# Bishop Hicks' Column

**September 2021: "Jesus Christ is the same yesterday and today and forever!"**

What is your favorite season? Even though I am a big fan of warm weather, my favorite season is the fall. I love the brilliant colors as the leaves change and the breezes at night become cooler. During my five years of living in El Salvador, I missed having four seasons. That country has just two seasons. Residents used to joke and say, "We have two seasons in El Salvador, 'hot' and 'hotter.'" Actually, their two seasons are the dry and rainy seasons, and yet they are still both very "hot."

In the Midwest, we are blessed with the four seasons. They provide us not only with changes in the weather and temperature, but they also serve as a reminder that as time moves forward, everything in life changes. The Book of Ecclesiastes reminds us, "For everything there is a season, and a time for every matter under heaven: a time to be born, and a time to die."

As Catholics, we believe with all the changes in our lives, God is constant. His love is unchanging and unwavering. St. Paul in his letter to the Hebrews proclaims boldly, "Jesus Christ is the same yesterday and today and forever." And therefore, he exhorts us, "Through him then let us continually offer up a sacrifice of praise to God, that is, the fruit of lips that acknowledge his name. Do not neglect to do good and to share what you have, for such sacrifices are pleasing to God."

Many of you are familiar with the play and movie, "A Man for All Seasons." Based on the life of St. Thomas More, it highlights someone who heroically remains true to God and to himself in the midst of a changing world. He demonstrates the ability to adapt to all circumstances and times around him, while never surrendering to the external pressures to reject or bend his principles and values.

Like St. Thomas More, we are called to be men and women of all seasons. The world around us not only seems to be changing at a rapid pace, but

also at times it seems that our society and culture are going crazy as they shift their values and principles. Throughout this rollercoaster ride of changes, we are invited to keep our eyes focused on Christ. He is our Lord, Redeemer and Savior. His love, mercy and compassion never change. In other words, he is our rock, our solace in the storm of incertitude.

Every morning I begin my day with a Holy Hour. As I pray, I sometimes glance outside the window in my chapel that overlooks a grouping of trees, and I am reminded of the changing seasons. Currently, the trees are full of bright green leaves. Yet, I know they will not remain that way. Soon they will change colors, then die, fall to the ground and eventually bud back to new life. As I reflect on the changing seasons, sometimes I catch myself saying, "I cannot believe how quickly time is passing."

At the end of this month, I will celebrate the completion of my first year as the bishop of Joliet. During this time, the seasons have changed, and I too, with the grace of God, have tried to navigate these changing times and issues. Like everyone in the world, my first year has been filled with ups and downs, triumphs and challenges, joys and sorrows. Again, it has gone by like a "blink of the eye." Yet, throughout all the moments of rain and sun, I try to keep my gaze steady on Jesus. He helps me to carry the cross in my times of trial and rejoices with me in the times of joy. Therefore, when people ask me, "How do you feel about being the bishop of the Diocese of Joliet." I consistently and wholeheartedly respond, "I feel both happy and blessed!"

As I approach my second year here in the Diocese of Joliet, I know that things will continue to change and the craziness in our world will take on different shapes and forms. However, as I take these next steps, I do so with faith, hope and trust in God and with great gratitude for all of you. We are in this changing world together, and truly, "Jesus Christ is the same yesterday and today and forever." ✝

# Sunday Readings—25th Sunday in Ordinary Time

## First Reading

Wis 2:12, 17-20

The wicked say: Let us beset the just one, because he is obnoxious to us; he sets himself against our doings, reproaches us for transgressions of the law and charges us with violations of our training. Let us see whether his words be true; let us find out what will happen to him. For if the just one be the son of God, God will defend him and deliver him from the hand of his foes. With revilement and torture let us put the just one to the test that we may have proof of his gentleness and try his patience. Let us condemn him to a shameful death; for according to his own words, God will take care of him.

The Word of the Lord  
- **Thanks Be to God**

## Responsorial Psalm

Ps 54:3-4, 5, 6 & 8

### -The Lord upholds my life.

O God, by your name save me,  
and by your might defend my  
cause.  
O God, hear my prayer;  
hearken to the words of my  
mouth.

For the haughty have risen up  
against me,  
the ruthless seek my life;  
they set not God before their  
eyes.

Behold, God is my helper;  
the Lord sustains my life.  
Freely will I offer you sacrifice;  
I will praise your name, O  
LORD, for its goodness.

## Second Reading

Jas 3:16—4:3

Beloved: Where jealousy and selfish ambition exist, there is disorder and every foul practice. But the wisdom from above is first of all pure, then peaceable, gentle, compliant, full of mercy and good fruits, without inconstancy or insincerity. And the fruit of righteousness is sown in peace for those who cultivate peace.

Where do the wars and where do the conflicts among you come from? Is it not from your passions that make war within your members? You covet but do not possess. You kill and envy but you cannot obtain; you fight and wage war. You do not possess because you do not ask. You ask but do not receive, because you ask wrongly, to spend it on your passions.

The Word of the Lord  
- **Thanks Be to God**

## Gospel

Mk 9:30-37

Jesus and his disciples left from there and began a journey through Galilee, but he did not wish anyone to know about it. He was teaching his disciples and telling them, "The Son of Man is to be handed over to men and they will kill him, and three days after his death the Son of Man will rise." But they did not understand the saying, and they were afraid to question him.

They came to Capernaum and, once inside the house, he began to ask them, "What were you arguing about on the way?" But they remained silent. They had been discussing among themselves on the way who was the greatest. Then he sat down, called the Twelve, and said to them, "If anyone wishes to be first, he shall be the last of all and the servant of all." Taking a child, he placed it in the their midst, and putting his arms around it, he said to them, "Whoever receives one child such as this in my name, receives me; and whoever receives me, receives not me but the One who sent me."

The Gospel of the Lord  
- **Praise to you, Lord Jesus Christ**

# Religious Education

Family Centered Faith Formation begins this week on Monday, September 20 and Wednesday, September 22. We will begin promptly at 6pm in Holy Family Hall. Please use the entrance off the Richmond Street parking lot. Family materials will be distributed at the sessions this week.

RE Parents of children preparing for First Reconciliation/ Communion: The schedule in the blue Activity Handbook will help keep you on track as you prepare your child to receive the sacraments next spring. This week, please work on Chapters 1 and 2 in the Jesus Our Life book and in the activity handbook.

Holy Trinity School and Religious Education 7th Graders and Parents: Mark your calendars! The first year of Confirmation preparation begins with an informative Confirmation 2023 Doctrine Meeting on Monday, October 4 at 7pm in Holy Family Hall as we test your knowledge of the faith with a spirited game of CateQuizEm! All seventh-graders will be receiving their You-Cat (Youth Catechism) and Doctrine Handbook to complete in preparation for the Doctrine Test they will take later in the year.

Is God calling you to share the faith? Volunteer catechists are still needed! Sharing the faith is an honor. We are all called to continue to grow in our own faith, and one of the best ways to learn is to teach. Your own faith will come alive! Prayerfully consider being a catechist.

The commitment is for one evening a month for training and one evening a month to teach. Not sure you are able to commit for the entire year – consider volunteering to be a sub! Thank you to all who volunteer to teach or help in any way with Family Centered Faith Formation. Contact the RE office for more information.

## Gospel Reflection

### 25th Sunday in Ordinary Time: September 19

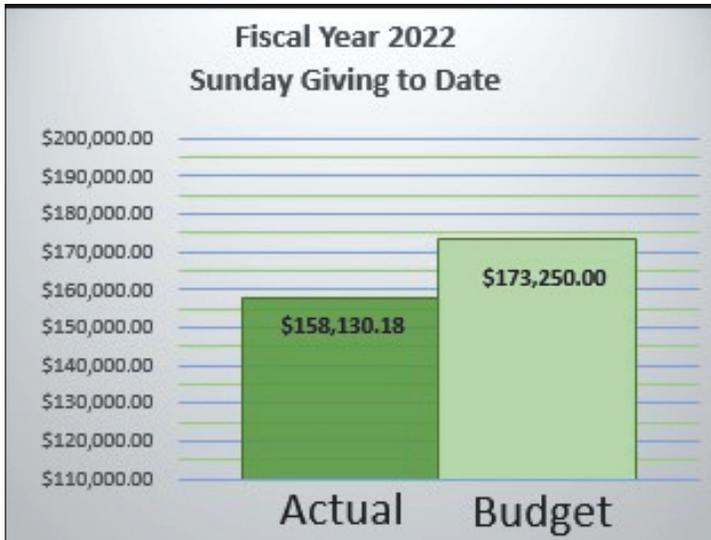

There is something about being first. Whether it be first in line, first to be picked for the team, or the first one to finish their work, great satisfaction is achieved. Our egos love being first. It somehow sets us apart from everyone else, gives us a sense of pride and positions us to feel better than others. When we are first, we can glory in our efforts, skills, and achievements. Isn't that what really matters? After all, we are taught from a very young age to be proficient, stay on top, be the best at what we do, and win the praise and esteem of others. This is the stuff that makes us successful and provides us with a comfortable, satisfying life.

Jesus wants none of it. All of the details we anguish over mean little to the kingdom of God. You want to be first? Then, be a servant and welcome a child. All of this is the opposite of our often vehement pursuits. If we are serious about following Jesus and living the Gospel, then we must put the needs of others before our own. If we continue to listen only to the noise of the world, we are going to continue to believe the illusions we inherit. Those illusions come in many forms, but all have things in common: me before you, being on top and not the bottom, us versus them, personal security over universal harmony and peace. When are we going to learn that always striving to be the best and first is an empty pursuit in our struggle for happiness? While satisfying our ego with this momentary boost of esteem may feel good for a moment, is it what we really desire?

If we can break from the world's noise and create a space of sacred silence in our lives, we can begin to listen and see that we are being called in another direction. What we really desire is not the bolstering of our egos but the innocence we lost somewhere along the way. When we can be playful, joyful, and even somewhat carefree, life is good. We want our relationships to work, a place to call home, and to live peaceful lives with our sisters and brothers. Only a servant can do this. The servant's prayer seeks to detach from self-concern in order to be used by God. Rather than worrying about being first and coming out on top, we can be inspired, guided, empowered, and led to do good works. Stop worrying about being first and put greater energy into feeling joy.
