Deepening Our Faith

Part II: Personal and Articulate

Dear Parishioners,

A few weeks ago, I wrote about the invitation to deepen our faith. Bottom line: *It takes time and desire*. If you don't desire, it won't happen, and if you don't make the time, your desire will be unfulfilled.

As disciples of the Lord, we strive for two essential elements in our life of faith: personal relationship and confident articulation. All of us strive for a personal relationship in Jesus Christ that is formed by the church, nourished by prayer, and embraced in our service to God and neighbor. A personal relationship with Jesus Christ is not a matter of emotional subjectivity, but a genuine religious experience. We are bound to Christ through our religious experience and expressed faith. The Holy Spirit and Holy Mother Church act as safeguards for shaping and molding the various misconceptions and distortions that all of us are prone to encounter as we seek the Lord. Sacred Tradition and Sacred Scripture help us to weed out the bad seeds that would contaminate our relationship with Jesus. One of the real dangers of professing a personal relationship with the Lord apart of the community of the Church is to make the Lord little more than a mirror for our own needs and personality. *One can worship the God of themselves without ever realizing it.* Our faith is indeed personal, but it is lived in communion with the Church.

The second element in our life of faith is confident articulation. Call it professing your faith if you want, but the goal is the same. We want to know our faith and what we believe as Catholics. We want to have an answer for ourselves first and foremost. That doesn't mean we have to know everything about our faith, but we want to strive for a growing confidence that we understand the "what" and "why" of our beliefs. Few things will be more painful or potentially dangerous to our growing faith if we are caught in a conversation where we cannot answer simple questions about it.

We can be confident about our faith without being belligerent or arrogant about it. We can love and treasure the richness of our faith without denigrating what others believe. At the same time, we should strive to free ourselves and others from the many misconceptions about the faith. Knowing our faith empowers us to address the many issues of life. The Church does have an answer and response for many of the choices we make in life.

Peace,

Fr. Tom

EUCARISTIC ADORATION

Every Wednesday, After 8am Mass until 8pm

In the quiet of Adoration, we hear God's word, feel God's love, and receive God's blessings. Make time for Jesus this week in Adoration. Come alone or invite a friend. Jesus will be happy to see you.

All are invited to Evening Prayer led by OLQP Young Adult Ministry. Rosary 7:00pm, Vespers and Benediction 7:30pm

Can You Give One Hour a Week to Jesus?

We need your help to cover Eucharistic Adoration hours. Ideally, we have two people signed up for each hour to be sure someone is always present. An Adoration Hour partner assures coverage if one person can't make it. Presently, we need a second adorer at 2:00pm, 4:00pm, and 5:00pm. Please consider a weekly commitment to Adoration, or being an alternate to fill in when needed.

For more information or to sign up, contact: Mary (314.210.5098) or Angie (636.671.8874)

Thirteenth Sunday of Ordinary Time:

In today's Gospel, we see how in faith, Jarius asked Jesus to heal his daughter and how Jesus then answered his prayer. In prayer, we also come to know that we are loved by God, and in that trust we ask for healing for ourselves, our loved ones, and all those who are suffering.

This week, please join with the Society of St. Vincent de Paul in praying for the healing of all those who are ill and especially those who have no one to pray for them.

Thirteenth Sunday in Ordinary Time

“...as a matter of equality your abundance at the present time should supply their want, so that their abundance may supply your want, that there may be equality.” 2 CORINTHIANS 8:14

One of the tenants of living a grateful and generous lifestyle is giving without expecting anything in return. It is important that we not only grow, nurture, and share our gifts; but that we also teach our children and encourage others to do the same. This is the communal aspect of our Catholic faith. We are the “Body of Christ.” We are called to be dependent on each other and not live in isolation.

The Secret Letter of James & Other Messiahs

Presenter: Mark Etling, PhD
June 29 and July 6, 10AM - 12PM

The Secret Letter of James: Continuing our exploration of the scriptures that were not included in the New Testament, we turn our attention to the Secret Letter, or Apocryphon, of James. This collection of the sayings of Jesus was intended as a private revelation to "the elect," and not for the broader Christian community.

Other Messiahs: The first century of the Christian era was a time of unrest and rebellion in Israel. Jesus was not the only person in his day about whom the claim of Messiah was made. Historians of the times recorded the stories of several other Messianic figures. In this session we will take a look at these "other Messiahs" and the movements they led.

Cost: \$10 per session / \$20.00 for the series

PRAYERS OF THE FAITHFUL FOR JULY

On July 7th, the Church remembers and honors St Maria Goretti, virgin and martyr known for her heart so full of mercy that she forgave her assassin and prayed he might be saved.

~ ~ ~

For victims of violence and their families, that they may experience our love and support and find comfort in You, who rescues them in their grief.

For those on death row, that their lives may be spared, that the innocent may be freed, and that the guilty may reach out to You in repentance and conversion, seeking reconciliation.

For ourselves too, may we emulate St Maria Goretti's heart which was so full of mercy that she forgave her assassin and prayed that he might be saved, as we celebrate her feast day on July 6.

GUN VIOLENCE AWARENESS MONTH

Suggestions for Prayers of the Faithful in Response to Gun Violence

For the victims of gun violence, that they may find healing and peace; for the families of those who have lost loved ones to gun violence, that they may find comfort and strength; and for our leaders, that they may have the wisdom and courage to work toward solutions to the epidemic of gun violence.

For the end to the gun violence that plagues our country. Comfort those who have lost those they love to bullets, those who are recovering from their own gunshot wounds, and those whose lives are shaped by fear of gun violence in their own communities.

For those who minister to the victims of gun violence – doctors, nurses, police, social workers, therapists, families, and religious. May they continue to have the strength and compassion to heal the physical, emotional, and spiritual hurt this plague of violence inflicts.

For the strength to teach our children how to resolve differences non-violently and respectfully, and the courage to model it in our own behavior.

For an end to the violence perpetrated by harsh words, deadly weapons, or cold indifference. May our homes, our nation, and countries around the world become havens of peace, let us pray to the Lord.

THE BRIDGES RETREAT

A Retreat in Everyday Life.

Bridging
Prayer, Spirituality
and Community

The Spiritual Exercises
of Ignatius of Loyola
The 19th Annotation

What Are The Spiritual Exercises?

At Bridges, we invite retreatants to experience the ancient wisdom of the Spiritual Exercises of St. Ignatius Loyola in a way that will transform their contemporary lives of faith. We're here to be the connection—the bridge—that helps them see and respond to the movements of God. The Bridges retreat takes place over the course of 8 months each year from September through May.

Here's what is involved:

The opportunity to have a full experience of the Spiritual Exercises over an 8-month period, as envisioned and created by St. Ignatius, the founder of the Society of Jesus (Jesuits).

- A commitment to about an hour of prayer each day, following a modern translation of the original text.
- Personalized, one-on-one guidance from an experienced, trained prayer companion.
- Weekly or monthly small community meetings at several locations throughout the St. Louis metropolitan area;
- An online option for those outside the area or those who need a virtual experience;

Using the wisdom of St. Ignatius and a daily commitment to prayer and scripture, each retreatant is given the opportunity to learn different forms of prayer and discover their own prayer style, while being supported and gently challenged by their prayer companion. Above all, they are drawn into a more intimate relationship with God through scripture and the life, ministry, passion and resurrection of Christ.

MORE THAN A PROGRAM OR A COURSE

The genius of the Spiritual Exercises is that, although there is a common tradition and text, no two people experience it in exactly the same way. Rather, through the guidance of the prayer companion and the work of the Holy Spirit, each person's experience will be uniquely theirs. They receive the graces they need depending upon their personal spiritual needs; their openness to the ongoing wisdom inherent in the Exercises, and their awareness of the work of God within them.

Because of this flexibility, Christians of many different denominations and traditions have found the Bridges experience of the Spiritual Exercises to be life-changing and faith-enriching.

DESCRIPTION

Caregiving for persons with dementia can be both rewarding and depleting – an act of love cushioned in feelings of burnout, despair, and loneliness. The question becomes: who cares for the caregiver?

If you are concerned that you will not be able to attend in person, please phone and leave a message for Rita O'Dea 314.909.4663.

DETAILS

This workshop will focus on exploring support for the caregiver, support that will come both from the caregiver him- or herself and from the community.

• Dr. Kaori Sakurai, a gerontologist with expertise in dementia care, will share thoughts about healthy approaches to caregiving that take into account the needs of the caregiver as well as the person being cared for.

• Cheryl Kinney, LCSW, a licensed social worker with expertise in dementia care, will share a person-centered approach to communicating with and providing support to individuals with dementia.

• Coke Hennessy, a Mindfulness Teacher certified through U.C. Berkeley and certified in dementia care through the Alzheimer's Association, will share ideas of self-care available to refresh and replenish the caregiver physically, emotionally, and mentally.

• Maria Miskovic, MSW, LCSW, from Care Choice Care Management, an organization which works with families of persons with dementia to find optimal care for everyone involved, will discuss resources available in our community to support caregivers.
