General Information

After the leak of the Dobbs Supreme Court draft opinion, Archbishop William Lori, Chairman of the US Bishops' Committee on Pro-Life Activities, issued the following statement:

"The leak related to the U.S. Supreme Court case of Dobbs v. Jackson Women's Health Organization reminds us of the urgent need for prayer and action at this pivotal moment in our country.

As Catholics, we care about every unborn child and every mother. As the bishops shared in our statement Standing with Moms in Need: we pledge 'to redouble our efforts to accompany women and couples who are facing unexpected or difficult pregnancies, and during the early years of parenthood, offering them loving and compassionate care through initiatives such as Walking with Moms in Need and countless others.' At the same time, as we await the Court's decision, we urge everyone to intensify their prayer and fasting that the final decision of the Court will bring about the reversal of Roe and Casey. We hope and pray for a change in our laws and stand ready to help all pregnant women in need in each of our communities. Our Lady of Guadalupe, pray for us and guide us.

DO YOU ENJOY SHARING YOUR FAITH?

Do you enjoy learning about the Catholic faith? St. John's is looking for people to help with RCIA (The Rite of Christian Initiation for Adults). If you are interested or would like to know more about the RCIA team, email Nancy at nhackel@stjohnedgar.org or call 715-352-3011.
