Saint Patrick hosted their annual blood drive on May 5th. There were 94 pints collected which will help or save 282 lives. We would like to thank the Red Cross, our wonderful and willing donors and the volunteers. This wouldn't be possible without everyone's commitment.

We also want to thank Culvers for their "give a pint, get a pint" which were given to our donors. The committee appreciates the support.

### MESSAGE FROM FR. DAN A MESSAGE FROM FR. DAN

*"Grant, we pray, that with her [Mary's] loving help your Church may be more fruitful day by day and, exulting in the holiness of her children, may draw to her embrace all the families of the peoples..." – Excerpt from the Collect prayer from the memorial of Mary, Mother of the Church.*

What a time to be a Catholic.

This bulletin article is being submitted on the morning of Tuesday, May 6<sup>th</sup>, a day before the conclave begins in Rome. By the time you are reading this, we may have a new Pope! Or we may not.

This is a historic moment in the life of the Church as we call upon the Holy Spirit to inspire the cardinal-electors in electing the Pope that our Church needs.

When we find ourselves in need, to whom do we turn? Of course, we can and should always turn to God – Father, Son, and Holy Spirit – who is the giver of all good things and is the source of all life and love. In this month of May, we might also find ourselves turning to the Blessed Virgin Mary who is Mother of God and Mother of the Church.

At the beginning of the month, I received an e-mail from a Catholic organization that called us to fervently seek Mary's intercession this month. Two sentences from that e-mail stirred my heart.

*"From the Annunciation to Calvary and Pentecost, Mary's life is a masterclass in trust, surrender, and mission. She is the first disciple, the perfect model of evangelization, and our spiritual mother."*

As we live into the call of all the baptized to become disciples of Jesus who live holiness and mission, we can find in Our Lady the pathway to a free and fruitful response to God's grace.

This journey of discipleship begins on the day of our baptism and ends when our bodies are laid to rest and our souls journey to our heavenly homeland. As a priest, I have marked these two occasions with the traditional Hail, Holy Queen prayer sung in Latin (Salve Regina). Parishioners have asked me if at a baptism or at the graveside if they would be able to join me in singing this hymn.

My answer is: **ABSOLUTELY.**

The hymn along with the chant notation is printed here alongside this article. There are many video and audio clips online also where you can find this version of the hymn so you can learn it and can sing along.

Gracias a Dios.

**Bishop Powers is asking that we nominate a member of Saint Patrick Parish to the Diocesan Pastoral Council.**

The purpose of The Diocesan Pastoral Council is to investigate under the authority of the diocesan bishop, all those things which pertain to pastoral works, to ponder them, and to propose practical conclusions about them. It is to be an effective channel of communication between the Christian faithful and the bishop. For these reasons it is important that the nominee

is able and willing to speak with the bishop and the Council members in an open and honest manner.

The term of membership is 3-years, starting October 2025, with the possibility of renewal for a second term. The Diocesan Pastoral Council generally meets on a Saturday in April and October at St. Anthony Parish Hall in Tony, Wisconsin.

If you are interested in learning more about the Diocesan Pastoral Council or would like to be considered for nomination, contact Father John.

As a "thank you" to all mothers for choosing life, the Respect Life Committee, will be handing out carnations to all mothers, grandmothers and godmothers following Mother's Day weekend Masses, May 10/11. Any donations will help support Options for Women-St. Croix Valley as they work to support all mothers on their journey of choosing life.

**BACKPACK GREEN BAG THANK YOU**

Thank you for your generous collection of snack items we provide to the Hudson Middle and High School Raider Network Programs this last school year. Once a month our committee filled a closet with your donated items that the Raider Network Volunteers used to resupply their "school store" that was created by volunteers in cooperation with school social workers to provide support for students whose families are dealing with financial insecurity.

During the summer months of May - July our Saint Patrick Backpack committee will be continuing the green bag program to support the Fresh Harvest Food Program, which is an arm of Operation HELP. This small store is open five days a week where residents of St. Croix County and the School District of River Falls can stop in to pick up food items to help them stretch their food bills. It's located in the building on the corner of Hanley Road and O'Keefe Road next to the Hockey Building - 1830 Hanley Road. Operation HELP is in the front of the building, and the Fresh Harvest Pantry is in the back. All are welcome- stop by and check it out.

Thank you for the generous supporters of families facing food insecurity.

Sincerely, Marg Wopat & Saint Patrick Backpack team
