Hello everybody,

As we celebrate the Kickoff to Summer as well as one of my favorite solemnities, Corpus Christi, I invite you to ponder on these reflective words of Pope Francis on the importance of the Eucharist in our life, its central role, and how it must overflow in our community. Enjoy…

In the consecrated host, together with a place, Jesus prepares for us a meal, food for our nourishment. In life, we constantly need to be fed: nourished not only with food, but also with plans and affection, hopes and desires. We hunger to be loved. But the most pleasing compliments, the finest gifts and the most advanced technologies are not enough; they never completely satisfy us. The Eucharist is simple food, like bread, yet it is the only food that satisfies, for there is no greater love. There we encounter Jesus really; we share his life and we feel his love. There you can realize that his death and resurrection are for you. And when you worship Jesus in the Eucharist, you receive from him the Holy Spirit and you find peace and joy. Dear brothers and sisters, let us choose this food of life! Let us make Mass our priority! Let us rediscover Eucharistic adoration in our communities! Let us implore the grace to hunger for God, with an insatiable desire to receive what he has prepared for us.

As he did with his disciples, so too today Jesus asks us, today, to prepare. Like the disciples, let us ask him: "Lord, where do you want us to go to prepare?" Where: Jesus does not prefer exclusive, selective places. He looks for places untouched by love, untouched by hope. Those uncomfortable places are where he wants to go and he asks us to prepare his way. How many persons lack dignified housing or food to eat! All of us know people who are lonely, troubled and in need: they are abandoned tabernacles. We, who receive from Jesus our own room and board, are here to prepare a place and a meal for these, our brothers and sisters in need. Jesus became bread broken for our sake; in turn, he asks us to give ourselves to others, to live no longer for ourselves but for one another. In this way, we live "eucharistically", pouring out upon the world the love we draw from the Lord's flesh. The Eucharist is translated into life when we pass beyond ourselves to those all around us.
