This Sunday's Scripture - May 14, 2023

Reading 1, *Acts 8:5-8, 14-17*
 Responsorial Psalm, *Psalms 66:1-3, 4-5, 6-7, 16, 20*
 Reading 2, *First Peter 3:15-18*
 Gospel, *John 14:15-21*

One in the Spirit

We are preparing for the Ascension of Jesus into Heaven. The readings today remind us that Jesus is a gentle teacher who guides and prepares His disciples. Knowing that His time on earth was coming to an end Jesus tells His disciples, tells us, that He will always be with us. He will not leave us on our own. He will send an advocate, one to animate our lives and provide wisdom for continued life in Christ. The Holy Spirit is active and present within us through our Baptism and Confirmation, two of the three Sacraments of Initiation. As we are received into the Church, we receive the Holy Spirit who's gifts will help us to walk as disciples of Jesus all of our lives. The first reading demonstrates how the Sacraments of Baptism and Confirmation were entrusted to the early Church and passed on through the ages. Just as disciples in the first century, we are gifted with the Holy Spirit and choose daily to listen. How will you choose to listen to the Holy Spirit this week? The gift of the Holy Spirit bears fruit in our lives. As we listen and act in the name of Jesus Christ our actions boast of love, joy, peace, patience, kindness, generosity, faithfulness, gentleness, self-control, and goodness. Our lives and the lives of those we encounter grow in holiness...are sanctified. When we choose to listen to the Holy Spirit our words and deeds become the light of Christ which shines like a beacon of hope. The Holy Spirit, our advocate, is the person of the Holy Trinity who aids us in loving God, following God's commands, and living a life of discipleship. The gifts of the Holy Spirit are graces in our lives which help us to know and love Jesus until we are joined fully with Him in Heaven. Jesus did not leave us orphans on the day of His Ascension. He is always with us, guiding us and loving us, through the works of the Holy Spirit. The advocate, made present to us through Baptism and Confirmation. May we always choose to listen to the stirrings of the Holy Spirit in our lives. May we choose to be Christ-like in the Kingdom that reigns on earth.

Next Weekend's Scripture - May 21, 2023

 Responsorial Psalm, *Psalms 27:1, 4, 7-8*

Why Are We Looking at the Sky?

Men of Galilee — why are you looking at the sky? It seems like a pretty foolish question for the angels to be asking the disciples. Their best friend just flew away in a cloud. I think in that situation, my first reaction would probably be to stop and stare, too.

But let's not forget, the disciples had a lot of work to do. A world full of souls to evangelize. I've always been a little amused at the thought of the angels shooing them down from Mount Olivet. *Get to work! The kingdom isn't going to build itself!*

In our own faith lives, we often find ourselves looking at the sky, don't we? We're the faithful, after all. We have seen Christ. We have accepted him. We have given ourselves to him. What more do we need to do? Perhaps we excessively dwell on the past, or anxiously anticipate the future. Perhaps we can't move on from a mistake we have made, or we are shying away from a challenge in front of us. We all have our own cloud that has bewitched us.

But let's remember, our faith compels action. Once again, the kingdom isn't going to build itself.

Why are you looking at the sky? The work is here. The hour is at hand. A good steward is to be mindful of the gift of time. What's the mountain you need to climb down? What is the task God is handing you? For what purpose has God placed you here, at this very moment in history?

Why is May the Month of Mary?

The tradition of dedicating the month of May to Mary, came about in the 13th century. Some say because it was created to replace various pagan cults. The actual reason is the fact that this month is

the time when spring is at the height of its beauty. Spring is also connected with nature renewing itself. In her way, Mary gave new life to the world when she gave birth to our saviour Jesus Christ. The link between Mary and the month of May became popular among the members of the Jesuit Order — by 1700 it had a firm hold among their students at the Roman College and a short time later it was publicly celebrated in the Gesu Church in Rome. From there it spread to the rest of the Church. The pious practice of honouring Mary during the month of May has been especially promoted by the Popes. Pius XII made frequent reference to it and in his great Encyclical *on the Sacred Liturgy Mediator Dei*. He characterized it as one of "other exercises of piety which although not strictly belonging to the Sacred Liturgy, are nevertheless of special import and dignity, and may be considered in a certain way to be an addition to the liturgical cult: they have been approved and praised over and over again by the Apostolic See and by the Bishops." Devotion to Mary is one an important part of the Catholic identity. As our mother she is an example of a committed "Yes" to the will of God. Because of the devotion to her many people ask her for help in the most difficult moments of their life as any child does with his mother.

We are called by the Lord to be a Spirit-filled, Gospel-directed, and Life-giving community.

Feeding Our Faith — Learning the Gospel

GOSPEL

Jesus gave us two commandments. The first is Love God above all things and the second is Love your neighbor as yourself. Make good choices. Put God first in your life. Say a prayer before getting out of bed every morning. Say a prayer every night. Treat others like you would like to be treated. If you love Jesus and obey his commandments, the Holy Spirit will be sent to help you.

PRAYER

Jesus, help me be kind and helpful to my family and friends.

PUZZLE

Circle the pictures that show love.

MISSION

Every morning and every night I will thank God for my family and friends.

Phishing - email or text.

There have been many instances of text messages and emails going to employees and parishioners pretending to be from Father Steven. These types of communications usually start with an immediate need for a response. "Hey, do you have a minute?" "Could you do something for me please?" They are usually going to ask for gift-cards if you respond to them. Please make sure that you are looking at who the sender of any email or text is before replying. Any email you receive that does not end with @stmichaellouisville.org did not come from anyone from St. Michael Church or school.

Father Steven will *never* contact you asking for gift-cards, money, codes, wire transfers or crypto-currency. If you receive a text or email from someone pretending to be Father Steven, asking for these things, please disregard it.
