20TH SUNDAY IN ORDINARY TIME

"There is a baptism with which I must be baptized, and how great is my anguish until it is accomplished! Do you think that I have come to establish peace on the earth? No, I tell you, but rather division. From now on a household of five will be divided, three against two and two against three." - Lk 12:50-52

The good news of Jesus Christ is not so much what happens to us
but what must be done by us. The choices we make for the future
will create the future. We must reinvent ourselves in love.

A Steward's Growing Pains

Have you ever written a check or seen the charge on the credit card machine that had far too many zeros on it for your comfort?

The brakes finally give up on the car you were hoping to nurse through the season. The water heater dies on the coldest week of the year. A medical procedure wasn't totally covered by insurance. We've all been here in this place, being asked to part with a not-so-small sum of money for a not-so-fun reason.

It's a little easier to bear when you're forking over dollar signs for a fun vacation or even a worthy cause like your child's education. But when it's something you weren't expecting, something negative, that uneasiness in the pit of your stomach can quickly become despair.

The next time this happens to you, embrace it. Celebrate it. Wrap your arms around it and welcome it as a growing pain.

We are often asked, in life, to give more than we wish. Our loved ones demand greater patience than we think we have. Our prayer life is stalling, and we feel God isn't holding up His end of the communication bargain. The daily grind seems to be grinding us down. We feel that uneasiness in the pit of our stomach, just as we do when we part with money we thought belonged solely to us.

That place of uncertainty propels us in life, in stewardship, in relationship. All forward motion comes from that feeling. Put out your hands and let yourself be thrust into the pit — He will stoop to take you out from the mud. Spread your arms on your cross — joy is waiting for you.

- Tracy Earl Welliver, MTS

FOR THE CHILDREN***Sharing the Gospel***

When you talk about Jesus, you will probably get a strong reaction from people. Some people love Jesus with their whole heart, and their lives really show it. Other people don't want to follow Jesus, and talking about him may even make them angry. Families and friends can be torn apart by that anger. No matter what, stay close to Jesus, and he will stay close to you.

**Catholic Faith**

Question: My neighbor is just beginning to explore the Catholic faith but was raised agnostic. I grew up believing in God, praying, and attending Mass. How does one start from scratch as an adult to develop a relationship with God?

Answer: Start on a personal level! How did you and your neighbor become friends? How did you begin to discuss such a personal topic as faith? Communication, spending time together, and getting to know each other are essential to forming the bonds of a relationship. Personal prayer is essential to our relationship with God. We can't be close to someone we don't know! Invite your friend to explore the stories of Jesus in the Bible. Introduce them to the lives of the saints, especially ones you think they might be interested in.

Your neighbor might also have questions about the Catholic faith that you don't know how to answer. If your friend hasn't yet enrolled in RCIA classes, invite them to Mass at your parish. Introduce your friend to the faith formation director to make a connection. Personal support can be helpful as well, especially if few of your neighbor's current friends are practicing their faith. Connect your neighbor to other people in your parish living their faith well. The good examples of other faithful people could help your neighbor to feel welcomed and supported. Our Church is vibrant and alive!
