4TH SUNDAY OF LENT

"His son said to him, 'Father, I have sinned against heaven and against you; I no longer deserve to be called your son.' But his father ordered his servants, 'Let us celebrate with a feast, because this son of mine was dead, and has come to life again.'" - Lk 15:21-22a, 23b-24a

Novena, Explained The word novena comes from the Latin word, novem, for nine. A novena is a nine-day period of private or public prayer. There are four basic categories of novenas — novenas of preparation, of mourning, of prayer, and of indulgence.

The nine days of prayer format comes directly from scripture where we read in the book of Acts that it was nine days after the Ascension that the Holy Spirit descended onto the Apostles. During that time, the faithful men and women “devoted themselves to constant prayer,” (Acts 1:12-14) waiting for the Lord.

Today, Catholics can find hundreds of novenas to pray about a plethora of topics. Many Catholics pray novenas in times of need or in devotion to a specific saint. Although a saint's novena may traditionally begin or end on the saint's feast day, while others, like the “Novena for Adopted Children” or the “Novena for Vocations,” can be prayed any time of the year, there is flexibility here for those wanting to pray. The faithful may choose to pray a private novena on any topic at any time! Want to pray a novena to St. Francis but it's not his feast day? Go ahead!
