Jesus Sends Out the Twelve

Mark 6:7-13

Jesus summoned the Twelve and began to send them out two by two and gave them authority over unclean spirits. He instructed them to take nothing for the journey but a walking stick — no food, no sack, no money in their belts. They were, however, to wear sandals but not a second tunic. He said to them,

“Wherever you enter a house, stay there until you leave. Whatever place does not welcome you or listen to you, leave there and shake the dust off your feet in testimony against them.”

So they went off and preached repentance. The Twelve drove out many demons, and they anointed with oil many who were sick and cured them.

From the Desk of Our Pastor . . .

Fr. Brad Modde

Dear Parishioners,

This weekend, we welcome Brenda Zierke, a member of the Fellowship of Catholic University Students (FOCUS). Brenda is a former parishioner of St. Joan of Arc and has been working with FOCUS for the past 14 years. She will share with us the ways God has been at work in her life and the lives of college students, empowering them to share their faith as a disciple of Jesus. She will be speaking at all of our Masses this weekend; please welcome Brenda back to St. Louis this weekend!

Recently, I was asked about the updates I have been giving concerning the Annual Catholic Appeal (ACA) and why there are two different updates, one for Our Lady of Sorrows donations and one that combines St. Joan of Arc and St. Mary Magdalen donations together. This is not my choice; this is a choice by the leadership of the ACA. Our Lady of Sorrows is technically considered an individual parish, due to the appeal that was made to Rome. St. Joan of Arc and St. Mary Magdalen, while currently keeping separate parish finances until the appeal in Rome for Our Lady of Sorrows is decided, for the purpose of the ACA they are considered one parish. I am given the two separate updates from the ACA, and that's how I report them to you. My intention is not to "single out" the parishioners of Our Lady of Sorrows, it is just the way the updates are given to me from the archdiocese and the ACA. If you have any questions concerning this, please feel free to contact the ACA at 314-792-7680 or acaoffice@archstl.org. AND, the most recent update I was given concerning the ACA I placed in my bulletin column last weekend, so hopefully we will have another update for you next weekend. Thank you for your generosity to the ACA!

Sincerely,

Fr. Brad

FEATURED TITLE FOR THE 15TH SUNDAY IN ORDINARY TIME

"So they went off and preached repentance. The Twelve drove out many demons, and they anointed with oil many who were sick and cured them." (Mark 6:13)

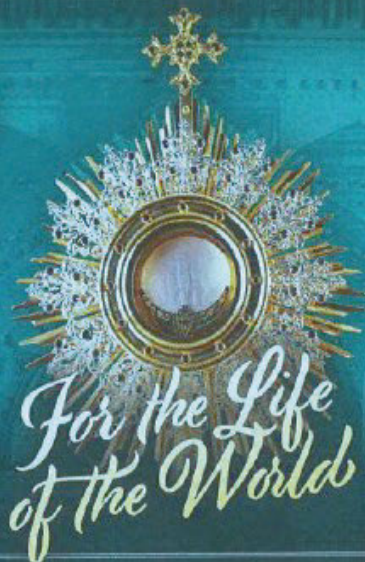

When a loved one is ill, or when we are suffering, we seek healing and comfort through prayer. The prayers in this featured book deal with physical, spiritual and emotional facets of healing. "Nothing provokes an intense turning to God like illness, injury, and threats to our well-being. The Gospels invite us to pray always and to not lose heart. This book offers prayer suggestions for those times when we are at a loss for words, when we feel overwhelmed by physical or emotional discomfort, or when we want to know that God is near."

The Greatest Action We Can Do

Fr. Roger Landry ** 09.04.09
[www.catholicity.com]

Part 2 of 3

[Part 1 can be read on www.stjoanofarcstl.com]

Now that almost all of his [St. John Vianney, Cure - priest - of Ars] parishioners were present on Sunday, he would finally have the chance, in his hour-long homilies, to help them advance on the Eucharistic path to happiness, holiness and heaven.

A month ago, at a night of recollection at St. Francis Xavier Parish in Acushnet [MA] to celebrate the 150th anniversary of St. John Vianney's birth into eternal life, Msgr. Gerard O'Connor gave a superb *talk on the three other stages of the holy Cure's Eucharistic pastoral plan. I summarize what he presented.*

Once they had returned to Sunday Mass, his [St. John Vianney] next goal was *to help them understand what the Mass really is. He was convinced that if his people truly understood the Mass, they would be filled with such amazement that they would not only hunger to attend every week but open themselves to receive far more of the Mass' infinite graces.* He patiently catechized and preached on how Mass is our **participation in time in Jesus' eternal loving self-sacrifice from the Last Supper and Calvary.** He described the miracle of transubstantiation, how the "tongue of the priest, and a piece of bread, makes God!" which is described as "greater than creating the world!" He explained how valuable the Mass was, stating, "All the good works taken together do not equal the sacrifice of the Mass, because they are the works of men and the *holy Mass is the work of God.* The martyr is nothing in comparison, because martyrdom is the sacrifice that man makes to God of his life; the Mass is the sacrifice that God makes for man of his body and blood." He passed on his own wondrous recognition that at Mass we receive a greater privilege than the elderly Simeon in the Gospel: Simeon just held the baby Jesus in his arms; we have a chance to receive him within and truly become one with him.

Once his people began to grasp how important the Mass was, **he passed on to a third stage: to help them to grow in appreciation — not just intellectually but existentially — of the Lord's real presence in the Eucharist.** He preached about Christ's real presence first by his example, through his genuflections, his reverence after the consecration at Mass, and his kneeling in prayer before the tabernacle....

College Student Missionary

Hello, my name is Brenda Zierke (Harter) and I'm a missionary with FOCUS – The Fellowship of Catholic University Students. I was a St. Joan of Arc parishioner for seven years (2004-2011). I sang in the SJA choir and helped with the high school youth ministry

*'Enlighten the eyes
of our hearts, that
we may know what
is the hope that
belongs to our call.'*

Ephesians 1:8

(including students from SJA, OLS and Magdalen). Fourteen years ago God called me into this college ministry and I'm excited to share with you stories of God's work. This coming year I will help lead students learn how to share their faith and empower other students to not only follow Jesus but to be his disciple. These students will be from schools where FOCUS missionaries are not yet physically present so it will take great courage for students to reach others on their own and I'm happy to be there to help guide them.

Thank you to all who have supported me these many years. Your prayers and giving have made an incredible impact on many lives!

Additional monthly support is needed for this coming year, so please consider if God is inviting you to become more involved in this life changing ministry. I look forward to seeing you after Mass. Please know that you all remain in my prayers! - Brenda

Updating Eucharistic Adoration Schedule

Recently the Missouri Secretary of State's office announced that the Initiative Petition of Missourians for Reproductive Rights, did collect enough signatures to be on the Missouri Ballot this November. This ballot initiative attempts to enshrine abortion, throughout the entire nine months of pregnancy, into the Missouri Constitution. More information on this ballot initiative will begin in future bulletin articles.

In the coming months we are asked to incorporate the following prayer in to our daily prayer routine:

Dear Gracious God-

By Your hand we received the gift of life at the moment of conception.

Through the working of the Holy Spirit, You call us to live out our faith even in the midst of a troubled world. You call us to proclaim the truth of the Gospel of Life and Your love to all around us.

We ask You to bless us as we share Your teachings on the dignity of all human life, especially the preborn and their mothers.

Give us strength of heart and mind. Do not allow us to be discouraged as we make our voices heard to proclaim Your teachings that are now being threatened.

Give us a clear voice as we work to overcome the trial before us for the sake of all people in Missouri.

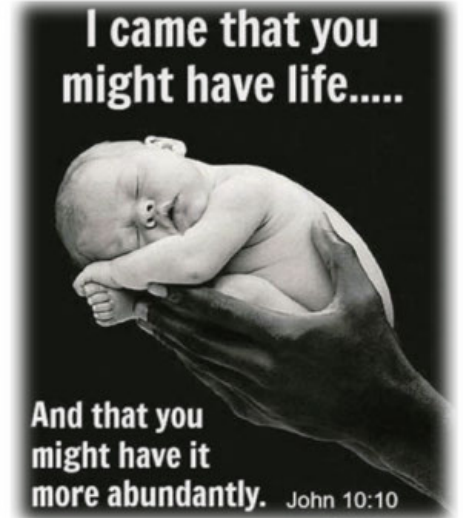

We ask this in the name of Your Son, Jesus Christ, our Lord.

Amen.

"We must with calmness and resolve help the vast majority of our fellow Americans understand that the more more than 112 million abortions performed across America in 1980 amounts to more than the great moral evil that it is, but it is the ultimate assault on the sacredness of human life."
