INSPIRATION FOR THE WEEK

Do you want to be like Christ? Pray for a servant's heart, for hands that never tire of giving, for arms that hold others up. Pray for feet strong enough to walk the path of a servant, in the footsteps of the one who came not to be served but to serve.

FROM THE PASTOR

Can you drink the cup?

How far are you willing to go to live the Gospel. I knew this kid in high school who was committed to nonviolence. He played on my indoor soccer team. One time he was wrestling with the ball against another team's player and they both fell to the ground. The other team's player got up and kicked my teammate in the head. We stared on in astonishment. However, our teammate did not retaliate. As the other player prepared for a fight, our player got up and walked past him. The following week the other player apologized to our teammate. Eventually that other player went on to become our goalie. That is the power of the Gospel. What was a win-lose situation became a win-win situation.

The Gospel is a way to bring our enemies along with us. I'm not saying we don't defend ourselves or there isn't restitution as part of an amends; but like this kid who absorbed the pain, I have seen people take on great hardship to spread the Gospel. This is the kind of cup Jesus drank on the cross. Can you drink this cup? This is the cup that truly changes the world.

How quickly, we fall back to an old eye for an eye. Jesus absorbed the pain and forgave. He transformed. In truth he transformed himself and transformed others. Pain transmits pain. When is the buck going to stop. We keep passing the buck. We are called to solve our problems peacefully without responding with violence and revenge. We are called to turn the cheek.

God bless,
Fr. Chris

2024 Giving Tree Ministry

We are excited that it is time to start working on this ministry! This year, we will be supporting Birthright St Charles, F.A.S.T. (Foster Adoption Support Team), Our Lady of Guadalupe and our own St Cletus school.

We plan to put the tree up on Friday afternoon, November 22, with all gifts to be returned by Monday, December 16, at 10:00 a.m.

We have amazing volunteers but wanted to reach out to see if anyone else would like to join us this year. Our first and only meeting will be Monday, November 4, at 10:30 a.m. till noon. At that meeting we will make and organize needed ornaments and schedule workers. Each weekend we will add ornaments to the tree and collect the gifts after each mass. This year, we will sort and organize gifts on Monday mornings at 10:00 a.m..

If you are interested and/or have questions, please contact either of us -

CARE FOR CREATION**What Do Our Recyclables Get Made Into?**

Many businesses manufacture new products from recycled materials, and they rely on consumers to provide the recyclables that keep their plants running. Each type of material is processed differently based on its unique characteristics:

- Glass is crushed into small pieces called cullet, cleaned and melted to create new glass products.
- Plastic is shredded, cleaned and shaped into pellets that are remelted into a variety of new plastic products, including industrial carpet, clothing, pipes, and more!
- Aluminum and steel are shredded, cleaned and melted into new aluminum and steel products.
- Paper and cardboard are recycled by mixing them with water (and sometimes additives) to create a pulp slurry in a giant blender called a pulper. The pulp mix passes through cleaning equipment to remove any contaminants. Next, the pulp goes through an ink removal process and then is spread out over large screens and dried to become new paper or cardboard.
