PRAYER & WORSHIP

A NOTE FROM FR. HANZ

No doubt many people in the crowd were on their way to Jerusalem to celebrate the Passover. This was their chance to join with the local people in order to hear the wonderful words of Jesus. Christ not only filled their minds with good thoughts, he also fed their bodies through the miraculous multiplication of loaves. They were renewed in spirit and refreshed in their bodies. They were able to serve God better.

Each morning we begin a new day of service to God. It is God's gift to us. Do we begin each day with the morning offering? Do we offer all of our day even from its earliest moments? We should be generous with every moment that God gives us.

Christ refreshed the people at Tiberias with bread and fish. Everyday the bread of life is available to us, another of God's gifts. Christ gave them bread that they might have the strength to go on to Jerusalem and to take part in the Passover ceremonies. Christ feeds us and refreshes us with the food of his own Body. This grace helps us to be more dedicated and steady in serving God. God serves us and He looks for our service of love in return.

Blessings,
Fr. Hanz
