HAPPY EASTER & GOD BLESS IN REMEMBRANCE

Spring is a time for new beginnings. A time for hope and rebirth. At Easter we celebrate the fact that He is Risen! We have hope for the future and look towards the reunion. We have faith that we will be reunited with loved ones that have gone before us. We celebrate the life we have left to live.

FAITH * NEW LIFE * HOPE * BELIEVE * LOVE * ACCEPT * RENEW

Here at the Council on Aging, we are working diligently to sort and pack and reduce before we move to the new Senior Center. We are purging and getting rid of unnecessary items that we will not be taking with us. We are in the home stretch to complete this project, but still have a little more fundraising work to do.

We have been blessed to receive a grant from Cole Foundation as well as a generous donation from Young Family Funeral Home. Thank you very much for your support!

We are pleased to serve our community and are always looking for ways to improve and expand our service to you. Please feel free to contact me if you have any suggestions, praises or complaints. Inspiration for April

Matthew 1:21

[21] And she shall bring forth a son, and thou shalt call his name JESUS: for he shall save his people from their sins.

Matthew 20:18-19,28

[18] Behold, we go up to Jerusalem; and the Son of man shall be betrayed unto the chief priests and unto the scribes, and they shall condemn him to death, [19] And shall deliver him to the Gentiles to mock, and to scourge, and to crucify him : and the third day he shall rise again. [28] Even as the Son of man came not to be ministered unto, but to minister, and to give his life a ransom for many.

Matthew 26:26-29

[26] And as they were eating, Jesus took bread, and blessed it , and brake it , and gave it to the disciples, and said, Take, eat; this is my body. [27] And he took the cup, and gave thanks, and gave it to them, saying, Drink ye all of it; [28] For this is my blood of the new testament, which is shed for many for the remission of sins. [29] But I say unto you, I will not drink henceforth of this fruit of the vine, until that day when I drink it new with you in my Father's kingdom.

Matthew 27:27-31

[27] Then the soldiers of the governor took Jesus into the common hall, and gathered unto him the whole band of soldiers . [28] And they stripped him, and put on him a scarlet robe. [29] And when they had platted a crown of thorns, they put it upon his head, and a reed in his right hand: and they bowed the knee before him, and mocked him, saying, Hail, King of the Jews! [30] And they spit upon him, and took the reed, and smote him on the head. [31] And after that they had mocked him, they took the robe off from him, and put his own raiment on him, and led him away to crucify him .

Luke 24:1-3

[1] Now upon the first day of the week, very early in the morning, they came unto the sepulchre, bringing the spices which they had prepared, and certain others with them. [2] And they found the stone rolled away from the sepulchre. [3] And they entered in, and found not the body of the Lord Jesus.

Matthew 28:19-20

[19] Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: [20] Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world.

Q: I got a phone call from someone who said they were with Medicare. They said they would need my Medicare card number to get me scheduled for a COVID-19 vaccine. I felt like this might have been a scam, and I hung up. Did I do the right thing?

A: You did do the right thing! Unfortunately, there are many scammers who are taking advantage of the coronavirus pandemic. Con artists may try to get Medicare Numbers or personal information so they can steal identities and commit Medicare fraud. Medicare fraud results in higher health care costs and taxes for everyone. Medicare does cover the COVID-19 vaccine, so there will be no cost to you. You will need to share your Medicare card with your health care provider or pharmacy when receiving your vaccine, even

if you are enrolled in a Medicare Advantage Plan. However, Medicare would never call you to ask you for your Medicare number. A few things you should know:

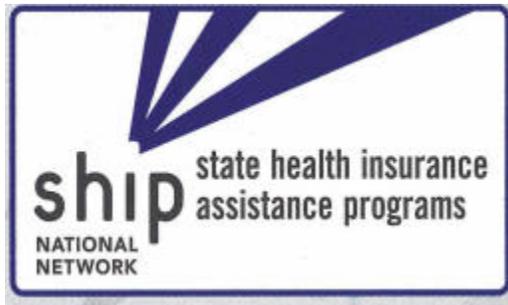

- If someone tells you that you can pay to get early access to a vaccine, it is likely a scam.
- You can't pay to get early access to a vaccine.
- Don't share your personal or financial information if someone calls, texts, or emails you promising access to the vaccine for a fee. When it comes to your Medicare card, you should know:
- Medicare will never contact you for your Medicare number or other information unless you've arranged that with them in advance.
- Medicare will never call you to sell you anything.
- You may get calls from

people promising things if you've given them your Medicare number. These are not legitimate deals.

- Medicare will never visit you at your home.
- Medicare can't enroll you over the phone unless you arranged this in advance with them. Be sure to report anything suspicious to Medicare. If you suspect fraud, call 1-800- MEDICARE (1-800-633- 4227). TTY users can call 1-877-486-2048.

If you have questions about Medicare Part B or any other questions related to Medicare, call SHIP at 1-800-452-4800, 1-866- 846-0139 TDD or online at www.medicare.in.gov.
