

## Fundraising Milestone Reached!

The Holy Trinity Parish Center Campaign reached a fundraising milestone after receiving over \$224,000 in cash and pledges over the past two weeks. Following a second fundraising dinner and additional donations in June, we have raised over **\$4 million** in cash and pledges! Our dream of building a parish center is becoming a reality because of your support and generosity.

May God bless you one-hundred fold for your response to the Holy Spirit's promptings to contribute to the campaign during this final fundraising push.

Praise God for His many blessings—both now and to come!

# Gospel Reflection

## Fifteenth Sunday in Ordinary Time — July 10

We can learn a great deal from Mister Rogers. Remember him? He was the gentle soul who found his way into living rooms worldwide starting as far back as 1968. Mister Rogers' Neighborhood was a beloved program that celebrated and exalted people, especially children. He taught us that we are neighbors and that everyone has a place. Everyone matters. He had a vision, born of his relationship with God that highlighted every human life's innocence, beauty, and uniqueness. To that end, he called us to be responsible for each other, saying nothing different than what Jesus said. Viewers quickly learned that life is not just about me.

"We live in a world in which we need to share responsibility. It's easy to say, 'It's not my child, not my community, not my world, not my problem.' Then there are those who see the need and respond. I consider those people my heroes (Fred Rogers)." It is so easy to look the other way. After all, I'm not the one who needs to leave home out of fear and try to find somewhere safe. I am not the one who is hungry and without shelter or food. I am not the one who has a child being bullied or ridiculed because of the way they dress or act. I am not the one being threatened with violence or unable to find meaningful work. The distress and agony of our neighbors are our distress and agony. We cannot walk by it with an attitude of indifference, especially if we call ourselves believers. When we no longer care, we have suffocated our souls. This is a great sin.

God's law "is something very near to you, already in your mouths and in your hearts; you have only to carry it out." We all have a need for love and acceptance. That's why Mister Rogers' television show was so popular. It spoke to something deeper, something sacred about humanity. God didn't give us his law in a book. He wrote it on our hearts. We know what we need to do. It's a matter of choice. Love is sacred. When we love another human being, especially without regard for ourselves, it is a holy moment. These moments are often missed due to our self-serving agendas and rules.

## St. Vincent DePaul Society

Lord, give us the grace to love you with all our heart, with all our being, with all our strength, and with all our mind, and our neighbor as our self.

### 15th Sunday in Ordinary Time

*Written by: Marie Hejnal, Parishioner & Adorer*

Our world is in desperate need of prayers. Considering everything that is happening not only here in the United States but around the world, we need to pray, pray, pray. Please stop by our beautiful Adoration Chapel and devote at least an hour of your time to God in prayer. May God bless you and yours. Amen!

## CMAA Update

Our parish goal for the 2022 CMAA is \$76,400 and as of the end of June, we have received \$74,892 with \$87,674 pledged. We have already almost reached our goal! **Remember, if we raise more than our goal, 70 percent of the amount over goal will be returned to us for our use, which is a great opportunity for our parish.** If you have not done so already, please reflect on God's gifts to you and prayerfully consider supporting the CMAA as your means allow.
