# Be a sign of mercy.

[JESUS] JOURNEYED FROM ONE TOWN AND VILLAGE TO ANOTHER, PREACHING AND PROCLAIMING THE GOOD NEWS OF THE KINGDOM OF GOD. ACCOMPANYING HIM WERE THE TWELVE...AND MANY OTHERS WHO PROVIDED FOR THEM OUT OF THEIR RESOURCES. —Lk 8:1, 3

There is an envelope in your monthly tithing packet for this collection. Please place your envelope in the tithing box in the Main Church.

The Peter's Pence Collection occurs yearly on the Sunday closest to June 29, the Solemnity of Saints Peter and Paul, as a sign that Catholics around the world are joined together in support of the Holy Father.

## *A Concrete Sign of Mercy*

The concrete participation in the needs of the universal ecclesial community has taken different forms throughout history. Collections and donations by the individual faithful or entire local churches raise awareness that all the baptized are called to materially sustain the work of evangelization and, at the same time, to help the poor in whatever way possible. By doing so, they build up the Church so that it will continue to minister to all for generations to come.

During his apostolic visit to Bangui in the Central African Republic in 2015, Pope Francis visited the city's pediatric hospital with a donation of medicines and a promise that he would not forget the country's children. With contributions raised to support Peter's Pence, the Holy Father kept that promise to the children of Bangui

by founding a new facility in 2017. The existing hospital was renovated, and a new facility specifically for malnourished children was constructed. In a March 2019 message, Pope Francis described the hospital as “a concrete sign of mercy” originating with his 2015 visit.

## *A Tradition of Support for the Holy Father*

Support for such papal efforts has its roots in the scriptural message to take care of the poor and is an expression of unity with the Holy Father. Peter's Pence expresses this unity in two ways: through the ongoing activities of the Holy See and through the charitable works of the Holy Father on behalf of those most in need.

### Food Pantry News

Have you ever noticed how some things just go together? We often speak of our "ups and downs." Breakfast? I'll have bacon and eggs. Summertime? I like sun and fun. It's also clear that some foods go together. We have a peanut butter and jelly sandwich for lunch. We might like our cupcakes with frosting. And certainly, it's not spaghetti for dinner without pasta and sauce.

For the next few weeks, please consider donating items that "go together." If you donate peanut butter, please add jelly. Spaghetti sauce needs pasta. Donating cake mix? Please add frosting. And if you select average size containers, each donation should cost less than \$5.

On another note—we gladly accept donations of fresh and frozen foods. The Food Pantry does have a refrigerator/freezer and a separate freezer. Donations of these items are wonderful and our clients enjoy the surprise of fresh/frozen foods. So, watch for special sales and good deals when you do your weekly shopping and support our neighbors. They will appreciate your thoughtful generosity. If you choose to donate these items, do not leave them in the collection bins. Please drop them off at the Food Pantry. We are open 9-noon, Monday through Thursday.

Thank you for your donations, support and prayers. Our parish plays a vital role in being the hands and feet of Christ, reaching out to the less fortunate.

### Knights of Columbus

Since our founding in 1882, the Knights of Columbus have risen to meet the challenges facing our parishes and communities as brothers united in charity. The pandemic forced us to meet virtually for the entire Fraternal year but did not prevent us from filling the shelves of the St Patrick pantry or collecting donations to aid those with intellectual disabilities. We are indeed proud of our band of brothers who endured the separation yet remain united in Christ to serve St Patrick and our community leaving no neighbor behind. Thank you for your continued support of our Council and, we encourage you to join our golf outing this September.

## Summertime Rhythms and Renewal

In most places, the school year has ended, the kids are home or getting ready for summer activities, the new phrase is “Phase 5” or “fully re-open” after a year-plus of pandemic, and we are all looking forward to enjoying so many things that we missed out on last year, such as vacations and spending time with extended family and friends. But have we given much thought to God in all these new beginnings? Even in a “normal” year, there is much reason to offer our praise and thanksgiving, but as we look forward to new life in the coming weeks, we are even more appreciative of all that we have, whether it is “just enough” or more. At the same time, we continue to remember and pray for and support those who do not have the same resources and opportunities as others.

Whether it be the busy-ness of life, or the changed routines of summer, it is very easy, or at least tempting to separate our faith life from our ongoing activities. But that is the very opposite of what Jesus wants for us. During these summer months of Ordinary Time, the Sunday readings set the tone for each week. This year we follow the Gospel of Mark, with stories of hope and encouragement as the apostles, and we experience and recover from the storms of life. Instead of being something optional or “if we have time,” consider how attending Mass, wherever you are, can become part of your summer routine.

In the coming weeks, we will all be learning more about the Archdiocese plan for loosening restrictions on precautions at Mass and other events in accordance with the state of Illinois and the CDC. In the meantime, please see a couple opportunities elsewhere in this bulletin for a parish discussion group to accompany an audio Scripture study with Fr. John Kartje, the rector of Mundelein Seminary, and for Totus Tuus being offered at St. Paul the Apostle the last week in June.

Happy early Father’s Day to all the guys who provide us with love and guidance, as they strive to imitate how deeply our heavenly Father cares for us!

### Why Serve as a Bereavement Minister at St. Pat's?

As a Bereavement Minister, compassionate and empathetic men and women offer care and listening to those who are going through a difficult and stressful time. This ministry provides **presence, hope** and **strength** to the bereaved after the death of their beloved family member. Our volunteers do this in a variety of ways which include meeting families to assist with planning the funeral mass; being present during visitations and during Masses and setting up the church appropriately. Training is provided for all of these roles. Many of the funerals take place in the morning hours Monday-Friday and some Saturday mornings, so there is flexibility as to when volunteers are needed.

**We need more people to serve Christ by serving the grieving families and being His hands and feet.** Please contact Fran Balistreri, St. Pat's Bereavement Coordinator: [oofran@aol.com](mailto:oofran@aol.com) or call 847-732-2149 cell.

### Don't Get Scammed

Scammers are now posing as priests and other clergy. In the latest scam, you might receive an email or a text message that appears to be from your Pastor or another priest that you may know. The scammer asks you help someone in need by purchasing a gift cards and to provide the codes on that card. Here is how to protect yourself from being scammed:

\*Know that scammers are out there. Be suspicious of any request for funds of any type via an email message or a text message. Verify any request with an e-mail to the person who supposedly sent it or a call to the phone number of the text that you received.

\*Know that any email from a priest should be from a diocesan or parish email account. Messages sent from free services, such as Gmail or Yahoo, are more likely to be scammers.

\*Many clergy do not share their cell phone numbers publicly. If you receive a text message from someone not on your phone's contact list, be suspicious.

\*Priests NEVER ask for financial transactions via e-mail or text messages.

## Shedding a Little Light

*"Lord it is good to give thanks to you", Psalm 92*

Follow the advice of the psalm. Sing praise to God. Proclaim His kindness at dawn. Proclaim His faithfulness through the night. If you root yourself in the Lord, you shall flourish. Even in old age we can be vigorous and sturdy, if we are firmly planted in the Lord. So tend your roots of faith. Go to

Mass. Receive the sacraments. Offer prayer and praise and thanks to God. Go out to the world giving thanks to God and singing His praises. Be God's light in the world and make disciples of all whom you meet. When we live in thanksgiving, we...

## Have You Gotten the COVID-19 Vaccine?

Pope Francis, Pope Emeritus Benedict and Cardinal Cupich have already been vaccinated. The vaccines are morally permissible and offer a ray of hope that the world will unite in our common humanity to bring about health and healing.

Making moral choices in a fallen world means sorting complex realities almost always marked by both good and evil. While there has been much discussion about the morality of receiving any of the available Covid-19 vaccines, which remain in short supply, the teaching of the Church makes it clear: When their turn comes, Catholics can receive whatever vaccine is offered to them with a clear conscience.

In a word, we should not place any burden on our people that goes beyond this teaching and they should be advised that they can use any of the vaccines presently available to us, Pfizer, Moderna and Johnson & Johnson with a clear conscience. We cannot urge you more empathetically to get vaccinated as soon as possible as a major pre-caution against COVID. When we are scheduling Baptisms, Weddings, Funerals, etc. we will be inquiring about your vaccination status. At the present time face masks must be worn at all times while in the church.

### From Fr. Merold and the Pastoral Staff:

With the recent news from the CDC and public health departments regarding masks, I want to provide an update on our own parish operations. In consultation with our Parish Reopening Team and Pastoral Staff, and using additional guidance provided by the archdiocese, we are going to maintain our mask requirement for all Mass and liturgy attendees until we reach Illinois' Phase 5, which we anticipate in the next several weeks. We came to this decision for several reasons:

- **Given that less than 40% of adults in the State are fully vaccinated, the majority of our adult Mass attendees and visitors remain susceptible to infection and will still need to wear a mask at Mass.**
- **The vast majority of children under age 18 are not yet vaccinated.**
- **Our greeter/hospitality team simply does not have the number of volunteers to assist with the added need to validate attendees' vaccination status cards (in order to allow the vaccinated to remove their masks).**

You might still wonder why we are continuing to require masks when some large retailers are no longer requiring masks or operating under the "honor system" assuming all visitors not wearing masks are fully vaccinated. First, since the beginning of the pandemic, we have operated with the health and safety of everyone in our community as the foremost priority. Collectively, we have lifted one another up in prayer and charity, adhered to protocols and guidelines, and committed to a unified approach to overcoming the challenges of the pandemic. It is with that spirit of unity that we continue moving forward. Second, we do feel that to make a change in mask use we need to verify vaccination status of all attendees and we simply do not have the capacity for this change right now.

I understand that not all will be pleased with this decision. As your pastor who cares for you, I thank you for your patience as our staff and volunteers continue to work hard to make the celebration of Mass and our liturgies beautiful and safe as we continue to manage within important health guidelines.

Again, we anticipate changes when we reach Phase 5 in the coming weeks and I hope to be able to share updates then.
