STEWARDSHIP

STEWARDSHIP IN THE NEW YEAR

As we begin a new year, it is an opportunity to embrace new resolutions. As Catholic Christians, it is important to not only attend Mass, but to contribute in some manner to the Church.

In my vision for Saint Alphonsus, I would like to see every parishioner commit themselves to some type of volunteer activity. There are countless opportunities to give back to the parish in time and talent.

To help facilitate this goal, we will have a community coordinator. In addition, we hope to offer a spiritual gifts inventory that will help people discern how they can share their unique gifts with the parish.

UNITING IN HEART Leadership Formation

Part of the second pillar of the Uniting in Heart 2030 Pastoral Plan is to build leadership vitality and vibrancy across the diocese. The pastoral plan is committed to providing lifelong training and development for priests, as well as providing ongoing professional development for staff and lay leaders so that everyone is equipped with the skills, resources and knowledge needed to shepherd their flocks.

Priests and pastorate leadership teams participate in some form of training or professional development opportunity 6-10 times a year, and have other individual growth/educational experiences at their disposal as well. This allows our clergy and lay leaders to be the best missionary disciples they can be while building the Kingdom of God in our diocese.
