### **Volunteers for Pictorial Directory**

Fellow Parishioners. Our parish is in the process of updating our photo directory. Our last one was 2017 and I see lots of new faces. We will be having pictures taken on **Dec. 27th, 28th and 30th**. As well as **January 7th, 8th and 9th**. I will need a few volunteers to assist with checking people in the day of their appointments. This will include opening the building around 12:30 each day so the company can get ready, and you will assist with checking people in. If you are interested in helping, please contact Kris Westhoff at 314-570-3865. Thanks

## *A MESSAGE FROM FATHER LAMPE*

### Updates about the Parish

Hello parishioners,

I would like to share with you some updates. At the end of summer and beginning of fall we had the chalking done on the church. However, the tuckpointing and flashing repairs have not yet taken place. This work is generously being donated, so we are grateful for it and hope that it will be done soon. Coordinating the effort for the sewer work between the church bathroom and the shrine of Our Lady in front of the church, which was going to be donated, proved to be more of a challenge than initially anticipated. With the holidays coming up, a decision was made to pay to have the work done instead. Additional maintenance and repair work on the exterior of the school building and the gym is needed. Repainting of the exterior wood of the church is also needed to protect it. Re-landscaping and adding signs on our campus is being planned to help beautify our grounds, make things more accessible, and address some issues with mud spots on the sidewalks in front of the church. We are also planning on re-allocating two parking spots in front of the church for the handicapped and adding a sidewalk from those two spots to the handicapped ramp. The Dinner Auction will help cover the costs of these projects, so please be generous with your donation of items and come to the Dinner Auction on May 17, 2025. We also have "Building Fund" envelopes in your envelope packets for this month if you would like to donate more directly to help cover the costs. The "Building Fund" is also on the list for donations for those who use our online giving option.

There is always room for improvement and with that in mind, the School Board is reviewing the Student Handbook's policies on student conduct and discipline, and comparing it to several neighboring Parish Schools. We also had Amy Maus of West County Psychological give a presentation on the topic of Bullying and a School's Response to ICOM faculty and faculty from several other neighboring parish schools on November 8 to help us grow in our ability to address any misbehavior in our school. We are dedicated to keeping our school a safe place for our children to learn and grow in their faith.

Our Ladies Sodality is disbanding. The Ladies Sodality has served our parish over the decades by holding fundraisers, overseeing committees, and sponsoring other events to support the needs of the parish and building up our community. The declining participation over the last decade is the primary reason for disbanding. The fundraisers the Ladies Sodality held were reduced down to one quilt social last year and without anyone willing to lead it again, they discontinued their quilt social. Some committees, which the Ladies Sodality oversaw, such as the Welcoming Committee and the Visiting Committee, disbanded years ago. However, it still oversaw and helped fund: the Pro-Life Committee, Funeral Luncheon Committee, Altar Committee, and Quilters. These committees will transition under the Parish Council and will be self-funded or funded by the parish depending on the committee. I accepted their request to disband, and their last official day is December 31, 2024. As a parting gift to the parish, the Ladies Sodality will contribute to getting an Immaculate Heart of Mary statue for the church to compliment the Sacred Heart of Jesus statue. On behalf of the whole parish, we extend our gratitude to the members of the Ladies Sodality for their many years of service to our parish.

We still have many groups and organizations for parishioners to get involved in. If you have any ideas for starting a new group or organization, please let me know (636-661-5002 or [frlampe@icomparish.org](mailto:frlampe@icomparish.org)).

*God Bless,  
Father Lampe*

It sometimes feels like God is silent, like he sets himself apart from us and our struggles on earth. But Jesus reminds us of the fig tree, who can feel the coming of spring deep within itself. In the same intuitive way, we know the voice of God. Listen.
