OUTREACH INTENTION

The Outreach collections for the month of March and April will support the **Bethany Apartments**. Bethany Apartments was formed to give the victims of abuse a period to heal, to rebuild their self-esteem, to prepare themselves for jobs/positions that would enable them to be self-sufficient. Women may live at Bethany for a period of six months to two years. An important aspect of the program is to encourage the women to further their education so when they leave Bethany they will be qualified for positions that will enable them to support themselves and their children. Bethany assists, as they are able, with tuition, child care, travel, education, counseling, legal and medical needs.

Meal Program, Monday, April 6, at the Hospitality Center of Racine, St. Luke's Episcopal Church, 514 Main Street.

Fellow Parishioners

There will be a change in the April 6th meal program at the Hospitality Center. Instead of a meal buffet style, we will package as a carryout. Therefore, there will be changes in the menu - I am looking for sloppy joe made up, packages of 8 - hamburger buns, small bags of chips, granola bars or cookies/bars, fruit cups and or bag of apples, bags of baby carrots. I have been blessed in the past with amazing people that supply us with food. I know that I can count on you again to help us serve the hungry an evening meal. Thank you for your support. If you can donate please call Karen Recupero, 262-497-9891.

For the children who are not in school that they continue to receive school support, love and sustenance. May they stay safe and healthy.

That all affected by the pandemic stay safe especially the elderly.

For the swift end to this crisis.
For Nancy's daughter who is ill.

HOW TO STAY SAFE DURING COVID-19

Wash your hands frequently Regularly and thoroughly clean your hands with an alcohol-based hand rub or wash them with soap and water. **Why?** Washing your hands with soap and water or using alcohol-based hand rub kills viruses that may be on your hands.

Maintain social distancing Maintain at least 3 feet distance between yourself and anyone who is coughing or sneezing. **Why?** When someone coughs or sneezes they spray small liquid droplets from their nose or mouth which may contain virus. If you are too close, you can breathe in the droplets, including the COVID-19 virus if the person coughing has the disease.

Avoid touching eyes, nose and mouth **Why?** Hands touch many surfaces and can pick up viruses. Once contaminated, hands can transfer the virus to your eyes, nose or mouth. From there, the virus can enter your body and can make you sick.

Practice respiratory hygiene Make sure you, and the people around you, follow good respiratory hygiene. This means covering your mouth and nose with your bent elbow or tissue when you cough or sneeze. Then dispose of the used tissue immediately. **Why?** Droplets spread virus. By following good respiratory hygiene you protect the people around you from viruses such as cold, flu and COVID-19.

If you have fever, cough and difficulty breathing, seek medical care Stay home if you feel unwell. If you have a fever, cough and difficulty breathing, seek medical attention and call in advance. Follow the directions of your local health authority. **Why?** National and local authorities will have the most up to date information on the situation in your area. Calling in advance will allow your health care provider to quickly direct you to the right health facility. This will also protect you and help prevent spread of viruses and other infections.

Stay informed and follow advice given by your healthcare provider Stay informed on the latest developments about COVID-19. Follow advice given by your healthcare provider, your national and local public health authority or your employer on how to protect yourself and others from COVID-19. **Why?** National and local authorities will have the most up to date information on whether COVID-19 is spreading in your area. They are best placed to advise on what people in your area should be doing to protect themselves.
