All parishes are asked to say Masses that are offered within a year, at this time the parish has more than a year of Masses. If anyone who has given Masses would be open to have some of their requested Masses to be sent to the Diocese of La Crosse where senior priests, priests in the Curia Office who do not have a parish, and to the Missions would be sent. Call the parish office at 715-352-3011 if you are willing to have Masses be sent to La Crosse. Thank you for your understanding.

General Information

Fellow Parishioners,

I want to share with everyone that I have been given an opportunity to continue to work for God and to continue to work at St. John's Parish. Father Alan has moved me to be the Evangelization Coordinator at the parish.

I have enjoyed working in the parish office, however my vocation after wife and mother has been to work with people and it truly is a blessing to now be able to work with people of all ages in a Christ centered environment. I will continue my work in the CCD program and as the safe environment contact person, liturgy coordinator, but now will also coordinate and lead R.C.I.A., Baptismal and other sacramental classes and more.

We are looking for an Office Administrative Assistant which is a 40 hours per week job opening. If you or someone you know who may be interested, contact the parish office for more details at 715-352-3011.

I know many of you pray for the parish and school and for all the people who tirelessly help out. Please continue to pray for St. John's and on behalf of all us, thank you for your prayers.

I look forward to continuing or beginning to work with many of you.

Nancy Hackel
