## **A MESSAGE FROM OUR PASTOR**

This weekend as a parish, we pray for Team St. Julie which consists of Fr. Roy, my brother, and my nephew. They will, of course, be running the Chicago Marathon on Sunday October 8th. I am grateful that they all agreed to help us raise funds for the Pat Kmak Fund, Youth Ministry, and our Music Ministry. A big thank you to them for enduring the training and dedicating their marathon run this year to help out our parish.

When I also found out that my brother and my nephew would be joining the Chicago Marathon this year, I jumped at the opportunity to ask them to be a part of "Team St. Julie." Obviously, one of the major reasons they agreed was simply because I was the one who asked. But, I am still grateful to them for being a part of Team St. Julie. Between the three of them, they actually managed to raise a lot more than what I did when I ran in 2017. So a HUGE thank you to all our parishioners and friends who pitched in to support Team St. Julie this year.

Again, this weekend, I ask all of us to show our support for Team St. Julie. Whether you made a financial contribution or will cheer on the Team at the racecourse or from afar, please join in praying for the members of Team St. Julie 2023:

**Strong and faithful God,  
as Team St. Julie comes together for the Chicago Marathon,  
we ask you to bless our runners –  
Fr. Roy Belocura, Jaime Villaverde, and Marc Villaverde.**

**Keep them safe from injury and harm,  
instill in them respect for their fellow runners,  
and reward them for their perseverance.**

**Lead us all to the rewards of your kingdom  
where you live and reign forever and ever. Amen.**

St. Sebastian is the patron saint of athletes. Let us join together in asking his intercession for Team St. Julie.

**Dear Commander at the Roman Emperor's court,  
you chose to be also a soldier of Christ  
and dared to spread faith in the King of Kings,  
for which you were condemned to die.  
Your body, however,  
proved athletically strong and the executing arrows extremely weak.  
So another means to kill you was chosen  
and you gave your life to the Lord.  
May Team St. Julie be always as strong in their faith  
as their patron saint so clearly has been. Amen.**

If you happen to be at the marathon, look out for the following avatars and sign. My sister put them all together as a way to cheer for Team St. Julie. She has been doing this for many years and it continues to amaze me at how creative she can be. The eagle is the avatar for my brother. The avatar of Donatello from the Teenage Mutant Ninja Turtles represents my nephew. He was very much into the Ninja Turtles when he was a kid. The bear represents Fr. Roy. You might notice that the bear has a priest's collar around his neck. The pumpkin is something my sister has used for many years. Look out for them and cheer Team St. Julie!

This year's marathon is not yet completed but Fr. Roy is already excited for next year's Team St. Julie. A couple of our teens are very much interested in joining the team. If they get selected for the marathon next year, they will more than likely run to support our youth ministry. One of the children of our beloved Pat Kmak also expressed interest and a willingness to join. She will naturally wish to support the fund that has been named after her mother. So I am taking this opportunity myself to invite and encourage anyone else who might also be willing to join Team St. Julie 2024 in the Chicago Marathon or any other races/athletic events during the coming year. Once he has recovered, I am sure that Fr. Roy will start recruiting and planning for next year. Let him know if you would like to be part of the action.

In the meantime, let us pray that our runners will have fun, be safe, and be successful in their run. Good luck and God's speed to Team St. Julie!

*Fr. Andrew Wilk*

*"The peace of God  
that surpasses all  
understanding will guard  
your hearts and minds in  
Christ Jesus."*

- Philippians 4:7

St. Paul reminds us today about how we can pay our Lord His due: truth, honor, justice, purity, loveliness, graciousness, and excellence. Those things don't just bring peace and joy into our lives, but also in those, we know and love. Let's contemplate today the kindness of God in our lives and ask Him to help us to see how we can work with Him to bring joy to Him, to others, and to ourselves.

\*\*\*

This is it! Dear friends, let me express it to you from the bottom of my heart - "Thank you very much for believing that I can do it and for helping the cause for which I run in the Chicago Marathon - the Pat Kmak Faith Formation Fund!" I did my best as a novice runner in the 18-week training leading to today. The training itself is a gift of success and the marathon itself is the icing on that cake. I assessed my performance in the training, laid out my plan for the big day, and now I lift them all up to the Lord again, praying that I may reach the goal of a sub-five finish. May the Lord who started the good work in us bring it to fulfilment. Amen.

## COMPENDIUM of the Catechism of the Catholic Church

Part One - The Profession of Faith  
Section Two - The Profession of the Christian Faith

### CHAPTER TWO

#### I Believe in Jesus Christ, the Only Son of God

#### **112. What is the importance of the Paschal Mystery of Jesus?** 571-573

The Paschal Mystery of Jesus, which comprises his passion, death, resurrection, and glorification, stands at the center of the Christian faith because God's saving plan was accomplished once for all by the redemptive death of his Son Jesus Christ.

#### **113. What were the accusations by which Jesus was condemned to death?** 574-576

Some of the leaders of Israel accused Jesus of acting against the law, the temple in Jerusalem, and in particular against faith in the one God because he proclaimed himself to be the Son of God. For this reason they handed him over to Pilate so that he might condemn him to death.

#### **114. How did Jesus conduct himself in regard to the Law of Israel?** 577-582; 592

Jesus did not abolish the Law given by God to Moses on Mount Sinai but he fulfilled it by giving it its definitive interpretation. He himself was the divine Legislator who fully carried out this Law. Furthermore, as the faithful Servant, he offered by means of his expiatory death the only sacrifice capable of making atonement for all the "transgressions committed by men under the first Covenant" (*Hebrews 9:15*).

## Care for Creation

*"Truly, much can be done!" (LS, 180). — Pope Francis*

## Avoiding "DOOMISM"

For decades scientists and our popes have been trying to get the public's attention on climate change. Finally, more people are paying attention. Predictions of the negative impacts of climate change are daunting. And while fewer people are denying the existence of climate change, now there is a new problem: DOOMISM. It's the feeling, especially among young people, that "nothing can be done about it, so why bother acting?"

Hopelessness leads to growing anxiety and despair that can result in inaction. Faith, hope, action and prayer are antidotes to doomism. Effectively reducing the impacts of climate change requires action: individual action, corporate action, action by our government, and action by governments around the world to reduce fossil fuel emissions... significantly and quickly. Pope Francis provides insights into both the problem and solutions in his encyclical *Laudato Si'*. There can be no room for hopelessness. Our faith calls us to act for the care of Creation.

### OCTOBER IS DOMESTIC VIOLENCE AWARENESS MONTH

Domestic violence is a pattern of behavior in any intimate relationship whereby one partner seeks to gain or maintain power and control over the other. Abuse can be physical, sexual, emotional, economic and psychological. The abuser takes action or makes threats that influence the other person. This includes any behaviors that frighten, intimidate, terrorize, manipulate, hurt, humiliate, blame, injure, or wound someone. Domestic violence can happen to anyone of any race, age, sexual orientation, religion, or gender.

**Baby Bottle Project** Our year-round Baby Bottle Project enables the whole family to participate in helping **The Women's Centers of Greater Chicagoland's** pro-life mission. Empty baby bottles are dispersed at local parishes and schools for families and students to bring home and collect their spare change to help fund the work that we do. At the same time, participants pray for women and children who are vulnerable to abortion. This project is a wonderful way for the community to show its support for life and for children to learn the beauty of giving to help others. Thank you for your generosity and for your prayers. Look for the Baby Bottles in the Narthex beginning in October!

### KNIGHTLEY KNEWS

This year's Intellectual Disability Fundraiser was a very successful one, due to the generosity of all of you who donated, either through the bake sales at the churches, at the concerts or the street drive. We truly appreciate everyone and thank you for your unwavering support.

We would also like to thank those who have donated at our Blood Drives. The next drive will be on Saturday Oct. 14<sup>th</sup> from 8:00 am till 1:00pm at St. Damian Church. Please consider donating. 1 pint can help 3 people. There is an extremely critical shortage of blood supply right now. Even if you cannot make it to this event, please consider donating at a local center to help someone in need.

For more information about our council and events please visit our website at [www.knights4698.org](http://www.knights4698.org)

## **YOUR PARISH SCHOOL CONTINUES TO EXCEL!**

Being a twice-awarded National Blue Ribbon School of Academic Excellence has established a high bar, but Cardinal Joseph Bernardin Catholic School (your parish school!) has worked hard to out-do itself yet again!

Among the improvements rolling out this school year are some extensive upgrades that will continue to guarantee our appeal and success for many years to come – even beyond our upcoming 25<sup>th</sup> anniversary (in 2025).

Over summer while families vacationed and students slept in, CJB was busy implementing \$250,000 in technology and security upgrades, as well as socio-emotional programming for students and staff.

With school safety at the forefront of all parent minds, CJB believed it was time for a complete overhaul of our security system. We replaced cameras and wiring with a completely new digital system, adding cameras both inside and outside of the building. "Parents should not wonder whether their children are safe when they drop them off at school. If this new system will make even one parent feel better about the safety of our school, that makes this upgrade more than worth it", said Principal Jeanne Pagliaro.

After noting the ever-increasing need for student support, especially in the areas of social and emotional development, we implemented two new supports. The first was the hiring of a full-time counselor and remodeling and furnishing a new calming and sensory-based counseling center where students can spend time speaking with the counselor. The second is the schoolwide (PK-8) implementation of the tremendously successful Calm Classroom program, a foundational approach to mindfulness through brief, 1-4 minute "brain breaks".

Finally, a tag-team effort between outgoing Principal Kelly Bourrell and incoming Principal Jeanne Pagliaro, resulted in the securing of a \$140,000 grant for the addition of interactive Promethean panels to all PK-8 classrooms and the network upgrades needed to support them. These boards are essentially interactive flat-panel tablets with whiteboard capabilities that allow teachers to project from any wireless device.

If you are interested in information about Cardinal Joseph Bernardin Catholic School, please contact Cindy Devlin at 708-403-6525, ext.127 or email her at [cdevlin@cjbsschool.org](mailto:cdevlin@cjbsschool.org). CJB is a Christ-centered, twice awarded National Blue Ribbon School of Academic Excellence – 3-year-old Pre-K through 8<sup>th</sup> Grade. We currently have some openings for the 2023-24 school year.
