MEMBERSHIP BENEFITS

These are just a few of the advantages of being a member of the Senior Citizens Organization.

Meet a diverse group of people from our 200+ members with interests like yours.

Senior centers are one of the most accessible, friendly, and inexpensive places that offer programs that promote active engagement and enjoyment of life by senior adults.

Several different planned activities are available Monday through Saturday.

Seven hours a week of exercise classes.

Access to our website including Members Only.

Monthly birthday dinner with local entertainment.

Line dance classes at several levels.

Many different games including cards, pool, ping pong and many more.

Occasional presentations by local businesses on subjects of interest to our members.

Opportunities to volunteer for many different positions in our senior community.

Message from our President

As you may have noticed, these columns have described several different aspects of seniors and a senior center.

One theme is the "us poor old folks": we are old, falling apart, losing our spouses, friends, and relatives, lonely as the Last Mohican, poor as church mice, at loose ends, unable to get around, etc.

Another theme is we are vibrant: we follow our grandchildren, follow politics closely (and vote), are demanding better treatment, travel, love to eat out and enjoy life to the fullest, and have the time to be mischievous or productive.

Both are true at different times of our lives.

But both stories are important to tell, depending on what audience we are trying to influence.

For instance, if we are trying to get money from an organization, it is important to show how it will be used to improve the lot of our members and the community at large. Of course, our need for a new building is always a good reason to get money and sock it away.

If we are trying to acquire new members, it is important to show how we can help them to become physically, socially, and mentally active.

If we are trying to advertise to the general population or to businesses existing or new to the area, we want to show how our organization can help them attract employees (those coming in from out-of-state will attract grandparents to be with grandchildren as families are formed, for example).

We are a complex demographic. After retirement we are vibrant and have the time to change our little part of the world. As we age, other priorities take hold. I recently heard that retirement is instituted among us so we have time to go to all those doctor appointments!

Nonetheless, we are rapidly becoming fully 30% of the population, and we will be heard.

Jim Gorby

We are happy that JoJo Ramey again picked SCOI to earn her community service hours for school. Thanks JoJo for cleaning up our kitchen, garage and for hauling unsold items to the Goodwill store. You're certainly appreciated for all of your efforts!

Guess who is turning 90 in June?!?

DeEtta has been very active here at SCOI, playing games, acting as receptionist and being in charge of several games. She is not our oldest member but she certainly is a wonderful member. Thank you DeEtta for all you have done. We need more members like you. "Happy Birthday DeEtta!"

As you all may or may not know, we were scheduled to have a NY Eve Party, which was cancelled due to Covid. Before we were closed down, in the Fall of 2021, myself and others went around Noblesville asking for donations for our party. We were able to acquire more than \$300 worth of coupons, discount cards, items for hair care products, a T-shirt & cozy, and gift cards.

We'd like to think of this part as “an appreciation” party for those of you who have paid your dues and who have done hours upon hours of volunteer work to keep SCOI going.

The President, Vice President, Treasurer and her assistant, Membership Committee, Newsletter Team, Corner Store Team, Game Coordinators, Board Members and At Large, Receptionists, Birthday Party Committee, Members, Web Page Committee, the Friday Bingo and Raffle Members, the Exercise Group, the Art Group, Sponsor Liaison, the Bake Sale Team, the Dance Instructors, the Bus Tour Organizers, the Members who fill our Memory Case, the Members who get us free or discounted tickets to play and shows. This doesn't take into account the Members who take it upon themselves to take care of the caps that come in, the Members who clean up the kitchen, the Members who transport friends to and from the Center, Members who bring friends and neighbors in hoping for them to be the next new Member to join us.

We thank all of you!

As we've heard before...it takes many hands to make the work light. We have many wonderful hands and we are grateful.

This has been a place of fun and laughter since 1975 and that totals nearly 50 years. Can you imagine all the hands that have worked here that long? Hands that created the Center, that kept it going for many years!

Let us look forward to the next 50 years! Let us see what we can do for those who will be sitting in these chairs as time goes on.

We are still looking for hands that can and will help. So instead of saying “why?” Let us say “why not?”.

For one true measure of a club is its success in fulfilling the promise of a better life for each of its members. For it's only when we join together in a forward movement that we can move ahead.

Thank you and God Bless all of you!

ANNUAL BAKE SALE

Last Call For Bakers

We are still in need of baked goods and supplies for our annual bake sale to be held at the Farmers Market at Federal Hills Commons on Saturday, June 25. Sign up sheets have been placed on the table where you sign in. We ask for no cupcakes or anything that needs to be kept cool as we can't do that. No icings or meringues please!! Our location will not be far from where we have been in the past. We will be in the grassy area just off the circle and still close to the bathrooms. Just look for our signs and red SCOI shirts. All baked goods need to be brought to the center by 2 PM on Friday, June 24 so we can get them packaged and priced. Volunteers to help with this are always welcome. Simply stay after bingo or come in about 2:30 that day. Thank you in advance for everyone's help with this fundraiser.

Please contact Ruth Gilbert or Carole Cade for more information.

This puzzle appears to be very difficult to put together. I admire people who have the patience to work on puzzles, as I have little to no patience for this kind of fun. Remember we have many puzzles for sale at the "**CORNER STORE**". Please stop in and see what is newly donated! You might be missing out on a wonderful item! We are always taking donations of most everything! Puzzles to earrings, clothes to dishes, bedspreads to artificial flowers. Go ahead and clean out those boxes of items that you are saving for a rainy day or that you thought you might use again. We will take most anything! We are not having a garage sale this year, so bring your items in and we'll sell what we can! Thank you!

Thanks to Marleen Ice

for sharing her "**Tom Clark Gnome**" collection.

It is a very remarkable collection that everyone has enjoyed seeing!

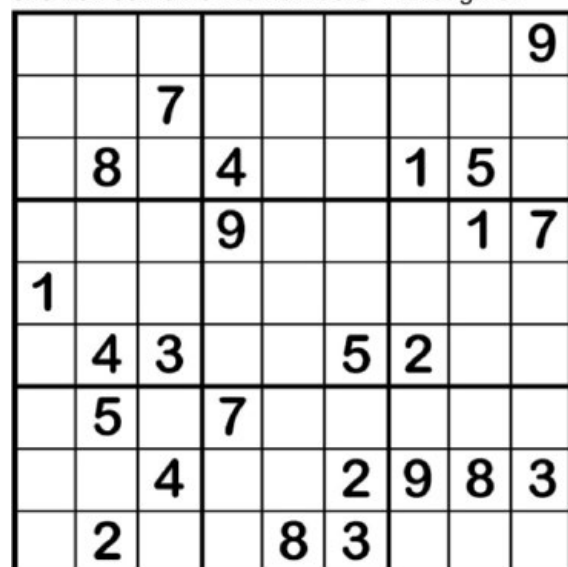

Most cultures worldwide have a mythical creature similar to the gnome. They are earth people that are associated with soil and plants. Legend holds it that if a gnome comes above ground in the light of day it will turn to stone.

The first garden **gnomes** were made of terracotta in Germany in the 1800s

We look forward to Junes display of crafts by:

GAMES/CENTER INFORMATION

PLEASE REMEMBER TO ARRIVE AT LEAST 15 MINUTES BEFORE ANY SCHEDULED ACTIVITY.

This allows that activity to begin promptly at the time stated. Game tables fill in the order people arrive. Information sheets about each activity are available from the receptionist or on our website on the Activities Page.

BID EUCHRE uses more cards than regular euchre and can be played with 4 or 6 players to form teams. Bidding is done by number of tricks in a chosen suit or high—no trump or low—no trump. If you know euchre, you will learn quickly!

BINGO We hold a gaming license for bingo so everyone who plays must be a member or hold a Day Pass for that day and be age 21 or older. A player can pay as little as \$1.50 and be eligible to win any of the games played including the hot ball. However, most players pay an average of \$4.00.

BRIDGE Monday & Thursday bridge begin promptly at 1:00 and end after playing three rounds of six hands each. Seats are filled as people arrive. On Monday winners change tables, and draw for new partners. On Thursday North & South stay seated and East and West rotate tables. Each player pays twenty-five cents. On Monday the money is donated to the center to help defer the cost of new cards and on Thursday the money is shared with fifty cents to the losing partners and the winners receiving the rest.

BUNCO is a game that can be played by anyone who can count to 3! Join them from 10:00–11:30 every Monday morning.

BUSINESS MEETING all annual and lifetime members are encouraged to attend these meetings. Members who are at least 55 may vote!

CRIBBAGE is Thursday morning at 10. Using a standard deck of cards, a cribbage board and helpful players you will catch “cribbage fever” quickly! Ask the receptionist for the cribbage information sheet or download from website.

DOMINOS We play Mexican train dominoes on Wed. The object of the game is to play all your dominoes.

DUPLICATE BRIDGE For those that want a bit more of a challenge and to test your own skills duplicate bridge could be what you are ready to try. Reservations are required to Vivian to be sure that everyone has a partner and that all tables are filled. During the evening everyone will play each of the hands to see who played it the best! This activity occurs on the 4th Tuesday of each month.

EUCHRE On Tuesday at 1:00 you will find 4-8 tables of euchre players. Each person plays independently, but with different partners. This allows for good social interaction as well as strengthening one's card skills. On the 2nd, 4th, and 5th Saturdays of the month (March—November) at 1:30 you will find 2-4 tables of euchre players enjoying a relaxing afternoon of cards. This group started playing so that working spouses could also participate.

EXERCISE Our exercise group was started almost at the beginning of our existence. Originally the exercises were based on the Arthritis Foundations guidelines. So this is not an aerobic class but it does provide a good workout and stretching.

HAND & FOOT CANASTA is usually played with 4 or 6 players. The name of the game is derived from having two sets of cards dealt to each player and played separately during each round.

LINE DANCE We have several levels of line dancing: Beginners classes are on Mondays at 2:30, Intermediate classes are on Mondays at 3:30.

MAH JONGG We usually have 3-4 tables playing on Tuesday afternoons at 2:00. If you have always wanted to learn how to play, they will teach you. If you are an experienced player you will enjoy the challenges of this year's card and playing defensively.

PING PONG provides great physical exercise and requires hand-eye coordination. Our players play for fun and to see who is the best this week.

PINOCHLE is played here just for fun on the 1st & 3rd Saturday afternoons using a single deck. We will play with a table of three if there is not a full table. Everyone plays with everyone else for a mix and mingle atmosphere.

POOL for those who like to play with others Tuesday at 11.

RUMMIKUB officially meets on Monday afternoons at 1:00. However, you may play any time that you can find enough people to play!

SAMBA CANASTA is a challenging game of canasta usually played with 4 or 6. Partners try to establish one wild card canasta, one Samba, one canasta of 7's, 5 clean and 1 dirty canastas.

"May's Birthday Bash!!"

Our president, Jim, showed up raising cane ... as usual

Mr. Mike & Miss Vivian along with the bridge club made sure everything ran smoothly.

Charlene Rockhold's neighbor, Rick Matillo, volunteered his time and wowed us with songs from the 40's- the 70's with his beautiful voice and guitar. What a joy to hear him.

These two cuties were great help!

Sandy's ready for the race

X- sorority Sisters

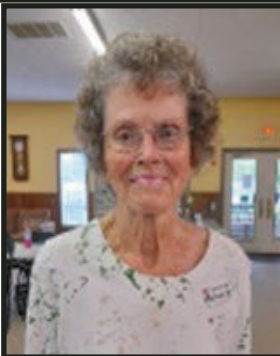

Welcome to Cheryl as a new member AND receptionist.

Two beauties enjoying each other's company.

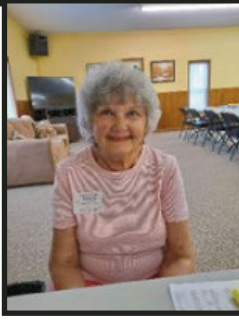

Great to welcome this pretty face back from Florida.

Helpful hands sold and bought raffle tickets to create a \$120.00 pot which Pat Spdich won. Pat's half was \$60.00 and she donated half of that back to the center.

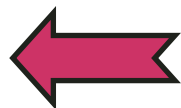

Edna does a great job with membership!

Dressed for the race!!

THESE TWO WERE FIRST ON THE DANCE FLOOR AND TOOK HOME 1ST PLACE!
