**Follow Me: Meeting Jesus in the Gospel of John**

**February 19 — April 30, 2025**

**Fr. Jim Cormack, cm Parish Center**

**Wednesdays 9:00 - 11:00 A.M.**

**\$30.00**

The Wednesday Morning Bible Study group will be studying "Follow Me: Meeting Jesus in the Gospel of John" by Dr. Edward Sri. Jesus wants you to be more than just a believer; he wants you to be his disciple and friend.

*Follow Me: Meeting Jesus in the Gospel of John* is your guide to a personal encounter with Christ. As the Good Shepherd, Jesus seeks us. He comes to meet us and beckons us to follow him. He calls us to be his disciples, to trust him, to open ourselves to his merciful love, and to love others as he has loved us. *Follow Me* invites you to experience the joy of a renewed friendship with Christ. In this study, you will learn what it takes to follow Christ and discover the joy of divine friendship. You will see how God, and only God, can satisfy the deepest desires of your heart.

This study consists of 9 sessions. It begins on Wednesday, February 19 and ends on Wednesday, April 30, 2025. The group will meet from 9:00-11:00 am in the Fr. Jim Cormack, cm Parish Center. Space is limited. Suggested Materials Fee is \$30. Scholarship funds are available.

Bible Study combines personal reading and study with small-group discussion, video lecture, and prayer in an informal setting. All are invited to attend; no previous bible study experience is necessary. We hope you will join us!

To register or for questions please email [biblestudy@sciparish.org](mailto:biblestudy@sciparish.org) or call Peggy Brinkmann at (314) 843-3245, ext. 223 or Ann Trull at (314) 842-6165, or see us in the gathering space before and after Masses during the weekend of January 25-26. **Deadline to register is Monday, January 27.** A late fee will be charged for any registration after January 27 to defray the cost of the additional shipping and handling.

# Workshop for Parents

## MARCH 11TH AT 6:30PM

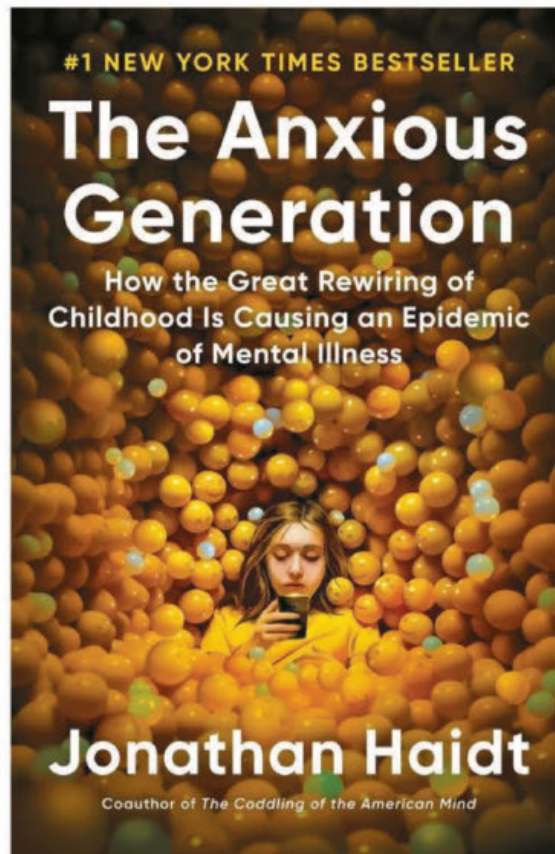

## SCL PARISH CENTER

Youth today are more anxious, more depressed, and less independent than they were a generation ago. They sometimes struggle to attend school, they have diminished attention spans once in the classroom, and they seem all-consumed with social media and video gaming. They often receive their first smartphone even before starting middle school.

Parents of all ages of students are welcome.

For parents and guardians only

Parents of young children who may not feel that this issue yet affects them are especially encouraged to attend.

Parents leave with specific ideas on how to reduce overparenting habits and increase their children's time spent offline.

The program is two hours in length, incorporating a professional presentation as well as time spent in breakout groups for discussion, brainstorming, and planning.

Presenter: Amy Maus at West County Psychological Associates.

### The Women Kristin Hannah

*Women can be heroes. When twenty-year-old nursing student Frances "Frankie" McGrath hears these words, it is a revelation. Raised in the sun-drenched, idyllic world of Southern California and sheltered by her conservative parents, she has always prided herself on doing the right thing. But in 1965, the world is changing, and she suddenly dares to imagine a different future for herself. When her brother ships out to serve in Vietnam, she joins the Army Nurse Corps and follows his path.*

*As green and inexperienced as the men sent to Vietnam to fight, Frankie is over-whelmed by the chaos and destruction of war. Each day is a gamble of life and death, hope and betrayal; friendships run deep and can be shattered in an instant. In war, she meets—and becomes one of—the lucky, the brave, the broken, and the lost.*

*But war is just the beginning for Frankie and her veteran friends. The real battle lies in coming home to a changed and divided America, to angry protesters, and to a country that wants to forget Vietnam.*

*The Women is the story of one woman gone to war, but it shines a light on all women who put themselves in harm's way and whose sacrifice and commitment to their country has too often been forgotten. A novel about deep friendships and bold patriotism, The Women is a richly drawn story with a memorable heroine whose idealism and courage under fire will come to define an era.*

## Society of St. Vincent de Paul

In the Gospel today, at the wedding feast in Cana, Jesus reveals himself to his disciples and they began to believe in him. Everyday, God also gives us signs of his love and so we also can respond in faith and trust.

*Your gift to the Society of St. Vincent de Paul becomes a sign of God's love to those who are suffering and you give them reason to believe and to trust.*

## THE CALL TO MISSIONARY DISCIPLESHIP GENEROSITY

For many of us, generosity is a by-product of gratitude. When we receive a gift we are grateful. Our first reaction is that we want to share the gift with someone; we want to be generous! Why? Because that's the way God made us. Remember, He made us in His image and likeness. God has been generous to each of us in so many ways, and He expects each of us to be generous with our time, treasure, and talent as well. "Give to the LORD, you families of nations, give to the LORD glory and praise; give to the LORD the glory due His name!" In what ways can we be generous with all of our gifts this week and give glory to God?
