Message from Margaret Swatek, Religious Education Reporter

Mary's gaze! How important this is! How many things can we say with a look! Affection, encouragement, compassion, love, but also disapproval, envy, pride, and even hatred. Often a look says more than words; it says what words do not or dare not say.

At whom is the Virgin Mary looking? She is looking at each and every one of us. And how does she look at us? She looks at us as a Mother, with tenderness, mercy and love.

Reflection: What does your look say about you? Do you look upon others with mercy, or does your glance convey a sense of disapproval, or superiority, or boredom? Take up Mary's example and look on others with love.

Today is Mother's Day, call your mom and let her know she did a great job bringing you into the world and guiding you.
