## General Information

Roe v. Wade - What did it say, and how might Dobbs correct it? Most people know that the 1973 Roe v. Wade decision made abortion legal in all 50 states. But for more detail, and to see how the Dobbs case may lead to that tragic decision being overturned, watch an excellent 5-minute video on the diocesan website at [diolc.org/respect-life](http://diolc.org/respect-life). On that page there is also a link for downloading a brochure featuring the names and photos of the nine Supreme Court justices and inviting you to pray for each of them. May Our Lady of Guadalupe, Patroness of the Unborn, convert hearts and give the justices the strength to overturn Roe v. Wade!

Are you looking for some quiet and prayerful time with God?

If you are asked, "Are you saved?" you can answer, "As the Bible says, I am already saved through the sacrifice of Jesus Christ, but I'm also being saved through the Sacraments given by Christ through His Church – especially the forgiveness of my sins, and I have the hope that I will be saved because Jesus promised to come back for me."
