We know we're approaching Advent when our Scripture readings begin to focus on end times.

St. Matthew's Gospel this week tells the story of the foolish virgins who were unprepared for the bridegroom's arrival. "Therefore stay awake, for you know not the hour nor

the day." In terms of our relationship to Jesus, what does staying awake mean?

The liturgical year keeps us awake through many reminders of the presence of Jesus in our lives. Every Eucharist, every holy day, every gathering of our parish community is actually an acknowledgement of our relationship to Jesus and a reminder that He is always present in our lives. He does not need to be reminded of us, but we do need reminders of Him.

Sometimes we may be exhausted by the bustle of activity in our lives, by the demands we feel we must meet, and by our often sad world where injustice, violence and suffering are all-too-common, and we wonder, "how can our loving God permit this to happen?" These are unfortunately predictable human conditions and equally predictable questions.

Staying awake means holding firm to the principles of our faith. It means keeping strong our identity as Christians. The models of our lives are Jesus and the many saints we love and respect. As we celebrate these heroes of our faith, we stay awake to the message of love that Jesus taught us. Our parish community also helps us stay awake by surrounding us with people whose lives, like our own, are striving for closer connection with Jesus and with the Gospel message. Community nourishes our individual faith much like the sun nourishes a plant. When we separate ourselves from our community of faith we can strive to stay awake, but we deprive ourselves of the spiritual energy we receive from others.

There was certainly plenty of energy at Game Day last week! Our parish gathered in this fun annual event and enjoyed being together even though the Bears lost, it was a great way to spend the afternoon. Later today, we look forward to the musical showcase, Jack and Jill of All Trades Recital. Next weekend, we look forward to the return of Turkey Sunday Weekend.

Lastly, the Archdiocese is conducting its annual collection for the Catholic Campaign for Human Development (CCHD) on November 18 and 19, supporting various community projects that bring hope to those in need. Last year, St. Luke and St. Bernardine Parish made a significant contribution to the 2022 collection. We hope to surpass our last year's support in 2023, emphasizing the importance of increasing our impact. Please review the letter from the Archbishop of Chicago on page 7.

Staying spiritually awake is our guiding light, helping us navigate the uncertainties with the unwavering support of our parish community.

Fr. Stan

SLSB Turkey Sunday Weekend Saturday & Sunday, November 18 & 19

320 frozen turkeys have been ordered along with tons of other food. Volunteers with large capacity vehicles are needed **Saturday mid-morning, November 18**, to pick up most of our pre-ordered food from Caputo's and deliver it to the River Forest Community Center, where several of our young people are signed up to pack the bags of food; **and Sunday mid-morning, November 19**, to collect those pre-bagged groceries and deliver them to our three distribution points in North Lawndale. Parishioners have already signed up to take over 50 frozen turkeys from Jewel to the St. Vincent de Paul Food Pantry early Saturday morning, and to deliver about 270 turkeys, and hundreds of bags of potatoes and onions for distribution Sunday morning. A few volunteers are also needed to help with distribution at St. Agatha church. If you want to help on Saturday or Sunday, you can volunteer at [https://www.signupgenius.com/go/10C0F4DAFA82DA3FA7-45299666-turkey#/.](https://www.signupgenius.com/go/10C0F4DAFA82DA3FA7-45299666-turkey#/)

The families being provided with food for Thanksgiving meals are both local, at the St Vincent de Paul Food Pantry; and connected with our sharing parish, St Simon of Cyrene (St Agatha and St Martin de Porres churches), the Blessed Sacrament Catholic Youth Center, and The Learning Center/House of Connections, which is celebrating this year its 40th anniversary of providing free adult education programs for residents of the Chicago neighborhoods of North Lawndale and Little Village.

If you have already donated to support SLB Turkey Sunday Weekend, thank you very much. If not, you can donate using the QR Code below, by putting a check in the collection basket made out to St Luke and St Bernardine Parish with "SLB Turkey Sunday" on

the memo line, or by giving cash or a check made out to our parish to the volunteers at each weekend Mass next weekend. We are providing meals to **1/3 more families** this Thanksgiving and **food costs have increased significantly** over last year, so the need is great.

You can also donate by providing a large frozen turkey, 20 lbs. or more, before and after any Mass **next Sunday only** up to **12:15 p.m. 30 large frozen turkeys** are needed for the large families getting Thanksgiving meals.

Remembering Our Loved Ones

During the entire month of November, there will be a space at both churches to place photos of loved ones that have passed. They will be displayed on the Marian altar at St. Bernardine and in a special spot in the back of St. Luke Church. All are welcome to place a photo. Even if you haven't lost a loved one this year, keep the memory of your loved ones alive with this tribute to them.

Food pantry update and needs

The St. Vincent de Paul Society (SVDP), St. Bernardine Conference, has been running the dry goods food pantry for many years, but is coming up to a two year anniversary since implementing changes to provide a grocery list for clients to fill out and wait while the order is filled. The clients are satisfied to receive what they select. Before, grocery bags were filled with staple items and given to the clients. Many items were returned as being not needed.

Our clientele has doubled over the last year, now serving 40-50 people per week. We count on the generosity of parishioners and benefactors to donate money or goods from the shopping list to stock the pantry. However, this has not been sustainable. The need has increased substantially and SVDP has been subsidizing a sizable amount of money each week to buy items to stock the pantry.

We appreciate you taking a pantry grocery list while you are shopping. The pantry needs items from the list and cannot accept outdated, open or used items.

A case of an item is also acceptable. Donations can be dropped off at the baskets located at the main entrance at St. Luke and by the south side entrance at St. Bernardine or on Saturday morning. To donate monetarily, please make a check out to the St. Vincent De Paul Society, St. Bernardine Conference and put in the Sunday collection basket or bring/send to the parish office. Any donations of clothing can be given to the SVDP drop off box at the St. Mary of Celle parking lot in Berwyn.

Starting December 1, 2023, SVDP's plan is to limit service to clients living in Forest Park, River Forest, Oak Park and Berwyn.

The pantry is open Saturdays from 9-11 a.m. at the St. Bernardine campus rectory, 7246 Harrison St., Forest Park. It stays open all year, unless inclement weather. Ellen Carr coordinates a designated number of volunteers to work on Saturday mornings and would

call or text to confirm with the assigned individuals beforehand.

Note: 2-4 volunteers needed to shop at Walmart, The Dollar Store or Aldi's once a week or every other week if the job is shared. Volunteers would also deliver these bought items to the St. Bernardine rectory, help unload and stock the shelves. Individuals would need a car, be able to lift heavier items and be available during the daytime hours. We would agree on a mutually agreeable time to deliver the goods.

If interested, please contact Donna Gawlas at (708) 771-8098 or dgawlas@yahoo.com.

Stewardship of Treasure

"Therefore, stay awake, for you know neither the day nor the hour." - Matthew 25:13

Many of us have put off doing something because we think we are too busy. We've all said, "I'll do it later when I have time." Unfortunately, too many of us apply this attitude to our Faith. Jesus' call is urgent, in the here and now, in your current circumstances. How is God calling you to use your gifts today? Don't delay. None of us is guaranteed tomorrow.

Elevate your November

Game Day, A Winner!

Well, the Chicago Bears may not have had a stellar game on Sunday, November 5, but the more than 200 parishioners and friends who attended Game Day had a great time! As promised, it was a feast of fun, good food and friendship.

A special thanks to the Game Day Team that worked tirelessly to plan and manage the event.

Thanks also to all who supported the event through monetary or kind gifts, especially the 22 local business and municipal organizations. They are named on the parish website.

Finally, thanks to all who attended. Parishioners and friends filled Game Day with the true welcoming, inclusive, vibrant and joyful spirit of St. Luke and St. Bernardine Parish.

Dear Sisters and Brothers in Christ,

This month marks the third anniversary of the Holy Father's encyclical, *Fratelli Tutti*. As we reflect on all that has occurred over the past few years, let us call to mind the Holy Father's words that ground us in the Lord's love for his people: "Let us seek out others and embrace the world as it is, without fear of pain or a sense of inadequacy, because there we will discover all the goodness that God has planted in human hearts." Our faith is one of action and of active love towards the other, and the Catholic Campaign for Human Development (CCHD) is an example of just that. It is within each of us to act with love toward those on the margins of our city and our society right here in the Archdiocese of Chicago.

For more than 50 years, CCHD has funded organizations that lead the call for all of us to stand in solidarity with those who have been marginalized in their communities and who continue to act against injustice. For example, Chicago Coalition to Save our Mental Health Centers works to create community-controlled and sustainably-funded mental health centers in high need areas. For nearly 30 years, it has worked to unite mental health consumers, professionals, faith leaders and community residents to keep Chicago's system of centers open and fully funded in the face of constant budget cuts.

The Archdiocese of Chicago is proud that CCHD has its roots in the efforts of a Chicago priest and bishop, the late Most Reverend Michael Dempsey, during the years he served as pastor of Our Lady of Lourdes Parish on the West Side. By emphasizing empowerment, participation and solidarity, CCHD continues the initiatives of Bishop Dempsey as it works to support resilient communities during continued adversity and struggle. To learn more about CCHD's impact or to donate online, please visit CCHDChicago.org.

Please consider contributing generously to CCHD through the second collection on **November 18 and 19**, and thereby continue to sow the seeds of hope amongst those who find themselves on the margins in Chicagoland.

Sincerely yours in Christ,

Archbishop of Chicago
