Message from our President

The Senior Center on Cumberland Road in Noblesville was established in 1978 and has served those over 55 ever since. Thousands of seniors have benefited from its services and friendships.

In 1978 the main focus was on seniors who grew up and lived in the area all their lives. Many participants had been friends since childhood. Everyone knew one another or at least had heard stories about the other.

Beginning about 1990, Hamilton County started to grow like crazy. Suburban towns like Noblesville, Fishers, Westfield and Carmel took off, and newcomers arrived from many points on the compass. New business came in to enjoy the pleasant surroundings and to employ hard working folks who lived here or would soon join them. Rather suddenly, the area became not just a bedroom community for Indianapolis, but a destination in itself.

The Senior Center has evolved to serve additional clientele. As businesses started up, relocated here, and expanded, young professionals arrived from across the nation to take jobs and start families. Grandparents visited to see the new grandchildren, and thought about moving to the area to be closer to them. And the moves began.

Today, our Center has a mix of long-time residents and many newcomers who are looking for activities and friendship among people of their own age.

The Senior Citizens Organization (to give its proper name) offers games, dinners, trips, a thrift store, hobbies, dancing, exercise programs, and opportunities to get involved in the community. We are member organized and run in a pleasant facility with all the amenities the community offers.

Come give us a look and get involved.

Jim Gorby, President Senior Citizens Organization

In response to the “Hot Seat” request, I’d like to share with each of you, my assurance of heaven. Thank you Chris for sharing this beautiful story.

Friday, August 24, 2012, I experienced near death experience, some refer to it as out of body.

Our little neighbor boy Aaron, age 3, had just attended his first day of pre-school. He and his mother, Dorothea, came to share everything and have a dish of pink ice cream, his favorite.

When I opened the freezer door to get the ice cream out, the cold air entering my lungs caused me to have the worst back pain I’ve ever endured. I told Dorothea, “I have to sit down”. Immediately she helped pull a kitchen chair away from the table and helped me, I was unconscious. She grabbed the phone and called 911, also called my husband Lou in his home office. My entire body looked lifeless—but I had exited through the top of my skull and was invisible, by the kitchen wall under an A/C vent. The cool air felt wonderful.

I felt loved beyond words, I was naked and felt beautiful. I had no “to do list”, no cares or obligations, it was wonderful!

Dorothy stood by my seated body and pulled me over to her. I wanted to hug her back and stretched my out of body state towards her. I could see my arms, they looked like smooth white alabaster. No freckles, wrinkles, loose skin—just beautiful.

Four paramedics arrived and placed me on a gurney and took me out the front door. I felt I was hovering above my actual body. They took me to Riverview. The doctor in ER recognized my symptoms from a paper he had read about the death of John Ritter, a TV star on “Three’s Company”, who died in front of the hospital door in 2003.

I was air lifted to IU Methodist for 6 hours of surgery, The frayed section of my aorta was replaced with a rayon tube. I suffered a stroke during surgery, but I’m still here, playing bridge, telling jokes and sending cancelled postage stamps to the Sisters of the Holy Cross at Notre Dame, IN. Holy Cross and the Alliance Stamp Ministry in Fort Meyers, FL.

I’m not able to tell you where I was actually ,while my physical body was getting the ambulance ride. Must have been singing with the choir of angels.

Those few hours out of my body were pain free and gloriously wonderful—I felt loved beyond words.

I told my doctor if I’m dying, don’t do anything to stop me—she said I would need a paper signed legally documented to prevent her from treating me with life sustaining measures.

We plan to see an attorney soon.

Who wants to be next in the hot seat?

ANNUAL BAKE SALE

The Senior Center's annual bake sale will be at the Farmers Market at Federal Hills Commons on Saturday, June 25. Sign up sheets to bake or donate needed paper goods can be found on the table by the sign in book. Again this year we ask for NO cupcakes or anything with icing or meringue as we have no way to keep it cool so it won't melt in the heat. We will have a new location at the market this year due to the construction. The location will be in the June newsletter once it is confirmed.

Thank you in advance to everyone for your help. Questions?? Ask Ruth Gilbert or Carole Cade.

GAMES/CENTER INFORMATION

PLEASE REMEMBER TO ARRIVE AT LEAST 15 MINUTES BEFORE ANY SCHEDULED ACTIVITY.

This allows that activity to begin promptly at the time stated. Game tables fill in the order people arrive. Information sheets about each activity are available from the receptionist or on our website on the Activities Page.

BID EUCHRE uses more cards than regular euchre and can be played with 4 or 6 players to form teams. Bidding is done by number of tricks in a chosen suit or high—no trump or low—no trump. If you know euchre, you will learn quickly!

BINGO We hold a gaming license for bingo so everyone who plays must be a member or hold a Day Pass for that day and be age 21 or older. A player can pay as little as \$1.50 and be eligible to win any of the games played including the hot ball. However, most players pay an average of \$4.00.

BRIDGE Monday & Thursday bridge begin promptly at 1:00 and end after playing three rounds of six hands each. Seats are filled as people arrive. On Monday winners change tables, and draw for new partners. On Thursday North & South stay seated and East and West rotate tables. Each player pays twenty-five cents. On Monday the money is donated to the center to help defer the cost of new cards and on Thursday the money is shared with fifty cents to the losing partners and the winners receiving the rest.

BUNCO is a game that can be played by anyone who can count to 3! Join them from 10:00–11:30 every Monday morning.

BUSINESS MEETING all annual and lifetime members are encouraged to attend these meetings. Members who are at least 55 may vote!

CRIBBAGE is Thursday morning at 10. Using a standard deck of cards, a cribbage board and helpful players you will catch “cribbage fever” quickly! Ask the receptionist for the cribbage information sheet or download from website.

DOMINOS We play Mexican train dominoes on Wed. The object of the game is to play all your dominoes.

DUPLICATE BRIDGE For those that want a bit more of a challenge and to test your own skills duplicate bridge could be what you are ready to try. Reservations are required to Vivian to be sure that everyone has a partner and that all tables are filled. During the evening everyone will play each of the hands to see who played it the best! This activity occurs on the 4th Tuesday of each month.

EUCHRE On Tuesday at 1:00 you will find 4-8 tables of euchre players. Each person plays independently, but with different partners. This allows for good social interaction as well as strengthening one's card skills. On the 2nd, 4th, and 5th Saturdays of the month (March—November) at 1:30 you will find 2-4 tables of euchre players enjoying a relaxing afternoon of cards. This group started playing so that working spouses could also participate.

EXERCISE Our exercise group was started almost at the beginning of our existence. Originally the exercises were based on the Arthritis Foundations guidelines. So this is not an aerobic class but it does provide a good workout and stretching.

HAND & FOOT CANASTA is usually played with 4 or 6 players. The name of the game is derived from having two sets of cards dealt to each player and played separately during each round.

LINE DANCE We have several levels of line dancing: Beginners classes are on Mondays at 2:30, Intermediate classes are on Mondays at 3:30.

MAH JONGG We usually have 3-4 tables playing on Tuesday afternoons at 2:00. If you have always wanted to learn how to play, they will teach you. If you are an experienced player you will enjoy the challenges of this year's card and playing defensively.

PING PONG provides great physical exercise and requires hand-eye coordination. Our players play for fun and to see who is the best this week.

PINOCHLE is played here just for fun on the 1st & 3rd Saturday afternoons using a single deck. We will play with a table of three if there is not a full table. Everyone plays with everyone else for a mix and mingle atmosphere.

POOL for those who like to play with others Tuesday at 11.

RUMMIKUB officially meets on Monday afternoons at 1:00. However, you may play any time that you can find enough people to play!

SAMBA CANASTA is a challenging game of canasta usually played with 4 or 6. Partners try to establish one wild card canasta, one Samba, one canasta of 7's, 5 clean and 1 dirty canastas.
