**Mission Statement:** *St. Charles Borromeo, St. Joseph, Immaculate Conception, (St. Mary), united in proclaiming the Gospel of Jesus Christ through His saving death and resurrection, by calling, forming and sending disciples to go out and make new disciples. As a people, we are called to encounter Jesus, and grow as disciples through the sacramental life of the church.*

**A Prayer for St. Joseph's Protection**

Oh, St. Joseph, whose protection is so great, so prompt, so strong, before the throne of God, I place in you all my interests and desires.

Oh, St. Joseph, do assist me by your powerful intercession, and obtain for me from your divine son all spiritual blessings, through Jesus Christ, our Lord.

So that, having engaged here below your heavenly power, I may offer my thanksgiving and homage to the most loving of fathers.

Oh, St. Joseph, I never weary contemplating you and Jesus asleep in your arms;

I dare not approach while he reposes near your heart.

Press him in my name and kiss his fine head for me and ask him to return the kiss when I draw my dying breath.

St. Joseph, patron of departed souls - pray for me.

Amen.

*On December 8, 2020, the Solemnity of the Immaculate Conception, Pope Francis declared a Year of St. Joseph. This year marks the 150th anniversary of the saint's proclamation as patron of the Universal Church by Pope Pius IX on December 8, 1870. The Year of St. Joseph concludes on December 8, 2021.*

### **BUILDINGS & GROUNDS CHAIRPERSON NEEDED**

We are looking for a volunteer willing to fill this important role at our parish. The chairperson needs is to be accessible by phone and email. They will be the person parishioners and staff will go to when they see a problem that needs to be addressed with either a building or the property. The chairperson needs to have a willingness to oversee the correction of the problem (not the ability to fix it themselves) by contacting companies/persons to do the job.

Buildings and Grounds is a subcommittee of Finance Council, and meets on the 2nd Tuesday of the month at 6:30 p.m. in the Parish Center. The Chairperson should attend these meetings. Everyone who would like to be on the committee is welcome to attend.

If you are interested in serving your parish as Buildings & Grounds Chairperson, please talk to Fr. Jim, or Mary Henningfield or John Gabaldo.

## *Live the Liturgy* INSPIRATION FOR THE WEEK

When we lose our ability to trust, we become afraid. When we are afraid, we may begin to grumble and question whether where we are is where we need to be. For us who have faith, we even question whether God is who God says He is. Trust is so important to our success on our journey. Often, the road of our lives can become a bit treacherous. We may find ourselves feeling more unsettled than comfortable and less fulfilled than we would like to be. As much as we try, the pieces of our puzzle don't quite fit together as they ought. We wonder if we will ever experience happiness again. Then, something reminds us that God is very much present in this mess we call life. God is still bringing hope out of despair and life out of death. After all, God is the true bread that comes down from heaven to give life. All that is necessary is for us to trust in this truth, even when we may be lacking in some of life's essentials. The God who gives life is the same God who sustains it. He is also the same God who assures us that we will not perish. ©LPi

The Transfiguration of the Lord refers to a mysterious event during which Jesus is transfigured, or changed, in the presence of three of his disciples, Peter, James and John. Moses and Elijah, two Old Testament figures representing the Law and the Prophets, appear and converse with Jesus. The event highlights Jesus' divinity and glory that was hidden from the world but is now revealed to his closest disciples. Jesus is the fulfillment and completion of the Old Testament promises. This brief glimpse into Jesus' hidden power, divinity, and glory would be fully revealed in the Resurrection once the journey of suffering and death had been accomplished.

### **ST. CHARLES AUGUST MOVIE NIGHT!**

Monday, August 9<sup>th</sup> is the next movie night at St. Charles Church. Playing this night is the movie "**Harriett**". There will be two showings, one at 4 PM and one at 6:30 PM in the church cry room/meeting room located in the back of church.

*Harriet tells the extraordinary tale of Harriet Tubman's escape from slavery and transformation into one of America's greatest heroes. Haunted by memories of those she left behind, Harriet ventures back into dangerous territory on a mission to lead others to freedom. Witness the story of a woman who defied impossible odds to change the course of her life and the fate of a nation.*

For questions or more information call Jackie Heiligenthal, 262-661-4272. Coming September 20<sup>th</sup> is the movie "**Fatima**".

# Gospel Meditation

“You cannot see the forest for the trees” is a widely known saying that can bring wisdom to our understanding of our journey. Often, our sight becomes limited to what is immediately before us. We lose touch with lessons and experiences from the past and promises and hope for the future. As human beings, we have the privilege of being able to choose things. What I like and don’t like, want, and don’t want can be major preoccupations of our minds and hearts. Our preferences and desires begin to define us more than the simple fact of our being. Who we are matters more than what we are or what we have. If we don’t move beyond the external and superficial stuff to what really is of essence, we risk becoming very unsettled, disorientated, angry, and unhappy. We fail to see the bigger picture of hope and promise that lies ahead and the Divine Presence that has sustained and carried us before.

We like it when the “now” time of our lives satisfy us. Even the people who witnessed Jesus feed the five thousand got confused and distracted. It felt good when thousands of people were able to eat. They wanted to know what they could do to get this to happen again! But Jesus quickly reminds them that this is not the point of this sign. As much as the now time of our lives is of concern, it is not what is ultimately important. We need to learn the difference between being and doing, drawing more strength from who we are and who God is rather than what is happening around us and the choices we can make. Jesus is the true bread that came down from heaven. Jesus is the very incarnate presence of God who sustains life and assures us that we will not perish. This is not easy to understand and feel. We have to practice being in the presence of ourselves, others, creation, and God. We are brought to a holy place when we encounter the sacredness of being. This is real prayer.

Then, we learn to trust. It is when we cease trusting that we start to become afraid, uncertain, apprehensive, and doubtful, and overly self-concerned. We even start to grumble. God has our back. That is the essential powerful message of the living bread come down from heaven. God, who is alpha is also omega, the beginning and the end, and has everything in between in his care as well. A woman once remarked that her most powerful God moment happened when she and her husband cuddled with their new baby for a time. Without exchanging words and using only the affection communicated through sight and touch, they rested in being with each other. This brought them to the sacred, where they realized that a greater Being was with them. It was real. They knew that they were part of something bigger, intimate, and profound. When we rest in the Living Source of life, we will find that our souls are no longer hungry or thirsty. ©LPi

## Everyday Stewardship

RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

### Practicing Graciousness in the Desert

Looking back over my journey of parenthood, I know there were days when I traveled the extra mile for my children. I made their toast the way they like it, let them play in the park an extra ten minutes, or let them go to the movies with their friends and I finished up the chores on my own. And then, it happened: the attitude. The request for the smallest thing from one of them is met with disdain or bewilderment.

Sometimes you can be made breathless with the ingratitude of another person who takes so much and with so little shame, only to scoff at the idea that they, too, give even the smallest amount.

But if we’re being honest with ourselves, we will admit that we do the exact same thing to God. Haven’t we all been the Israelites in the desert at one point or another? God has parted our Red Sea in some way. He’s led us out of some great trial, given us some great blessings. But then we run into a little resistance somewhere along the way and we throw up our hands. How could you do this to us, Lord? How could you ask this of us? No, I can’t go any further. No, I won’t do any more.

Persisting in the blindness to the many ways God continues to protect us is nothing short of a temper tantrum. It robs our Everyday Stewardship of its graciousness, of our ability to accept with joy the trials of life because we are also constantly aware of its blessings.

### OUR HARMONY CLUB FUNDRAISER-PLEASE DONATE SHOES

Our Harmony Club is a nonprofit providing social day programs for elderly person with age-related challenges. It meets on Mondays at St Sebastian, Wednesdays at St. Joseph (returning August 11) and Thursdays at St. Richard.

Throughout July and August, Our Harmony Club is conducting a fund-raiser by collecting new shoes and gently used shoes of all types. Our Harmony Club will get paid for those shoes by a national nonprofit organization that supplies the shoes to people in less developed countries who help support themselves by selling shoes to others in their communities. Because the shoes will be sold to people who need them, they must be new or gently used.

Each parish will have a box into which you can put your donated shoes. St. Joseph’s box is in the west entrance. Please watch for details. Any questions call Dawn Vlatch at 262-880-5301.
