GENERAL INFORMATION AT NATIVITY OF MARY

Nativity of Mary is currently open on weekdays from 6:30am-4:30pm for private prayer as well as posted Confession, Adoration, and Mass Times. All Masses are celebrated at their usual times.

The bishops of Minnesota have reinstated the Obligation to attend Mass on Sundays and Holy Days of Obligation, and we are overjoyed to invite and welcome everyone back to Mass! If you are not able to return to church but would still like to receive the Eucharist, please contact Beth Gaetz (bgaetz@nativitybloomington.org) about our homebound eucharistic ministry.

Facemasks: Those fully vaccinated are not at significant risk for contracting or spreading the coronavirus don't need to wear facemasks. Individuals who are more comfortable wearing a facemask may continue doing so but we will no longer require masks in the church buildings. Additionally, masks are strongly recommended in Nativity of Mary School.

Social Distancing: There are no longer any distancing or capacity restrictions in place in the church buildings. For those who prefer more social distancing, the Gathering Space and Chapel areas continue to be available.

Ongoing General Safety Protocols: If you are sick, stay at home. Please take care of yourself and protect others from becoming infected. Vulnerable persons and those caring for them should stay safe. Attend nonobligatory gatherings only to the extent that you judge the risk of infection to be low.

Do what you are comfortable doing. An individual may always practice more restrictive facemask and social distance standards than are required. Sanitization is effective. Washing hands and using hand sanitizer helps avoid both contracting and spreading infection. Vaccines are still recommended.

We will continue to livestream our Saturday 4:00pm Anticipatory Mass, as well as Holy Days of Obligation to our Youtube Channel: @NativityofMaryMN

*An inherent risk of exposure to COVID-19 exists anywhere people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death. Attendance at liturgies and other events is at your own risk.

A Note from our Pastor

Merry Christmas!

It seems like the last two years of this venerable holiday have been marred by the global pandemic that we as a world have been experiencing. A season that is typically met with large gatherings, cheer, and travel, has now been a time of difficult family dynamics, fear, and struggle.

However, as hard as this change has been, it is also a bit more authentic to the original Christmas experience; the Birth of Jesus. A time in the life of Mary and Joseph that was filled with tough decisions, weird family dynamics (being turned out of their own extended family in Bethlehem), and expectations of normalcy that were ultimately unfulfilled. As we know, even though the birth of Christ took place in difficult circumstances, it was, in retrospect, as it needed to be. The fact that Christ was born in poverty and obscurity means, for us in future generations, that ALL peoples are welcome at the Nativity of our Lord, not just the privileged. From the lowly shepherds, to the regal kings, the coming of Christ among us was an event that was for everyone.

While we are in the midst of hardships, they rarely make sense. The burdens and trials of an unideal setting often seem like something to just persevere through. However, I think for all of us, it is in those hard times where we often gain the most wisdom. As a priest mentor of mine would tell me, “Don’t rush through the difficult or else you will miss the grace of wisdom.”

Even though it may appear that through this pandemic that the world has started to unravel at a rapid rate, there are graces that have come forth in all of our lives. We have had to confront things in our world, family systems, and our own personhood, that was often ignored or passed over because we could easily move onto the next thing. However now that we are stuck in a situation that has touched every aspect of our lives, we are forced to make decisions that we would never have had to make before.

It has been my hope and prayer that in the midst of our worldly turmoil, that men and women of good will, will be raised up and become the leaders that we need in the years ahead. That this season of hardship will lead people into the depths of their own souls as well as recognizing the fact that no worldly system or government is sufficient to save us. As the psalmist says, “In God alone does my soul rest” (Ps. 62). Whenever the world around us seems insane, and people continue to disappoint, we are forced to find a solution outside of ourselves for our problems.

For Mary and Joseph, they found their strength in the midst of their hardship, by the guiding light of God, who allowed them enough grace to just take the next best step. Such is a life lived by faith; it requires a direct reliance on the providence of God.

As we experience, yet another, unusual Christmas season, let us not grow discouraged and flag in hope, but instead awaken to the reality that it is in the midst of the difficult that God’s grace and light shines the most profoundly. For it is only in darkness that the profundity of light is truly appreciated.

Fr. Matthew R. Roberts

Community Life

Mark your calendars for the upcoming Coat & Winter Items Drive happening the weekends of January 15-16 & 22-23. Nativity of Mary is thrilled to partner with Every Third Sunday (ETS), a veteran support organization.

ETS located just 5 blocks from the Minneapolis VA center considers faith to be the keystone to everything they do. They believe modern medicine can treat the physical injuries a vet sustains in service, psychiatry can assist with the emotional difficulties, but the wounds to the soul many veterans struggle with cannot be healed without divine intervention and a belief that we are all here for a purpose.

We are asking the Nativity of Mary community to support this organization by fulfilling the tangible needs of veterans through donating winter coats and other winter items.

Below you will find a list of some of their most needed items. Large donation boxes will be placed at the main entrances January 15-23. Please consider donating your gently used items.

ETS is in desperate need of:

- Winter coats
- Winter underwear
- Gloves
- Boots
- Hats

Other accepted items:

- Diabetic socks
- Sweat clothes (XL,2X)
- Men's boxer underwear
- Women's briefs (M (6), L(7), XL (8))
- Blue jeans
- Shoes
- Shirts

Become a Stephen Minister

Has God given you the gift of a caring, listening heart? Are you energized by knowing others deeply, praying together, and offering faith-filled support? If so, might you consider using these gifts as a Stephen Minister? Stephen Ministers undergo 50 hours of training and then provide one-on-one Christian care to those experiencing difficulties such as grief, divorce, job loss, chronic or terminal illness, or relocation. From February - May 2022, Nativity of Mary and St. Edward's Church will collaborate to train a new group of Stephen Ministers--which will likely not happen again for several years. Current Stephen Ministers will be available in the Caritas Room after all Masses on the weekends of December 18-19 and January 8-9 to provide more information and answer questions. You may also review the Stephen Ministry information on the Pastoral Care page of our website for more details, and if still interested, contact Jim Eddleston, NOM Stephen Ministry Leader, at 952-895-9808. The deadline for receipt of applications is January 12th, 2022. May God bless your discernment!

TWEETS OF WISDOM FROM POPE FRANCIS

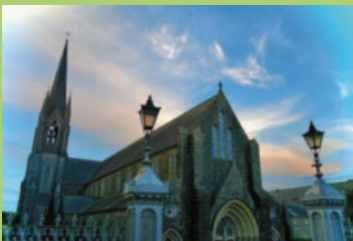

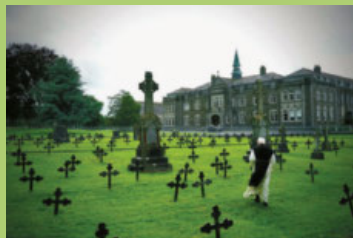

Christmas symbols, especially the creche and trimmed tree, bring us back to the certainty that fills the heart with peace, with joy for the Incarnation, to God who becomes familiar: He dwells with us, He fills our days with the rhythm of hope.

SABBATICAL REFLECTIONS

The city of Roscrea is in County Tipperary. It is considered one of the oldest towns in Ireland, having developed around the monastery of St. Cronan in the 7th century. The monastery that I stayed at while I was on Sabbatical was located in this venerable city and was called Mount St. Joseph Abbey. It was founded by Cistercians in 1878 with 32 monks. In its prime it housed 120 monks, but currently has only 7 monks still there. For years their primary form of labor was farming, and in the early 1880s a boys boarding school was founded on its property. The monks that do remain primarily minister to pilgrims that come out to the area to stay in the guest house, or seek to walk the thousands of acres of property that have been manicured for centuries. One of the most notable monks from this monastery was Fr. Eugene Boyle, who wrote the book

"difficulties in mental prayer" as well as "This Tremendous Lover".
