Julian Jurisic, Principal**Dear Friends,**

This is the final weekend to push for participation in the **Generation-to-Generation** capital campaign at Mass. Pledge cards are available in the pews for those who did not receive them at home. If you have not yet made a pledge, please consider joining the 100 or so of us who have already done so. The level of generosity I have seen is really something.

When I arrived here, I was told there was strong sentiment about maintaining churches in both Canaryville and Bridgeport. Therefore, I figured this campaign would yield high participation levels. Strong participation will send a message about the commitment our parishioners have to the long-term maintenance of our church buildings. Frankly, I don't know what to make of the fact that less than 10% of our parish households have participated so far.

I will not ask for something like this again for at least another seven to ten years—so now is our time to pledge what we can to manage needed repairs and improvements for our buildings. Those who have already made a five-year pledge took us to over 80% of our financial goal. Thank you! If you have been on the fence, please join those of us who are making this commitment.

Speaking of fences, and on another note: my gratitude goes out to **John Lamonica**, the noted neighborhood metal artisan. Thanks for repairing and re-installing the wrought-iron fencing along the Union Avenue side of Nativity of Our Lord Church.

Christmas Mass schedule: For those planning ahead, we'll start at 3 PM on Christmas Eve with Mass at Nativity of Our Lord this year, followed by Mass at Saint Gabriel at 4:30. We'll have a 10 PM "Midnight" Mass at Nativity, and then on Christmas morning, 9:30 at St. Gabriel and 11 at Nativity.

December 8th is the **Feast of the Immaculate Conception of Mary**, the patronal feast of our country and normally a Holy Day of Obligation for Catholics. Since it falls on a Sunday in Advent this year, it has been transferred to tomorrow, Monday. We will have Masses at 8:05 AM at Nativity and 10 AM at Saint Gabriel, but **this year the obligation to attend has been suspended**.

May your week reflect the encounter with Christ
we experienced at Mass today!

A Call to Help a Parish Family Member in Need

Donna Jamen, a beloved and longtime parishioner of Nativity, has dedicated her life to educating young minds as a teacher within the Archdiocese and later at CPS. Now retired, Donna is facing a difficult journey as she battles kidney disease and has been on dialysis for over four years while waiting for a kidney transplant.

This Advent season, as we reflect on giving and hope, consider offering the gift of life.

GENERATION TO GENERATION

This past weekend we were able to surpass the \$800,000 mark in pledges received. Given the capital needs of our parish, we hope to reach at least \$1 million in pledges, to be paid over five years. Our share of the funds will help us to accomplish important parish priorities. As you know, Fr. Hurlbert will be contacting each donor and asking them to let him know if they wish their pledge to stay at a specific campus or whether the funds can be used for the most urgent needs of the parish, regardless of location.

This will be the only capital campaign we plan on running for the next 7-10 years. The funds raised will help us keep our churches sound and functional for the future. We know at this moment we have the following most urgent needs:

- ◆ **Repair brick facia on the entire north facing front of the church at St. Gabriel Church to stop water infiltration in the entryway. Replace entryway roof.**
- ◆ **Replace the roof at Nativity of Our Lord Church & parish offices.**
- ◆ **Repair the foundation below the entryway at St. Gabriel Church**
- ◆ **Replace gutters around the church at St. Gabriel Church and make any masonry repairs that are needed on the church building.**
- ◆ **Paint & Repair gutters on Bell Tower at Nativity of Our Lord**

Once these repairs are made, we have wish list of other things that we would like to try and address (funding permitting):

- ◊ **Replace Kneelers at St. Gabriel Church**
- ◊ **Paint interior of Nativity of Our Lord Church**
- ◊ **Install air conditioning at both churches**
- ◊ **Replace front entry doors at both churches**

We have over 600 parishioners who contribute on a regular basis. Of those 600 parishioners 100 or so have made a pledge. If we can get another 100 parishioners to pledge \$1000 per year for 5 years or 200 parishioners to pledge \$500 per year for 5 years, we should be able to accomplish all the goals stated above!

Please pray and discern a multi-year sacrificial pledge that is right for your family. We asked that if you have not yet made your pledge, that you please complete the pledge card and either bring it to mass and drop it into the collection basket, hand it directly to Fr. Hurlbert, or drop it off at the parish offices! There will be additional pledge cards available this weekend in the pews if you didn't get one.

NEWS FROM OUR SCHOOLS

Building Bright Futures Through STEM!

Our youngest learners at Bridgeport Catholic Academy are hard at work exploring the exciting world of STEM! Through creative, hands-on activities like building, sorting, and problem-solving, they're developing critical thinking skills while having so much fun. These projects inspire teamwork, creativity, and a love for learning—planting seeds for future success in science, technology, engineering, and math. Let's celebrate these little innovators in the making!

4th Graders Dive Into Illinois Agriculture!

Our St. Gabriel 4th Grade students enjoyed a fascinating presentation from the Cook County Farm Bureau on *Introduction to Illinois Agriculture*. They explored the journey of food from farm to table, learned about crops, livestock, and discovered how STEM is shaping modern agricultural careers. These bright young minds remind us how much we can learn by connecting with the world around us—both in the classroom and beyond!
