closer reveals the truth of the matter.

When we lose something really important, what do we do? We make the whole household stop what they're doing to join the search. Having St. Anthony as a friend means you ask him to stop what he's doing to help, too. And how he helps is by taking the matter exactly where all matters need to go - straight to the feet of Christ.

Here's the real genius of St Anthony: he takes the most mundane, commonplace occurrence - misplacing socks - into an encounter with the divine and truly all things great and small are gifts from God. He grabs our hand and points to the cross. “That's what you're looking for,” he tells us.

In the end, Tony doesn't really find the lost things. He finds the lost people.

*Live the Liturgy* INSPIRATION FOR THE WEEK

Jesus compares the Kingdom of God to a mustard seed, the tiniest of seeds. When planted, the tiny mustard seed grows into a tremendous tree with large branches. So too in each of our lives small things can have profound effects. God can use one of our more insignificant gestures to radically change another person's life. It may be the kindness of a smile, our willingness to accommodate someone, listening to someone's story, helping someone who is hurting, standing up for someone who is right or complimenting someone on something they did. We all have God given gifts and talents. What are some of yours? Our task is to use our talents creatively, consistently, lovingly, and generously. Because we are always guided by the Holy Spirit, things that may be insignificant or unnoticed to us can profoundly change the life of someone else. While we may think we are small and insignificant, God can make us large and magnificent. All we have to do is open ourselves to being used. We trust that God will take care of the rest.
