## Happy Mother's Day

Happy Mother's Day to all the mothers, grandmothers, godmothers, and all those women who show a mother's love! I hope that your family does something special to honor you, expressing their gratitude for the multitude of sacrifices and the depths of love that you have shown to them. Also remember our mothers who are not with us today. Their presence is always with us!

Many of us are blessed to have had godly mothers, and grandmothers whose love and support have born great fruit in our lives. Being a mother is not restricted, however, to only those women who have biological children of their own. All women are called to the vocation of motherhood by being spiritual mothers to whatever children God puts into their care.

Spiritual motherhood can be expressed in a number of ways, depending on one's gift's but every expression will be characterized by an unwavering love for Christ; those for whom he shed his blood, and a steadfast confidence that God will, in his good time, lead all of his straying sheep back into the safety of the sheepfold of his Church.

On this Mother's Day, let us bless God both for our natural mothers but also for the great gift of mothers in the faith. Let us give thanks for these true daughters of Mother Church, who have brought us into spiritual life, and have nurtured, supported, guided, corrected, taught, and trained us up in faith, hope, and charity.

And let us pray that God would raise up many more spiritual mothers within our midst, in order that we might benefit from their godly examples and be blessed by their prayerful devotion.

Happy Mother's Day

**Deacon Mike**
