IMPORTANT

Following much careful consideration, the dispensation for Sunday Mass obligation has been lifted and beginning the weekend of Sept. 19 and 20, all Catholics will once again gather as a community of faith on Sundays. The lifting of the dispensation was announced in a decree issued by Bishop David Ricken on Monday, Sept. 7th. www.gbdioc.org/sundayobligationdecree With this news, please note there are still occasions when the obligation to attend Sunday Mass does not apply:

- If individual Catholics struggle with serious health concerns or are physically or morally prevented from worshipping at Mass for a grave reason
- If individuals are frail due to illness or age or, in their well-formed consciences believe that going into public places -- including Sunday worship at Mass -- would place their health or the health of their loved ones in serious jeopardy
- If individuals are sick, or have been in contact with someone who has been sick

The faithful who are unable to attend Mass are urged to make holy the Lord's Day and to pray, read the Scriptures, watch a broadcast or livestreamed Mass and take part in acts of charity.

The diocese also issued guidelines for public Masses at www.gbdioc.org/sundayobligationreinstatement. **These guidelines make clear that face masks are still required, and that, while restrictions will be lifted on the percentage of people at Mass, the standards of social distancing will still be upheld.** The obligation to attend Mass for Catholics reflects our faith in Jesus Christ, the blessing of the Holy Eucharist and an acknowledgment of His great love for us.

St. Pius parishioners, I will give your contributions to those from St. Pius that count your collections.

There is also a link on the Green Bay Diocese/Catholic Foundation website that you may use to electronically submit your contribution to our parishes.

The link is also available on both of our parishes websites for your use.

The Church will continue her ministries during this period of financial strain and please consider maintaining or increasing your level of contributions at this time.

Help Us Reach Our Bishop's Appeal Goal

As this year's Bishop's Appeal begins to wrap up, know your gifts to the Appeal make a tremendous impact in our parish and our community. This is especially true this year as we continue to journey through the COVID-19 pandemic.

Throughout the pandemic the Diocese has been tremendously helpful to our parish by providing us with ways to stay connected with each of you. Tools and best practices have been shared to help us re-engage and keep our families safe as we return to Mass. People also benefit from the counseling services of Catholic Charities. You help make this and so much more happen through your generous support of the Bishop's Appeal.

If you have already made your gift to the Bishop's Appeal, thank you! If you have not given, please prayerfully consider a gift today. Every gift helps. Please mail your gift to the parish office or visit www.catholicfoundationgb.org/give. Thank you for your generous support of the Bishop's Appeal and our parish. St. Benedict Parishioner's, if you have not yet sent in your contribution, if you could send it in as soon as possible, we would greatly appreciate it! We have not yet met our appeal goal and the appeal is coming to an end. We are short \$2349.00. The parish will need to pay this if our goal is not met. If you could help us, it would be wonderful!

Thank you so much!!!

Lectors, Servers and Musicians

Please be sure to check the schedules at both parishes as we are now able once again to have music during Mass and also altar servers. Lectors are also scheduled At this time, until further notice, we will not need ministers of the precious blood.
