Message from our President

Some of you might remember the Gettysburg battle diorama I set up in our center about seven years ago.

My hobby is war games and history, which fit nicely together. I have been painting one-inch soldiers for over 50 years, so I am able to set up battle scenes of many different wars. But our Civil War, the War Between the States, or the Late Unpleasantness (pick one) is my particular interest.

Teri Johnson, our person responsible for setting up interesting trips for our members and others, has arranged for one going to Gettysburg and Philadelphia from May 31 through June 5th. It features a driving tour of the battlefield, a viewing of "A New Birth of Freedom" movie, a visit to the Cyclorama (a huge painting in the round of Pickett's charge rendered in the 1880s). Then there is a drive through Pennsylvania Dutch country to Philadelphia.

While in Philly, there is a driving tour to all the main monuments in the city: the Benjamin Franklin Parkway, Logan Circle, the Barnes Foundation, the Rodin Museum, Boathouse Row along the Schuylkill River, the world's largest landscaped city park, a multimedia show on the largest indoor video screen in the world. The next day stroll through the most historic square mile in the U.S.: the Liberty Bell, Independence Hall, Congress Hall, Franklin Court, Betsy Ross house, and the American Revolution Museum. Then visit Valley Forge with the encampment, parade ground, Washington's HQ, and a shopping opportunity at a museum store. Then a visit to Lambertville, PA to visit the Flight 93 National Memorial Site where the 9-11 airplane crashed when the passengers stormed the cockpit held by terrorists.

Whew! One heck of a tour! All in all, you will see where we got our independence, where we saved the nation, and where a small group of people defended our freedom. All in one tour!

Details on this bus trip and others can be found on a brochure on the piano just past the receptionist's desk, or by talking to Teri Johnson. Go Teri!

Jim Gorby

Vivian Summeier is anxiously awaiting her new students.

If interested, call her at:

MAH JONGG We usually have 3-4 tables playing on Tuesday afternoons at 2:00. If you have always wanted to learn how to play, they will teach you. If you are an experienced player you will enjoy the challenges of this year's card and playing defensively. We are looking for people who are interested in learning to play. Several people are willing to teach us. Let Sue Huffman know if you are interested.

We are happy to welcome our newest Board Members,

“Ginny Sanders & Amy Featherston”.

We are excited to see what they bring to the table.

Help is needed!

June 25th

It's that time of year again when we get out our favorite recipes for cookie, candies and other goodies! YES!! It's time for the 'Bake Sale' once again! Please see Ruth for more information.

Nancy Wallace is looking for help with "Bingo Babes". She cannot do it by herself and needs more volunteers to step up and help to keep this mission going. Bingo Babes is the 3rd Monday of April, May and June at 2:00. Please see her to volunteer!

Our birthday party was a great time for everyone. Charlene arranged for some "bubble art" ladies to come and make balloons for all of us.

Their talent was very impressive!

Our president Jim Gorby won the 50-50 raffle which netted \$264.00 for SCOI because Jim graciously donated his half back to the Center.

THANK YOU MR. PRESIDENT!

The lucky winner of a "Chick-fil-A" gift card was won by Suzie Nash!

GAMES/CENTER INFORMATION

PLEASE REMEMBER TO ARRIVE AT LEAST 15 MINUTES BEFORE ANY SCHEDULED ACTIVITY.

This allows that activity to begin promptly at the time stated. Game tables fill in the order people arrive. Information sheets about each activity are available from the receptionist or on our website on the Activities Page.

BID EUCHRE uses more cards than regular euchre and can be played with 4 or 6 players to form teams. Bidding is done by number of tricks in a chosen suit or high—no trump or low—no trump. If you know euchre, you will learn quickly!

BINGO We hold a gaming license for bingo so everyone who plays must be a member or hold a Day Pass for that day and be age 21 or older. A player can pay as little as \$1.50 and be eligible to win any of the games played including the hot ball. However, most players pay an average of \$4.00.

BRIDGE Monday & Thursday bridge begin promptly at 1:00 and end after playing three rounds of six hands each. Seats are filled as people arrive. On Monday winners change tables, and draw for new partners. On Thursday North & South stay seated and East and West rotate tables. Each player pays twenty-five cents. On Monday the money is donated to the center to help defer the cost of new cards and on Thursday the money is shared with fifty cents to the losing partners and the winners receiving the rest.

BUNCO is a game that can be played by anyone who can count to 3! Join them from 10:00–11:30 every Monday morning.

BUSINESS MEETING all annual and lifetime members are encouraged to attend these meetings. Members who are at least 55 may vote!

CRIBBAGE is Thursday morning at 10. Using a standard deck of cards, a cribbage board and helpful players you will catch “cribbage fever” quickly! Ask the receptionist for the cribbage information sheet or download from website.

DOMINOS We play Mexican train dominoes on Wed. The object of the game is to play all your dominoes.

DUPLICATE BRIDGE For those that want a bit more of a challenge and to test your own skills duplicate bridge could be what you are ready to try. Reservations are required to Vivian to be sure that everyone has a partner and that all tables are filled. During the evening everyone will play each of the hands to see who played it the best! This activity occurs on the 4th Tuesday of each month.

EUCHRE On Tuesday at 1:00 you will find 4-8 tables of euchre players. Each person plays independently, but with different partners. This allows for good social interaction as well as strengthening one's card skills. On the 2nd, 4th, and 5th Saturdays of the month (March—November) at 1:30 you will find 2-4 tables of euchre players enjoying a relaxing afternoon of cards. This group started playing so that working spouses could also participate.

EXERCISE Our exercise group was started almost at the beginning of our existence. Originally the exercises were based on the Arthritis Foundations guidelines. So this is not an aerobic class but it does provide a good workout and stretching.

HAND & FOOT CANASTA is usually played with 4 or 6 players. The name of the game is derived from having two sets of cards dealt to each player and played separately during each round.

LINE DANCE We have several levels of line dancing: Beginners classes are on Mondays at 2:30, Intermediate classes are on Mondays at 3:30.

MAH JONGG We usually have 3-4 tables playing on Tuesday afternoons at 2:00. If you have always wanted to learn how to play, they will teach you. If you are an experienced player you will enjoy the challenges of this year's card and playing defensively.

PING PONG provides great physical exercise and requires hand-eye coordination. Our players play for fun and to see who is the best this week.

PINOCHLE is played here just for fun on the 1st & 3rd Saturday afternoons using a single deck. We will play with a table of three if there is not a full table. Everyone plays with everyone else for a mix and mingle atmosphere.

POOL for those who like to play with others Tuesday at 11.

RUMMIKUB officially meets on Monday afternoons at 1:00. However, you may play any time that you can find enough people to play!

SAMBA CANASTA is a challenging game of canasta usually played with 4 or 6. Partners try to establish one wild card canasta, one Samba, one canasta of 7's, 5 clean and 1 dirty canastas.
