## DID YOU KNOW YOU COULD DONATE THAT???

The Indigent Burial program provides burial services for individuals in our community who do not have resources or family to provide them. Every individual that qualifies for the Indigent Burial Program receives a dignified and respectful service surrounded by compassionate volunteers and community members. We need burial plots for the indigent.

Contact Matthew Whisman 502-637-9786 x 340 [mwhisman@archlou.org](mailto:mwhisman@archlou.org) to start the process of donating a burial plot. He will work with the donor's cemetery at which the plot is located. There is a deed transfer fee that must be paid to transfer the plot deed to Catholic Charities of Louisville. Once the fee is paid and the deed is signed to transfer, Catholic Charities will then retain the plot to be used for a CCL client in need. Thank you for your generosity.

## April is Child Abuse Prevention Month

April is Child Abuse Prevention Month. Did you know what is happening in our Archdiocese to protect children?

Safe environment training to identify warning signs and develop strategies for maintaining a safe environment for all is provided to all youth in Catholic schools and parish religious education programs and to adults who work or volunteer with children.

A designated Victim Assistance Coordinator (contact [victimassistance@archlou.org](mailto:victimassistance@archlou.org)) is available to receive reports and accompany victims through the journey.

A volunteer and independent Sexual Abuse Review Board assists Archbishop Shelton in the review of all cases and makes recommendations for moving forward.

A Safe Environment Coordinator (contact Scott Fitzgerald, [sfitzgerald@archlou.org](mailto:sfitzgerald@archlou.org)) assists parish and school personnel with training and background screenings for anyone who may have access to children.

An audit is conducted by an independent firm to evaluate our implementation of the Charter for the Protection of Children and Young People. For each audit, our Archdiocese has been found to be fully compliant with all elements of the Charter, with no required changes or recommendations for changes.

For more information for these and other efforts, visit [www.archlou.org/restoringtrust](http://www.archlou.org/restoringtrust).

Curious about Saint Agnes Preschool? Come take a tour!

## April Food Pantry

**The April Pantry is Saturday, April 27th at 7:30 a.m. – 10:30 a.m.**

This month marks the 6th anniversary of our Food Pantry! Thanks to loyal volunteers of all ages who have made it possible to continuously operate this monthly ministry, making St. Agnes Parish a reliable source of healthy food for many in the larger community.

Last month, Pantry volunteers assembled and distributed food to more than 150 families who came to our campus. For the February Pantry, our 160 guest families received brightly decorated bags containing various hygiene items collected by SAS students and teachers. The participation of students from SAS is very much appreciated.

The Pantry provides an excellent service opportunity for your family. Bring your family, bring a friend, and join us in providing a nutritious option for families who struggle with food insecurity. Questions regarding donations or volunteering should be directed to Jeanette Schmidt or David Schuler.

Thank you!
