FROM THE PASTOR'S DESK

This weekend, January 26-27, is the beginning of Catholic Schools Week which is an annual celebration of Catholic education in the United States. Catholic schools typically observe this week with Mass, open houses and other activities for students, families, parishioners and community members. Through these events, Catholic schools and parishes focus on the value that Catholic education provides to young people and its contributions to Church, local communities and the nation.

St. Pascal Baylon Parish was established in 1946, and St. Pascal Baylon Catholic School opened on September 7, 1950 with nearly 200 students in attendance. Sister Alice Gertrude Hassing was the first Principal, with Sisters Eunice Tussing, Blanche Rys and Alice Baumgartner on staff. An addition to St. Pascal's Church and School – the West Wing – was completed in 1963. The basement portion of the West Wing became the church (which is now the old church) and the above ground portion became school classrooms (which is now Brioschi Hall). In 1974, the decision was made to open a kindergarten in St. Pascal's School, and two additional classrooms were completed in the West Wing. In 2001, construction began on our new church, and major renovations were done in the school building.

We are blessed to have a Catholic school here at St. Pascal Baylon. A Catholic school is one of the best tools for evangelization because it allows us to share the Gospel of Jesus Christ with children, parents and families. Catholic schools allow students to learn about and talk about God throughout the day in every class subject. Catholic schools give students a chance to incorporate their faith into all facets of their studies, social interactions, recreation, and daily activities.

I know that Catholic school education is not the choice of every parent and family, and I respect the decisions of parents when it comes to educational choices for their children. I am grateful to my parents for their decision to send me to Catholic school for grades 1-7. I can see how I was formed in my Catholic faith at St. Margaret Mary Parish and School in Golden Valley.

Thank you for supporting St. Pascal Baylon Catholic School with your prayers, involvement and financial contributions. Thank you to parents for sending your children to St. Pascal Baylon School. Thank you to St. Pascal Baylon School teachers, school staff members and parish staff members for your hard work and dedication to the families, adults, teens and children that we serve here at St. Pascal Baylon Church and School.

God Bless You,

Father John Mitchell

Parish Thanks

Dear Fr. John and all the members of St. Pascal Baylon parish,

I thank you and the members of your parish for your support and prayers as well as the new Sponsors during my recent visit on behalf of UNBOUND. The children and elderly will benefit greatly and help them to escape the "prison of poverty." If others wish to serve as a sponsor for UNBOUND, go online to UNBOUND.ORG and follow the prompts. I enjoyed my time with the parish over this past weekend with your warm hospitality and prayerful liturgies. A special thanks to Keri and many parishioners for their warm hospitality and helpfulness in the completion of this weekend as well as the volunteers who helped manage the tables and registration. You are all in my prayers.

Sincerely yours in Christ,

Fr. Bill Kulas, UNBOUND

Heart Questions

Time to Embrace Responsibility

Jesus unrolled the scroll and found the place where it was written: "The Spirit of the Lord is upon me, because he has anointed me to bring good news to the poor."

Luke 4:17b-18a

Adults: What do you believe that the anointing you received at baptism requires you to do?

Kids: What could you do this week for someone who has less than you?

Ministry & Service in the New Year

It is not the magnitude of our actions but the amount of love that is put into them that matters.

—MOTHER TERESA

It's a new year—add some volunteer or service time in 2019 to enrich your life and the lives of others.

Each week at St. Pascal's lots of people just like you give their time to serve the parish community. We know you are busy and there are a million things competing for your time and attention.

But we also know you will make great friends and grow in your relationship to the community and to God through your service.

You'll find there are lots of ways that you can contribute to the vibrant community at St. Pascal's through one-time and ongoing volunteer opportunities. Every volunteer makes a difference at St. Pascal's! For a complete list of opportunities, visit the parish website at <http://www.stpascals.org/> volunteering or call the parish office.
