Words of Worship: The Baptism of the Lord

The celebration of the Baptism of the Lord marks the end of the Christmas season

“Every baptized person has received the vocation to proclaim—to proclaim something, to proclaim Jesus—the vocation and mission to evangelize: to proclaim Jesus!”

—Pope Francis, February 2, 2020

Getty Images

Today, we celebrate the Baptism of the Lord!

The origin and foundation of Christian Baptism is Jesus. Before starting his public ministry, Jesus submitted himself to the baptism given by John the Baptist. The waters did not purify him; he cleansed the waters. “He comes to sanctify the Jordan for our sake . . . to begin a new creation through the Spirit and water” (St. Gregory Nazianzen, Liturgy of the Hours, I, 634).

Jesus’ immersion in the water is a sign for all human beings of the need to die to themselves to do God’s will. Jesus did not need to be baptized because he was totally faithful to the will of his Father and free from sin. However, he wanted to show his solidarity with human beings in order to reconcile them to the Father. By commanding his disciples to baptize all nations, he established the means by which people would die to sin—Original and actual—and begin to live a new life with God.

Inclement Weather Reminder

As we enter the winter months and the chances for inclement weather increase, we wanted to remind everyone of the policy for the 7:00 a.m. liturgy. If Archdiocesan schools are delayed or canceled for snow, the 7:00 a.m. liturgy will be canceled. Additionally, know that Parish Staff members may be working from home on these days out of an abundance of caution.
