## 23<sup>rd</sup> SUNDAY IN ORDINARY TIME

He put his finger into the man's ears and, spitting, touched his tongue; then he looked up to heaven and groaned, and said to him, "*Ephphatha!*"—that is, "Be opened!" - Mk 7:33b-34

## GOSPEL REFLECTION

From the time we are born into this world until we die, our human radar picks up signals about how to respond to life. What we picked up on when we were very young carries an even greater power. The messages we receive and process tell us what we are "supposed" to do with our feelings, how to understand and cope with disappointment, anxiety, failure, death, illness, and what to expect out of life. As life unfolds for us, these radar messages kick in and resonate in us at very deep levels. Sometimes what we have learned is helpful and sometimes it is not. The stories we have been told, especially when we are young, about how life is best lived and how to negotiate its pain carry a heavy weight.

Life can be challenging and frightening. Sometimes, it really hurts to be a human being. It also can be quite unpredictable and, at times, unfair. We face our vulnerability and brokenness of all kinds: physical, emotional, and spiritual. It doesn't take much for life to quickly fall apart. What we knew to be familiar and true is gone and something we relied upon, physically, emotionally, or spiritually, can be taken away. It is hard to confront our limitations and sit with our incompleteness. Often, life hurts us so much that we find ourselves sitting in a pool of sadness, not sure what we are supposed to do. It is particularly hard when the signals we

have inherited tell us that we need to be successful in what we do, and we have to avoid life's unfairness. We can feel like a failure, wondering what precisely we did to deserve this fate, or ruminate about what we did not do correctly. But it's really not about us. We are part of a bigger picture and a much more fascinating story!

If we cease doing battle with life's incompleteness and see ourselves, as God does, on a journey toward wholeness and completeness we can better accept our disappointments and stand firm. The prophets told us, and Jesus reassured us: Be strong! Fear not! Sometimes we have to update our stories and replace them with newer, more accurate ones. When we make God's story our own and tune our radar into His voice, what we hear is all about restoration, healing, and rejuvenation! This is true even when we think we have hit rock bottom and can go no further. There is always hope. Remember the words of Julian of Norwich: God made us, God loves us, and God keeps us. Now, listen to God when He says, "be opened!" Be healed and allow your stories to change. ©LPi

There will be an important **First Reconciliation Parent Meeting** on Tuesday, September 14, at 7:00 p.m. in the Parish Hall.

Parents of second graders or older students who have not celebrated their first confession should attend this meeting.

### TOUR DE FRANCIS

It's back!!! After several years absence, the **Tour de Francis** rolls on. What is the TDF? It's a bicycle ride for families and cycling enthusiasts. The date of the event will be Saturday, Oct. 23rd, 2021. Beyond the fun of the bike ride, the event will serve as a fundraiser for beautifying and maintaining the grounds at St. Francis. However, the event does not happen by magic, it takes volunteers to help organize and execute. We especially need someone who can help with **"Sign Up Genius"** for volunteers and rider/participant submission.

If you are interested in the event and would like to help out, please email Lou Lindsey: [lindsey.louis@yahoo.com](mailto:lindsey.louis@yahoo.com). You can also call him at 502-963-6726.

The St John Center collection request for this weekend is **COFFEE**. As fall and winter approach, St John's will need a generous supply of coffee for the men who visit the center. Your contributions provide some comfort to the homeless in our community.

May God bless you for  
your support.

### PRAYER FOR A NEW ARCHBISHOP

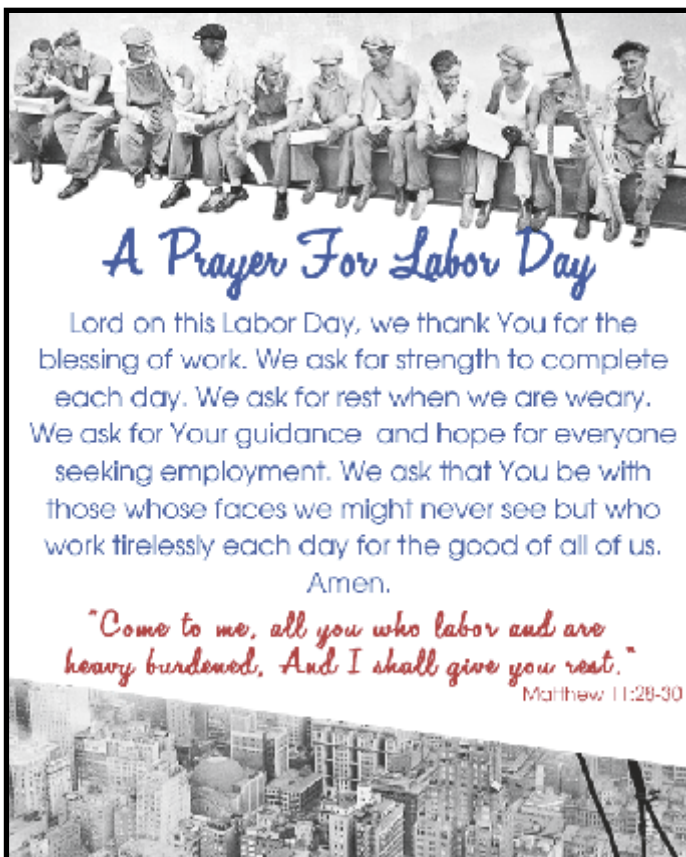

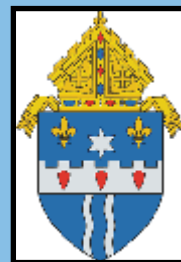

O God, In Jesus your Son, You have given to your Church the perfect model of priest, prophet, and King, and so you have blessed us through His Sacrifice, taught us through His Word, and guided us through His rule.

We thank You for Archbishop Kurtz, who has cared for the people of the Archdiocese of Louisville.

We ask You, Father, to guide and enlighten those who are tasked with helping to choose the next archbishop for our archdiocese.

May the person they choose be a man of deep and true prayer, a man of compassionate heart and firm resolve, and a man of joy and peace, who desires above all to do Your will.

Amen.

# EVENTS

**"My brothers, show no partiality as you adhere to the faith in our glorious Lord Jesus Christ." James 2:1**

**We should show no favoritism to those we serve or in how we serve. All of our talents are equally important, no matter how humble. Our small acts of kindness to others make more of a difference than our grandiose efforts.**

## Thanks to Healthcare Heroes in the Archdiocese of Louisville

With special gratitude for the heroic efforts of healthcare professionals during the COVID-19 pandemic, Archbishop Kurtz and the St. Joseph Guild of the Catholic Medical Association invite medical professionals to the annual Mass for healthcare professionals (also known as the White Mass) on **Sunday, October 3, 5:30 p.m. at the Cathedral of the Assumption** (433 South Fifth Street, Louisville). This Mass is a Catholic liturgy but a warm invitation is extended to persons of all faiths who serve in the healthcare field.

Invoking the blessing of St. Luke, the patron saint of physicians, this event gathers doctors, dentists, nurses, psychologists, respiratory therapists, physical therapists and all who work in healthcare to ask God's blessing upon those who serve in this profession. Those medical professionals who wear white coats are asked to wear their coats to the Mass.

For those who cannot attend, this event will be live-streamed. Search for Cathedral of the Assumption, Louisville, Ky. on You-Tube.

## Marriage & Family Moments

By Susan Vogt, [www.SusanVogt.net](http://www.SusanVogt.net)

September 8 is Grandparents Day. You may not be a parent or grandparent yourself, but you each have grandparents. Even if they are no longer alive, share one positive memory of them with your beloved. Do you have a quality or talent you learned from them?

Clutter can be toys, papers, or many miscellaneous items left on the floor or table. But clutter can also be noise. Think TV, videos, crying, complaining. Try treating your family to a moment, a minute, an hour of quiet. Agree to do it all at the same time. See what happens.
