Message from Margaret Swatek, Religious Education Reporter 23rd Sunday in Ordinary Time, Cycle C
Grandparents Day is a day for celebrating the connections between the generations, and its origin was decidedly noncommercial.

The roots of Grandparents Day go back to 1956 and a West Virginia mother named Marian McQuade. While helping to organize a community celebration for those over 80, she became aware of the many nursing home residents who were forgotten by their families. She wanted a holiday to bring attention to these forgotten individuals and to honor all grandparents. In 1973, West Virginia became the first state to have such a day.

McQuade and others then shifted their efforts to the national level, achieving success in 1978.

Grandparents Day is a national holiday or observance, celebrated each year on the first Sunday after Labor Day, although it is not classified as a federal holiday.
