FROM THE PASTOR

Happy Father's Day!

This Father's Day has an added significance in the Year of St. Joseph. Special congratulations to all fathers in our parish. Our patron, St. Joseph, offers a wonderful example for all fathers to imitate. I encourage each of the fathers of our parish to spend some time contemplating our patron as a great model.

1) Joseph as model of vocation- Spend some time contemplating your vocation to be a father as a gift. God has a special vocation for each one of us. While sometimes we can get focused on the challenges and stresses of life, it is important to reflect on the gift of vocation as well. Like St. Joseph, offer a prayer of gratitude for having been called to such a vocation.

2) Joseph the silent- One of the great examples Joseph offers is his silence. He was a man of prayer and nourished by God. Look at spending some time allowing God to fill you with his grace. I will always be impressed by the example of our late parishioner Dick Miller. He was dedicated to Eucharistic Adoration with a holy hour each week. In retirement he added additional holy hours to pray for each one of his kids.

3) Joseph protector of the family- The image in church of the flight into Egypt is a wonderful example of Joseph protecting Mary and Joseph. Pray for the grace and strength to be a protector of the family in the image of St. Joseph.

St. Joseph, pray for us!

Fr. Michael Creagan

NEW POSITION WITHIN PARISH

The Church of St. Joseph announces a new full-time employment position, *Director of Parish Formation and Mission*. After a very challenging, yet positive year, we have been re-evaluating our current organizational structure, staffing and needs. Of particular recognition has been the fairly ad hoc approach we have taken with regard to our adult formation programs in the parish - utilizing part-time staff, volunteers and our parochial vicars, as feasible.

With a desire to re-engage our parish ministries (post-pandemic) and respond to our current needs, we have decided to post this new *Parish Formation and Mission* position. A central focus for this position will be adult formation within the parish (RCIA, men's and women's ministries, parish mission, speaker series, etc.) - but they will also serve in a critical leadership capacity in providing oversight to a range of ministries in the parish, fostering integration and a clear vision in line with the mission of the Church and Pastor's priorities.

A detailed posting can be found on the Archdiocesan website (www.archspm.org). If you are aware of any possible candidates, please encourage them to consider applying. If you have any immediate questions, please contact Parish Administrator, Patrick Menke at 651.789.8349 or patrick.menke@churchofstjoseph.org.

ST. JOSEPH'S SCHOOL

The mission of St. Joseph's School is to educate students through faith formation, academic excellence, and the development of virtue to be disciples of Christ.

"My family is beyond grateful for the teachers and staff at St. Joseph's! Our child came to your school with some definite challenges and an IEP. He was met with amazing and supportive teachers and staff throughout the entire school. I have a bright, confident, sweet young man developing in front of me and I wholeheartedly believe it is because of St. Joseph's School. We struggled with where to send him for kindergarten, and we really did make the right choice for him and our family. You have some really amazing educators at your school. I can't express enough how grateful my family is for all of you. Thank you, thank you, thank you!!"

United in Faith, Hope and Love

Letter from Archbishop Hebda Regarding the Reinstatement of the Sunday Mass Obligation

Dear Sisters and Brothers in Christ,

I write to you with important news and a grateful heart. After much prayer, consultation, and discussion, the Catholic bishops of Minnesota announced that the Sunday Mass obligation will return the weekend of July 3-4.

Many of you have generously shared with me over the past 15 months stories of how difficult the pandemic has been on you, your loved ones, your jobs, your parishes, your communities and beyond. So many have lost so much, including family and friends. Please join me in remembering those who have died and those among us who continue to grieve their loss.

At the same time, many of you have shared stories of great sacrifice by healthcare workers, doctors and others who risked their own health and safety to help others in the midst of the pandemic. These women and men continue to exemplify real charity and courage as they move from treating COVID-19 patients to resuming their assigned roles in our clinics, hospitals, nursing homes and other care facilities. I know my appreciation for our sisters and brothers in healthcare and emergency services has only grown during this crisis. I am truly grateful to them and to their family members, who also endured heightened risks to health and safety.

My gratitude extends, as well, to all the faithful of the Archdiocese of Saint Paul and Minneapolis. Some of you have sacrificed Sunday and daily Mass attendance for more than a year to minimize the risk to the loved ones with whom you live, and often for whom you care, and to the healthcare personnel who would have to care for you in the event that you became ill. You have shared with me the heartbreak you experienced by not being able to receive our Lord in the Eucharist. Many others, thankfully, have been able to safely return to in-person Mass since the end of last May due to the diligence and extraordinary coordination and safety protocols put into place by our dedicated priests, parish staffs and volunteers. These same teams also worked creatively, instituting parking lot Masses and initiating efforts to make the Mass available through livestreaming and digital ministries. The generosity of so many has kept our parishes open and operating – providing support and services to our sisters and brothers who count on them for spiritual assistance and accompaniment and even social services.

I continue to be grateful to our parish and school staffs. Their hard work and flexibility during constantly changing conditions and directives made it possible for the work of Christ to continue. Our Catholic school and religious education students were able to learn continuously – in-person and remotely – throughout the year. Parish staffs have supported existing ministries and started new ones, often times behind-the-scenes with little or no recognition for their innovation and creativity.

The hard work of our parishes and school staff have allowed us to gather safely throughout this year. That safety has only increased as we gratefully see so many signs that the pandemic is receding. Given those positive developments, I want to encourage those who have stayed away to come back and worship together. We know that we need the strength that comes from the sacraments in order to live our Christian life and we know that our parish communities are not complete without you.

As we fully return to the Sunday Mass in early July, please join me in praying for the souls of those who have died from COVID-19, those who grieve them and for an end to the COVID-19 pandemic around the globe. Please also join my prayers of gratitude for the faithful of the Archdiocese and for those who serve so many in our parishes, schools and Catholic entities. May you know an abundance of divine blessings as we all return to the Lord's table.

Sincerely in Christ,

Most Reverend Bernard A. Hebda
Archbishop of Saint Paul and Minneapolis
