**HAPPY 90TH BIRTHDAY TO SISTER JO!**

You may have seen the October 11th article in the Catholic Herald outlining our Sister Parish relationship with the village parish in Guatemala, and the summer visit by Sister Jo to Saint Patrick Parish. We are sharing the news that Sister Jo (Juanita) Klas turns 90 on October 26! Please help her

celebrate as we try to get (at least) 90 birthday cards to her in El Paso, Texas. Her address is: Sister Jo Klas, 1025 Arizona Avenue, El Paso, TX 77902.

**A MESSAGE FROM FR. JOHN**

For the past ten months I have been struggling with outbreaks of hives. Some days are worse than others when hives cover a good part of my body and some days I have been completely free of them. But then they return. I have seen multiple doctors and have been on a variety of medications. I have changed my diet, got rid of my old pillows and replaced them with new, and tried a variety of other things. Some days I think I have found the cause or a cure, but then they return. I realize the changes I made were just a coincidence and not really a cure.

For a while, one doctor was convinced it was an allergy. I changed my diet and felt fantastic. I told staff members and friends I didn't realize how bad I was feeling, until I felt good again. That lasted a week, the hives returned, and the tests came back negative for that particular allergy. More

recently the doctors are suspecting that the hives are related to an autoimmune issue. Some days, along with the hives, I have horrible fatigue and often I have struggled to focus on the work I need to do. All in all, I just haven't been myself for the past ten months.

Recently the doctor changed my medication. For the past week the hives for the most part have been gone, and I have been feeling really good. I have the energy to go for a bike ride or a run. I am able to focus on the parish work I need to do. Time will tell whether it is the medication or just a cycle. Either way I am feeling "rescued" as I write this. It is like having the life I had before I started dealing with the hives.

It just happens that "rescued" is the theme for this third week in our series on baptism. To review, the first week we talked about baptism in relation to being "created." In baptism we are given a new life that allows us to live for what we were created for: to love God and to love our neighbor. God created us as the "hallmark" of all He had made. He created us specifically to be in a relationship with Him and others. As we heard last week, sin enters into our lives as we become captured by evil and Satan. But the good news is we can be rescued because of our baptism. We can return to the innocence of our baptism.

At baptism we are moved and given a fresh start from original sin. Saint Paul often speaks of this as our adoption. The power of sin is real and changes our lives – not in a good way. We often feel sick when we allow sin to conquer us. We may try a variety of things to rid ourselves of sin. Notice how popular self-help books have become in recent years? They may help, but usually not for very long. What often happens is one sin leads to other sins. It is the only direction sin can lead, it will never lead to goodness. Much like one symptom of a disease leads to other, more serious symptoms. And one day we look at ourselves and notice we are not ourselves – as we were intended and created – anymore.

But the good news is we don't have to stay this way. Some illnesses can be healed. Unfortunately, we are all aware that some cannot. But we can always be healed of our sin. We can always be rescued, we don't have to stay captured. We can go back to how we once were. And the incredible thing about it is that we probably won't realize how captured we were, until we are rescued. We don't realize the affect sin is having on us until we reach out to Jesus, are forgiven, and once again are free to experience the lives we were created for. The life we experienced following our baptism.

I pray the hives may disappear as quickly as they one day came. If not, I know the doctors are there to try the next thing that will hopefully help. Even more, Jesus by his death and resurrection is here to rescue us from our sin. It is what he has and will do for us. For as our Gospel reading concludes this Sunday, "the Son of Man did not come to be served but to serve and give his life as a ransom for many."

### NOVEMBER - "MONTH OF REMEMBRANCE"

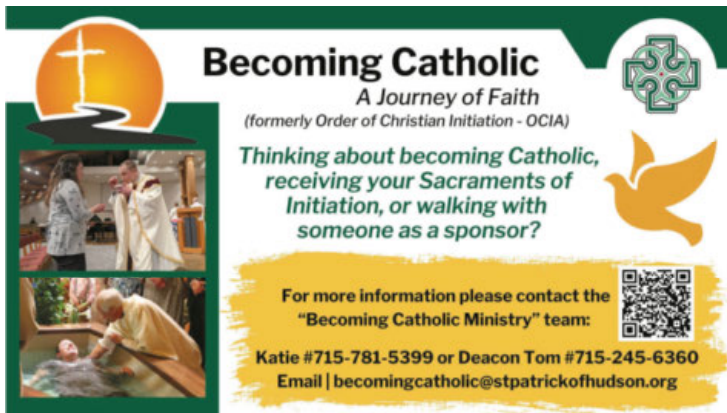

All are welcome to bring a memento or photo of your departed loved ones to display on our two Altars of Remembrance beginning the weekend of November 2. If you are not able to attend that weekend, you may bring them in at another convenient time.

The pictures or mementoes will remain on the altars until the Feast of Christ the King (November 24), so that we can pray with them as a parish community. On November 24th please take your picture or memento back to a place of reverence in your home.

### BECOMING CATHOLIC

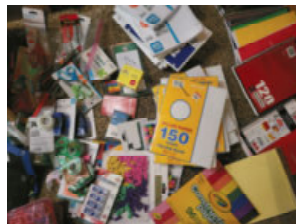

On behalf of the Becoming Catholic Ministries, we invite you to consider deepening your faith to 1) become Catholic if you are not or, 2) if you are, to complete any of the Sacraments of Initiation that you may not have received. The program is designed for those in the latter elementary grades and older, including adults. It will prepare participants to receive Baptism, Communion, and Confirmation, depending on their needs. The program starts October 13, 2024 and ends just after the Easter Vigil. Even if you are not ready to start then, we can accommodate latecomers. If you have an interest, please see the "Becoming Catholic" link under the "Formations" tab on the "Home" page of our parish website for more information <https://www.stpatrickofhudson.org/> or contact Katie Waldal (715-781-5399), Deacon Tom (715-245-6360), or email us at: [BecomingCatholic@stpatrickofhudson.org](mailto:BecomingCatholic@stpatrickofhudson.org). We can discuss the program with you and set up an Inquiry session to give you a more complete idea of what the program is like.

We're getting ready for the 24th Annual Saint Patrick Catholic School Gala, and we could use some helping hands to reach out to potential donors for auction donations. We're looking for a team of 5 individuals to join us. Volunteers can contact potential donors through various means, such as in-person visits, email, messaging, online, or mailings. Sometimes, we also drop off flyers at places we visit regularly, like retail stores, doctor's offices, and restaurants. We'll kick off the donation requests in early January, and the Gala is scheduled for May 3rd. We'll provide a contact database for volunteers to use. The more volunteers we have, the lighter the workload and the more successful our auction will be. We would love to have you on board! If you would like to volunteer, please sign up at <https://signup.com/go/NjZziOo> Any questions, kindly contact Tera Fox: [tfox@stpatrickeducenter.org](mailto:tfox@stpatrickeducenter.org)

### THANK YOU

Thank you to everyone who very generously helped the Faith In Action Committee to fill our boxes with school supplies for the Lakota children at Our Lady of Lourdes Catholic School on the Pine Ridge Indian Reservation. We filled 50 boxes this year! Tim & Gale Reams (from Bethel) made the delivery to Porcupine, SD, along with Bethel Lutheran's donations for the public school on the reservation. The staff and students are very appreciative of these simple things that so many of us take for granted. Thank you for helping these kids to have the materials they need to learn!

**Coffee Talk**  
 Topic: St. Francis and his call to care for all creation  
**October 27**  
 Following 8:30 AM Mass  
 St. Cecilia Room  
 Hosted by Faith in Action

Please join Faith in Action for a coffee talk following the 8:30 AM Mass on October 27 in the St. Cecilia Room. We welcome Heidi and Jerry Giebel, fellow parishioners, for a discussion on St. Francis and his call to care for all creation. As a philosopher who teaches a class on environmental ethics, Heidi loves thinking about the big picture of care for creation and ethical principals of supporting it. As a “retired” environmental engineer, Jerry focuses on the practical, day-to-day aspects of creation care. As lay Franciscans, both take their inspiration from St. Francis of Assisi’s love of God, his fellow human beings, and all of God’s creatures.

**Knights of Columbus Diaper Drive**

**KC ANNUAL BABY DIAPER DRIVE**

The Knights of Columbus Council 1762 is holding its annual Baby Diaper Drive during the month of October, which is Pro-Life Month. The diapers that you bring will be donated to “Options for Women St. Croix Valley” to help young families and their new babies. There will be a crib **behind the Connection Center** where you can put your new and unopened bags, boxes and packages of diapers. They are in dire need of sizes 3, 4, 5, 6, and 7. They do not need infant, 1 or 2 but will not turn them away. Also needed are baby wipes. Options for Women is a pregnancy and family resource center that provides free and confidential services to families in the St. Croix Valley as they help to build families and restore hope.

This blessing may be celebrated at any time during the pregnancy so if you or someone you know would like to receive this blessing and can not be here next weekend please let one of our priests or deacons know so we can schedule a different time. Tuesday, October 22, 9:00 -10:30 AM or 7:00 - 8:30 PM  
Saint Patrick Parish, St. Paul Room

Jesus invites us to run to Him in our hour of need. Jesus had a very personal, one-on-one connection with the Samaritan woman. He sought her out and found her and satisfied her deepest needs. He wants to do the same for each one of us. The women of Walking with Purpose would love for you to join us for our large group meeting to view “Jesus, the Living Water” from the Touching the Divine Bible study. Come for food, conversation, and Scripture - all women are welcome! *“Whoever drinks of the water that I shall give him will never thirst; the water that I shall give him will become in him a spring of water welling up to eternal life”* John 4:14

Bless a child with a **Box of Joy!** Box of Joy is a Cross Catholic Outreach ministry dedicated to sharing the joy, hope and love of Jesus with impoverished boys and girls in developing countries. As Christmas approaches participants pack toys, clothing, school supplies and other treasured items into

shoebox sized boxes provided by **Box of Joy** which are then sent to children in need in third world countries. For many children, the **Box of Joy** gifts are the first Christmas present they have ever received. **Box of Joy materials are available at the Connections Center through November 3 or until gone. Please stop by and consider blessing a child with a Box of Joy. Regular shoe boxes can be used as well if there are no boxes available. Please return full boxes, unsealed no later than November 5 as they will be delivered for shipping on November 7,**

**NEW DONATION COLLECTION AREA**

We now have a **new collection area for all donations.** We will be putting all collections **behind the Connection Center** to keep our church looking nice. At times there are many collections taking place at one time. To ease the clutter in some areas, this will be the new area to drop off all your generous donations.
