## **A MESSAGE FROM OUR PASTOR**

Whenever we reach the month of October, several things perhaps enter into our minds. Obviously, we would think of Halloween. For many others, October marks autumn in full swing. With the coming of autumn, we might have been hearing comments and seeing memes about pumpkin spice making its annual return. Again, the month of October can evoke so many things in our imagination. This weekend, I turn our attentions to two events that are usually connected with the month of October. The two, though, have no connection one to the other. The first is usually associated with “having fun” and the other has a direct connection with our Catholic faith.

The first I speak of is the custom of Oktoberfest (aka Oktoberfest). When October comes around, many people look forward to celebrations of beer, bratwurst, and anything else German. But, I suspect that many people do not even know the origins of Oktoberfest. We might have taken it for granted that October equals beer festival and it has always been so. I did a little research.

It turns out that Oktoberfest finds its origin in Munich, Germany in the region known as Bavaria. It is towards the south of Germany near Austria. All of Germany has been known for beer making and Bavaria is among the famous regions known for this craft. However, it turns out that the festival of beer has a different origin other than beer making.

On October 12, 1810, King Ludwig I married Princess Therese of Saxe-Hildburghausen. The citizens of Munich were invited to join in the nuptial celebration. The event took place in the fields just outside the city gates. To honor the newlyweds, horse races were held and they have since become a part of many Oktoberfest celebrations in Germany. Along with the horse races, vendors came with their samples of beer and wine which perhaps became the origin of the beer festival we now know to be a central part of Oktoberfest celebrations. Lastly, no celebration would be complete without food, dancing, and merrymaking. So, what originally was meant to be a wedding reception for the King and his bride has now developed into the annual celebration of Oktoberfest. Today, no Oktoberfest would be complete without the customary beer, food, and merrymaking.

In all of the parishes in which I have served, none of them ever held an Oktoberfest – at least on a parish level. For a while, I have wanted to do something like an Oktoberfest. This year, I am grateful that a group of parishioners came forward and volunteered to put something together for us. However, since the beer and food are not technically German in origin, we changed the name. So next weekend we will have our own version of Oktoberfest. On Saturday, October 28th after the 4:30pm Mass, all are invited to join in a celebration of food and craft beer from local breweries. Again, the food and beer may not be German in origin but the idea is the same. It is a time to come together to enjoy good food and drink and simply have a good time.

On the religious level, October has also been known as the month of the Holy Rosary. The feast of Our Lady of the Rosary was this past October 7th as it is every year. The feast was instituted by Pope Pius V to commemorate a naval victory in the year 1571 over invading forces from the Ottoman Turks. The victory was attributed to the intercession of the Virgin Mary and by praying the Holy Rosary. Since then, October has been designated as the Month of the Holy Rosary.

The Rosary has been and remains a uniquely Catholic devotion. Other religions have a custom of using stringed beads in prayer. In that regard, we Catholics did not invent the tradition of using stringed beads in our prayer. But, it was through Catholic custom that the Holy Rosary has become one of those devotions that distinguish us from all other Christian denominations.

According to Catholic tradition, the Rosary finds its origins in St. Dominic (the founder of the Dominican

Order). St. Dominic lived in the 13th century. It is believed that the Virgin Mary appeared to St. Dominic and gave him the Rosary with the charge to promote the devotion. Yet, even before the time of St. Dominic, there had been a custom of using a string of 150 beads. In a time when the average person could not read, the 150 beads was a way to replace the 150 psalms found in the Old Testament with the recitation of 150 Our Fathers. Even though that may have been the case, St. Dominic is still attributed with the origins of the Holy Rosary as we know it today.

In more recent times, Catholics have been known to use the Holy Rosary in ways it may not have been intended. For example, we might see the Rosary hanging from many rearview mirrors. There was a time when the Rosary was used as a fashion jewelry. Hopefully during these past weeks of October and even in the days remaining, we might have encouraged ourselves and others to use the Rosary in the way that it was intended. Namely, the Rosary is a form of prayer – a way to be in communication with God – much more than it should be something that decorates our cars, homes, or even our necks. October has been named the month of the Holy Rosary to commemorate a victory that was attained through the intercession of the Virgin Mary. As October comes to a close, let us renew ourselves to praying the Rosary every day to remind ourselves that the prayers of the Virgin Mary will help us be victorious over the biggest battle we may ever encounter – the fight against the influence of the evil one.

This Saturday, October 28th, again after the 4:30pm Mass in the north lot, come join us for a celebration of food and beer. Since this is our first time having such a Fall Fest, please be advised that part of the parking lot aisle just in front of the church will be blocked off. You can still access the sidewalk leading to the church for drop off and pick up of family members.

Also, during the remaining days of October, let us turn to our Virgin Mother and pray the Rosary as she has requested. Her desire is that we live lives in union with her son Jesus who is God Made Flesh. Let us turn to prayer because it is only through a relationship with God that we will conquer sin and be victorious.

Peace,

*"Then repay to Caesar  
what belongs to Caesar  
and to God what belongs  
to God."*

- Matthew 22:21

"Feel like quitting? Remember your WHY!", says one of the signs of the cheering crowd at the Chicago Marathon 2023. I was having a blast running the marathon, having fun reading the signs from the funniest like "You are doing this just for a free banana?" to most touching and moving ones like the first one I mentioned. It was not until I had my first, among three, episodes of cramping between miles 17 and 18 that I got to ponder seriously the message of that most moving sign — "Remember your WHY!"

I have several WHYS in doing that marathon. Top of the list is to honor the legacy of service and dedication of the late Pat Kmak, Director of Religious

Formation of St. Julie Billiart Parish for almost five decades, by raising money for the Faith Formation Fund named after her which benefits the families, catechists and young ones in need of assistance to receive faith formation. When I saw the WHY sign

along that 26.2-mile running course, that's what came to mind immediately. Add to that, the faith of the people who contributed to the cause for my doing the marathon. Donors believed that I could finish the marathon despite the fact that I don't have an athletic background. That served as my fuel in completing the 18-week summer marathon training leading to the big day.

To glorify the Lord God, Source of all gifts, is my ULTIMATE WHY. As St. Irenaeus said, "the glory of God is man fully alive." Grow to become the best of who God made you to be, that's how you glorify the Lord. Tap your potential and excel in it, that's how you repay God for what you received from God.

We are excited to share what makes St. Julie so special with everyone!

St. Julie Billiard Parish celebrates her Anniversary every Thanksgiving. This year, we will begin a journey toward our 50th Anniversary, 2024. We hope you will join us for a year of special events and recalling all those who helped form our parish into the vibrant faith home it is today.

***"In Gratitude for all that St. Julie has given us as our faith home"***

We are so very grateful for our Priests and Deacons who have served St. Julie so faithfully. In gratitude for their ministry here at St. Julie and the important role they played in our faith home, we want to take time to thank them! We have invited our former pastors, associates and deacons to come celebrate with us *so we can celebrate them!*

We will list the dates as we get them. We encourage you to **"PACK the PEWS!"** And to also write a note of "thanks and gratitude" for their ministry here at St. Julie. Whether we know them personally or not, we can say thank you! There will be boxes with their names right outside the library. After they come, we will give them their box full of "gratitude" from all of us!

To start us off, on **DECEMBER 2**, at the 4:30 Mass, Fr. Mike Grisolano will be here! We will have light refreshments in the Parish Hall following this Mass.

## Care for Creation

"Respect for life... extends also to the rest of creation..."  
— Pope John Paul II

### *Avoid products containing palm oil at the grocery store.*

Palm oil is a popular vegetable oil used in candy bars, snack foods, cookies, baked goods, packaged foods, and personal care products. Too often palm oil tree plantations destroy enormous tracts of virgin tropical forests, exploit child labor, grab land from local communities and devastate critical habitat for elephants, orangutans, and tigers. The burning of tropical forests for palm oil plantations also releases enormous amounts of CO<sub>2</sub> into the atmosphere. Compare labels and try to avoid products with palm oil.

With Halloween coming up, consider buying candy without palm oil. More info at:

### OCTOBER IS DOMESTIC VIOLENCE AWARENESS MONTH

Domestic violence is a pattern of behavior in any intimate relationship whereby one partner seeks to gain or maintain power and control over the other. Abuse can be physical, sexual, emotional, economic and psychological. The abuser takes action or makes threats that influence the other person. This includes any behaviors that frighten, intimidate, terrorize, manipulate, hurt, humiliate, blame, injure, or wound someone. Domestic violence can happen to anyone of any race, age, sexual orientation, religion, or gender.

### Thanksgiving Day Dinner

Every year St. Julie offers a delicious home cooked meal for all those who would like one! The reasons folks reserve a meal vary. Some find themselves alone. Some families are separated by the miles. Some are just not able to cook the big Thanksgiving feast. For some, the cost overwhelms them. Whatever the reason is, it doesn't matter. We are here for you.

**St. Julie celebrates her Parish Anniversary every year on Thanksgiving Day.**

**We don't think there is a better way to celebrate than to offer our gratitude for all that we have been given by serving others.**

On November 4/5, there will be sign ups in the Narthex for anyone who would like to help by donating food items for the dinner. If you can help serve, we can use some extra hands too!

If you know of someone who would like to sign up for a meal, that information will be in an upcoming bulletin.

Thank you for always being the generous parish that you are!

**Happy Anniversary to all!**

We invite you to consider joining us this year as we begin making lunches for The Port. Here are some needed items to get us started for the year.

**Individual wrapped chips    Extra Large Lunch Bags**  
**Individual wrapped snacks**  
**(fruit snacks, rice krispy treats, etc)**  
**Granola Bars    Napkins    Fold over sandwich baggies**

#### Upcoming PORT Lunch Dates:

**October 22** at 10:15am in the Parish Hall

## FAITH DIRECT-ON LINE GIVING

Signing up with a recurring gift is easy, and Faith Direct will help if you need assistance. You may call their Customer Service team at 866.507.8757 or email [info@faithdirect.net](mailto:info@faithdirect.net). I ask you to give eGiving your prayerful consideration so we can continue to help those who thirst for the love and acceptance of our Lord and Savior, Jesus Christ. The more parishioners we have signed up for eGiving, the more consistent and predictable our offertory will be each month. This will help us do even more to spread Christ's love in our community.

Peace, Fr. Tirso Villaverde
