**A Message from Fr. Brad Whistle**

Dear Parishioners of St. Thomas More,

Pope Francis has invited all of us to participate in what is being called a Synod for the years 2021-2023. Our Holy Father is simply asking that we "journey together" as the People of God. The theme for this

Synod is called "For a Synodal Church: Communion, Participation and Mission." This is an unprecedented moment for us as Catholics. Pope Francis is calling for us to listen on a scale we have never seen before. All the baptized in every diocese, in every country, on every continent are asked to participate in the Synod process. As a church, we will pray together, listen to one another and seek the Holy Spirit's guidance in discerning where we are being led as a parish, as a diocese, and as a universal church.

The Synod Listening sessions will provide time for us to slow down for two hours this month and next month to reflect on specific scriptures together and questions given to us by Pope Francis. Some of the questions point us to reflect on those who often get overlooked or remain unheard. The Holy Father has also asked us to reach out to someone who has left the church, rarely practices their faith, someone who experiences poverty, refugees, the excluded, and the voiceless to ask specific questions. With the guidance of the Holy Spirit, much will be learned as we journey together to discern the directions of where we as a church are being called. All of this takes listening, a lot of listening! As the people of God we will be listening to the Holy Spirit, listening to each other, and listening to our Bishop and Pope as we make this journey together. Let us pray for an outpouring of the Holy Spirit that will mark this journey with humble listening, courageous speech and lively hope.

The first Listening Session for STM parish will be this Tuesday, January 25 from 6 to 8 pm. The second Listening Session will be Tuesday, February 22, from 6 to 8 pm. Then on Tuesday, March 22, Bishop Medley will be here at STM for a Regional Listening Session.

Thank you. May God bless our parish at STM and our upcoming Listening Sessions in preparation for the worldwide Synod.

Fr. Brad

The entire Catholic Church is called to participate in the upcoming Synod of Bishops! In preparation for the international Synod of Bishops in 2023, Pope Francis wants your input on the topic of “For a Synodal Church: Communion, Participation and Mission”. You are invited to join with our

parish community for a two-part listening session in the **Parish Hall on January 25 and February 22 at 6:00 pm**. Invite family, friends, neighbors – we want everyone to participate! What do you want Pope Francis to know about how we are living out our call to be a Church that listens, a Church that calls forth the gifts of all the baptized, a Church that brings everyone to Jesus Christ? We want you to gather with us. However, if you can’t make the parish listening sessions, share your input online at <https://owensborodiocese.org/synod/>.

**Volunteers to Serve**

We are in need of servers for Mass. All youth ages 4th grade and older are welcome to join! One hour of training will be required. Great for service hours.

Contact: Ashley Hayden at 270-534-9000 ext. 214 or [ashley@stmore.org](mailto:ashley@stmore.org)

**Hope Unlimited Bake Sale**

On **January 22-23** after all the masses we will have the annual “Hope Unlimited Bake Sale in memory of Ella O’Bryan”. As many of you know Ella, A long time Saint Thomas more parish member, passed away in 2018. Because of your generosity over the years, Hope Unlimited has been able to continue to care for unborn babies, children, parents and help fund their medical clinic. Thank you in advance for your generosity.

## Saint of the Week

One of the most famous members of the Dominican Order, St. Thomas Aquinas (1225 – 1274) is well-known by many for his theological work, "The Summa Theologiae." Born in Italy, his mother wanted him to become a Benedictine and had high hopes that he would eventually become abbot of Monte Cassino, where he spent much of his youth. To change his vocation, she had him kidnapped by his brothers on his way to Paris at the age of 19. He spent two years in their captivity. Despite this, nothing could shake him from his vocation to become a Dominican priest and he was eventually released. Once free, he went to Paris and then to Cologne, where he finished his studies with Albert the Great.

His greatest contribution to the Catholic Church is his writings. The unity, harmony, and continuity of faith and reason, of revealed and natural human knowledge, encompasses his writings. The Summa Theologiae, his last and, unfortunately, uncompleted work, deals with the whole of Catholic theology.

The patron saint of teachers, theologians and students, St. Thomas Aquinas died in 1274. His life and the impact he had on the whole Church, however, remains alive today.

## PLANT YOUR WORKS IN THE WORD

One of the things about Scripture is that even the smallest word and shortest phrase can be critical to the overall message. When you take a quiet moment to rest with the Word, you find how quickly the most mundane sentence can reach out and grab you, pulling you into a deeper contemplation of some truth you hadn't even considered until then.

But we often fail to act as the Israelites in the Book of Nehemiah, standing before the Water Gate "listening attentively." Whether it's at Mass during the Liturgy of the Word or at home poring over the Bible, time after time we find ourselves less mindful than we could be. Our ears accept the sounds of the words and our eyes glance over the shape of the letters.

But are we mindful — truly?

The best answer is hopefully at least sometimes. There are always tasks to be completed, problems weighing on our minds that we can't quite give over to God. We lose ourselves in these things instead of in Scripture. We "clock in" with Bible reading instead of "diving in."

We can never forget that the words of the Lord are spirit and life. They are the soil that quickens the seed of all stewardship. There is no mindfulness, no prayer, no graciousness, no gratitude or accountability or sense of commitment unless there is the Word.

So let us pray today for mindfulness, that our every action will be grounded in the law of God — giving it true spirit and life.

—Tracy Earl Welliver, MTS

## IS IT RIGHT TO SUE SOMEONE? ISN'T IT A WAY OF GETTING REVENGE?

Revenge is inflicting harm for harm's sake, the idea of an eye for an eye, a tooth for a tooth, and then some. There is often a fine line between justice and mercy, between compensation and forgiveness. Unfortunately, things can happen to us that cause harm, suffering, and damage, regardless of people's intentions. When someone is hurt, especially in such a way that special care or treatment is required, the cost of that care needs to be paid.

In a perfect world, those with special needs, handicaps, or disabilities would find the help and care they need, including those who are injured or hurt. But justice is not always forthcoming, and people are not always fair. So, using the legal system to right a wrong is sometimes the only option.

In some cases, it is the only way that people can get the help they need and deserve. However, frivolous lawsuits, or 'fishing for money' is not only unfair, but immoral as well. The law is there to protect people and making use of it when necessary is a good thing.

**GOSPEL MEDITATION**

January 23, 2022—3rd Sunday in Ordinary Time

Human history reveals many periods where people lost a sense of God’s transcendence. It may even be argued that human beings have been wandering and lost more than they have been at home and focused. Human nature being what it is, we struggle with who God really is — the God of our salvation history or the “gods” of human constructs. Relying on our own designs and pursuits, we forget that we really are meant to listen to One upon whom the Spirit of the Lord rests, Jesus Christ, and not to ourselves. That same history that reveals our fickleness and infidelity also reveals God’s constancy and faithfulness. God always finds us.

As people wander and fumble to find their way, God is there bringing them back to holiness and giving them the assurance of His presence. We have to allow God’s Word, God’s life, to touch us and change us. It can make us more flexible and attentive to the sacred in all facets of life so that every day is one that is holy. Every day is a time when fulfillment is possible for one’s soul. Jesus stood before those gathered in the synagogue as the fulfillment of words of promise that were echoed long ago. God doesn’t forget. He always comes for us.

Now it is time to remember to go to God. Sometimes our lives are so confused and tangled that it is difficult to see the Word and hand of God. But when we realize, deep within, the depth of friendship God offers to us it really has the power to turn sadness to joy. The promise is fulfilled. Going frequently to God’s Word, allowing ourselves to be enriched and rejuvenated, and pondering the certainty of God’s fidelity and promise permanently transforms us. We will be more aware of the sacred and the holy and less invested in things that pull us away. ©LPI
