Or: Alleluia.

**St. Ambrose Parish & School Wish List of Needed Items** | Please remember that donations to school and Church projects are tax deductible. Thank you for your support!

- **Copy Machine** | St. Ambrose Catholic School relies on 2 copy machines to provide for our school needs. Recently, one of the two machines went down. The parts to repair the machine, may be as much as a new machine. **Cost for replacement machine is approximately \$5,500.**
- **Gymnasium Sound** | 4 new speakers, a new mixer, speaker amplifiers, power conditioner, and AV cabling for new screens in the gym. This sound system will be connected to 3 new flat screen TVs that will be mounted in the gym to provide visual displays for games, assemblies/presentations, events, and more. **The new speakers and the upgraded sound equipment is just under \$10,000.**
- **Detailed Security Audit** | Our Safety and Security Committee suggested our next step to improve security would be to hire a company to provide St. Ambrose a detailed security audit. This audit would cover our entire St. Ambrose campus (*Church, Community Center, School, and Rectory*) and the audit would identify realistic and important future enhancements to safety and security at St. Ambrose. **To have a security firm complete this audit, will cost approximately \$2,500.**

Dear Brothers and Sisters in Christ,

**DIOCESE OF SPRINGFIELD IN ILLINOIS**  
OFFICE OF THE BISHOP

This May, our diocese will take up a collection for the Catholic Communication Campaign (CCC). Please prayerfully consider supporting the collection this year. Fifty percent of collected funds stay in the Diocese of Springfield in Illinois and the other 50 percent support communications projects in the United States and around the world.

Through Catholic Times, social media, podcasting, and other digital methods, our diocese is taking advantage of several communication outlets to spread the news of our diocese, teach the faith, and provide hope and encouragement to people no matter where they are in their faith life.

Followers on the diocesan social media channels continue to grow. Our channels have far more followers than most dioceses our size, and several that are two to three times as big as our diocese. For example, our Facebook page has neared 11,000 followers (we had about 3,000 followers five years ago). In 2020, our YouTube channel had under 500 subscribers. Today, it is approaching 5,000 subscribers. This shows that the content our Curia team is producing is engaging, inspirational, and educational, and people want to consume it because it is helping them.

For example, a search on YouTube for "How to go to Confession," has a video from our diocese in the top five for answering that question, with more than 145,000 views. Dive Deep, the official podcast of the Diocese of Springfield in Illinois, has listeners all over the world, and recently was endorsed by EWTN which placed Dive Deep on their podcast central webpage. God is Alive, a documentary produced by our Communications team, was featured in several national media outlets this past year.

With your generosity, we can continue creating engaging content and bringing people closer to our faith or even back to our faith.

Parishioners can donate online at [parishgiving.dio.org/secondcollections](http://parishgiving.dio.org/secondcollections) or use their second collection envelope. You can also mail your donation to your parish office. For more information about the collection and the projects it supports, visit [www.usccb.org/cc](http://www.usccb.org/cc). Thank you.

Sincerely yours in Christ,

Most Reverend Thomas John Paprocki  
Bishop of Springfield in Illinois
