## Letter from a Pastor to his People

Dear Parishioners,

Did you know there is a Eucharistic Revival going on presently in the United States? The bishops of the United States organized this revival to help ignite a love for the Eucharist in Catholics and hopefully attract non-believers into this communion.

The Eucharist “took a hit” during COVID, with people falling away from the practice of attending church. But the Eucharist had been “taking a hit” before that – declining Mass attendance, lack of belief in the Real Presence, and a lack of vocations to the priesthood (men called to bring the Eucharist to the world). So, the bishops thought the time was right to try to “revive the Eucharist.”

First of all, why should we revive a desire for the Eucharist in Catholics? This isn’t just to have good numbers at Mass to show a parish is strong, make the pastor feel good about himself, and prevent a parish from closing. Jesus says in our Gospel: “I am the living bread that came down from heaven; whoever eats this bread will live forever.” The Eucharist is *real life*. We can have life without the Eucharist, sure. All those people not going to Mass are not dying and are not all miserable. But do they have the *fullness* of life? The Eucharist gives us the fullness of life. It’s like a golfer shooting a 90. Sure, not bad. But don’t you want to be a Master’s Champion? The Eucharist is the ultimate green jacket. That’s why we should revive the Eucharist.

Second question, what does it mean to be “revived for the Eucharist?” Sure, it can entail our own private devotion to the Lord in the Eucharist. But I think transformation is important too. Are we changed by our reception of communion or our prayer before the Blessed Sacrament? To be changed, we need to have a desire to change, which means we have to be aware of what needs to be changed within us.

The next time you’re at Mass you might pray ahead of time of what you’d really like to see changed in your life. And if the desire is more to see *someone else* changed (like your child who doesn’t go to Mass), then you can bring to communion how *you* can better be the instrument to help them change.

Part of believing in the Real Presence is believing that we can change. God desires to help us so that we can be his partners in building the Kingdom. May we trust that truth on this Feast of Corpus Christi.

This Sunday, June 11th, we will have once again a special **Family Mass in the Holy Family Chapel** at 10:30am. Everyone is welcome to attend (there will still be the 10:30am Mass in the UC) and the children will be assisting in the various ministries at Mass. Thank you to the volunteers and musicians who have helped make the Mass possible.

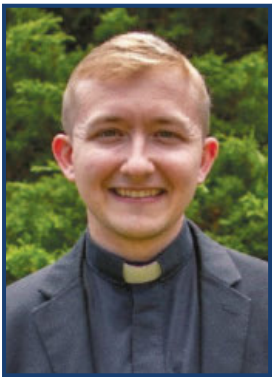

Please note, because I will be away on retreat, there will be **no Wednesday Scripture Seminar** this Wednesday, June 14th. We will resume next Wednesday, June 21st.

We had a very nice gathering last Sunday at our first **Teen Mass**. We had over fifty teens from a variety of schools. Thanks again to Holt’s in Park Ridge for donating the pizzas. Our next teen Mass will be *Sunday, June 25th at 5pm in the HFC* (we’re avoiding the first Sunday of the month in July because of the holiday weekend). This Mass is strictly for teens, FYI (graduated 8th graders through graduated seniors in high school). Parents, thank you for encouraging your son or daughter to attend.

As I mentioned last week, I will be leaving for my **annual silent retreat** this Monday, June 12th after the morning Masses. I will return next Tuesday, June 20th. If you would like me to pray for any special intentions while I am on retreat, please write them down in one of the purple binders at the Mary or Joseph altar in the church. Either way, please know I will be praying for all of you. It’s my ultimate desire, as pastor, for each of you to grow closer to our Lord.

Your Servant in Christ,

## Reflections from our Community

The Eucharist puts us into physical contact with God. The Israelites wandering through the wilderness received the manna in the desert as a sign that God cared for them. The bread they received was a sign that pointed to the reality that the God who spoke to Moses in the burning bush, led them out of slavery in Egypt, parted the Red Sea, and formed them as a people was still with them.

But the Eucharist is more than a sign. It's a sacrament. It effects what it signifies. The bread and wine consecrated at Mass don't just symbolize Jesus and what he did for us; they become his very body and blood. Receiving communion isn't just a vague reminder of our unity with Jesus and one another; by receiving Jesus' actual body and blood we're truly incorporated into his body.

My favorite prayer that I get to pray as a deacon happens during the preparation of the gifts as the wine and water are poured into the chalice: "By the mystery of this water and wine may we come to share in the divinity of Christ who humbled himself to share in our humanity." St. Thomas Aquinas writes, "The water signifies the faithful who are incorporated into Christ." We offer our lives with Jesus to the Father and in return receive grace, the life of God. We offer him our humanity with all its frailty and brokenness and receive, in return, his divinity.

This is an incredible miracle! Each time we receive Holy Communion we're more closely united with Jesus and given the spiritual food we need to persevere in loving as he loves. The mundane circumstances of our lives, of our stories, are redeemed and incorporated into His story.

St. Therese says, "It is not to remain in a golden ciborium that He comes down each day from Heaven, but to find another Heaven, the Heaven of our soul in which He takes delight." May we all share St. Therese's faith and love for the Eucharist and, through it, come to experience the Lord's delight in us.

Have a great week! God bless,

*Martin Nyberg*

Deacon Martin Nyberg, *Fourth Year Seminarian*

## Adoration Reflections

As we reflect on this joyous season of Pentecost, let us ask the Holy Spirit to send daily his gifts of:

- Knowledge... to do things God desires of us to do
- Understanding... how to do what God wants us to do
- Wisdom... to choose to serve the Lord in a holy way
- Fortitude... to stick with serving and prayer despite the hardships
- Counsel... to seek spiritual direction through confession
- Piety... to constantly pray for guidance
- Fear of the Lord... when we fall out of grace, to run away from sin and to our Lord through the sacrament of confession

We ask our God to send us these gifts so that we can be the agent of change not only for ourselves but more importantly for each other because it's our Catholic duty to be the patriarch that gets our neighbor to heaven.

Deacon Michael Bednarz

*We would love to hear from you regarding your experience in our Adoration Chapel. How might you be blessed through your time with Jesus? Please share your reflection, or perhaps you are inspired to write a poem or prayer, etc. Reflections should be roughly 350 words. Reflection forms can be found on the table in the Adoration Chapel foyer or on our website. Submit reflections to [sandylabouvie@spc-church.org](mailto:sandylabouvie@spc-church.org) or place it in the collection box in the Adoration Chapel.*

Chicago, IL 60611-2030

June 11, 2023

Dear Sisters and Brothers in Christ,

With Father's Day next Sunday, I am reminded not only of the importance of the many fathers who tend to their families in our archdiocese, but also of our parish priests who serve as our spiritual fathers. So first, allow me to wish all the fathers in our parishes my heartfelt thanks and congratulations. You truly make a difference in the lives of those who know and love you. As well, Father's Day also gives us an opportunity to thank and support our priests who minister in the Archdiocese of Chicago. These 430 active and 257 retired priests have chosen to dedicate their lives to serving you and your family through pastoral care, celebration of the sacraments, and leadership of our communities of faith.

With this letter I ask you to join me in supporting the health and well-being of our priests by making a generous gift to the Priests' Health and Retirement/PRMAA collection for the benefit of their healthcare and retirement needs. Your sacrifice on their behalf not only contributes to their health and well-being, but it also demonstrates to them your support of their ministry in our parishes and communities.

You might not be aware that this is the only collection for our archdiocesan priests' health and retirement, which totals nearly \$13 million annually in health care, nursing, and retirement costs. As well, this collection is separate and distinct from the annual collection for religious order priests, sisters, and brothers.

Join me in making a generous contribution to this weekend's second collection. I also ask that you consider naming the Priests' Health and Retirement/PRMAA as beneficiary of your will, something I personally have done.

As I ask you to join me in praying that God continue to bless our dedicated priests, I assure you of my remembrance of you and your families in my prayers and at the Lord's Table.

Sincerely yours in Christ,

A handwritten signature in black ink, reading "Steve Card. Cury".

## Planned Giving

***"This is the bread that came down from Heaven.  
Unlike your ancestors who ate and still died,  
whoever eats this bread will live forever."***

*John 6:58*

As stewards of our faith, we can express our gratitude for the bread given to us from heaven and help ensure that God's good work on earth continues by considering a charitable gift annuity. When you establish a charitable gift annuity with the archdiocese, not only will you receive fixed payments for life, but you can designate our parish as the remainder beneficiary.

How it works:

1. Make a gift of \$10,000 or more to the Archdiocese of Chicago. Fund your gift annuity with cash or securities.
2. Receive fixed payments for life – for yourself or a loved one age 60 or older. Payment rates are based upon the age of the annuitant at the time you establish the gift annuity.
3. Enjoy immediate and future tax benefits, including a federal income tax deduction for a portion of your gift, if you itemize. You can schedule payments according to your financial needs, and a portion of each annuity payment will be tax-free (through life expectancy).
4. The funds remaining after your lifetime will support our parish or school – as designated by you.

## Archive Corner *with Mark Miller*

### FACES OF ST. PAUL OF THE CROSS

During our centennial year, I had the honor of being on the Centennial Committee. At that time, I received hundreds of photos. From time to time, the Archive Corner would like to share some of these photos showing the many friendly faces past and present of this wonderful parish faith community.
