The Pastor's Corner / Rincón del Párroco

The Assuring Presence of the Risen Christ

On this Third Sunday of Easter there is a rich sense of the Risen Christ assuring us of his presence and action in our lives. Like the early disciples we know his presence in the breaking of the bread (an early term for the celebration of the Eucharist). His acclamation, "Peace be with you" continues to echo into our twenty-first century. His declaration, "It is I myself" in your midst gives us assurance much like parents will assure their presence to a frightened child.

In the letter of John today, Christ is named an Advocate who is with us and helps us to experience God's forgiveness and gracious love when we most need this assurance.

When are you especially assured of the presence of Christ in your life? When are you called to assure other people of the nearness of Christ?

Fr. Tom Krenik

La presencia segura de Cristo resucitado

En este tercer domingo de Pascua hay un rico sentido de Cristo resucitado que nos asegura su presencia y acción en nuestra vida. Como los primeros discípulos, conocemos su presencia en la fracción del pan (un término antiguo para la celebración de la Eucaristía). Su aclamación, "La paz este con ustedes" continúa resonando en nuestro siglo XXI. Su declaración, "Soy yo" en medio de ustedes, nos da una seguridad parecida a como los padres dan seguridad con su presencia a un niño asustado.

Hoy en la carta de Juan, Cristo es nombrado nuestro abogado estando con nosotros y nos ayuda a experimentar el perdón de Dios y su amor misericordioso cuando más necesitamos esta seguridad.

¿Cuándo estás especialmente seguro de la presencia de Cristo en tu vida? ¿Cuándo te sientes llamado a dar a otras personas la cercanía de Cristo?

ELECTRONIC SIGN PROJECT

**WE CAN DO THIS:
ALMOST TO THE GOAL!!!**

UPDATE AS OF APRIL 9: \$55,000.00 RAISED

Chris Sorensen and the Pastoral Care Commission give their input on the Electronic Sign:

In talking about the electronic sign, I thought of the Gospel of the wedding banquet. Now granted, this is pulling a piece out of Scripture to suit our needs. It is "off topic" for the Gospel message itself, but it does make a point! Matthew and Luke both have versions of this parable.

- Matthew 22:9 - *Go out, therefore, into the main roads and invite to the feast whomever you find.*
- Luke 14: 21-23 - *The servant went and reported this to his master. Then the master of the house in a rage commanded his servant, 'Go out quickly into the streets and alleys of the town and bring in here the poor and the crippled, the blind and the lame.' The servant reported, 'Sir, your orders have been carried out and still there is room.' The master then ordered the servant, 'Go out to the highways and hedgerows and make people come in that my home may be filled.'*

Add the invitation to the one stated in our Mission Statement *Our doors are open to all . . .* and this sign is a timely way to send that invitation. The fact that Risen Savior is located on a highway seems to make it even more fitting. It is an e-invitation! With that in mind, here is a good quote on *invitation* from Pope Francis: *I invite all Christians, everywhere, at this very moment, to a renewed personal encounter with Jesus Christ. . . . No one should think that this invitation is not meant for him or her, since 'no one is excluded from the joy brought by the Lord.'*

We are close to the goal! To donate,

- click the red "donate" button on the top right of the Risen Savior website - then "Give Online" - then "One-time Donations" (<https://risensavior.org/product/one-time-donation/>) - then select *Electronic Sign* from the drop-down fund menu.
- Write a check to Risen Savior with "Risen Savior Sign" in the memo section of the check.
- Venmo; log in or join Church of the Risen Savior on Venmo, www.venmo.com/Risen-Savior.
- Another easy way to contribute to the new sign right now is via *QR Code* (quick response code), image on the right. Here's what you do: smart phone - camera - place phone over code - camera will detect code and recognize the Risen Savior website donation page - touch to open and select *Electronic Sign* from the drop-down fund menu.

Together we can impact people within and outside of our doors in our call to love and serve Christ and one another. Contact Marianne Brass at marianne.brass@risensavior.org or call (952) 698-1714 with questions regarding this exciting Risen Savior 50th Anniversary project. A Balm in Gilead: Deepening Our Understanding and Conversation about Race through the Eyes of Faith

Wednesdays May 5, 12, & 19 from 6:00-7:15 p.m.

The *Ignatian Solidarity Network* invites you to this 3-part virtual series diving into the topic of Race, Racism, and Faith through the lens of *Ignatian* spirituality. What is our spiritual understanding of race and racism? What does our faith call us to do? And how do we enter into truly transformative relationships with one another? As we break open scripture, read contemporary writings, and explore how *St. Ignatius Loyola* and *Ignatian Spirituality* contributes to the conversation, we will discover ways in which we ourselves are being called to enter into this work at this time—and what it means for ourselves, our country, and our world. Learn more and register at igsol.net/balm.

Archdiocesan Synod Update: Parish Small Groups Coming This Fall!

In August 2020, Archbishop Hebda announced focus areas for the Archdiocesan Synod: (1) forming parishes that are in the service of evangelization, (2) forming missionary disciples who know Jesus's love and respond to his call, and (3) forming youth and young adults in and for a Church that is always young. This Fall, your prayer and conversation on these focus areas will inform the topics selected for the *Synod Assembly*. How? Through *Synod* small groups, which will meet at parishes across the archdiocese this fall. The small groups will also be a way for Risen Savior to learn more about the needs, concerns, and gifts of our parishioners! Our parish team of volunteers is working on plans to implement the small group process. Stay tuned for more details! Visit <https://risensavior.org/synod> or Contact Grace Koleczek with questions or comments.

Thank YOU from the Human Trafficking Committee and Breaking Free

Part of our parish Lenten Donation Drive was collecting personal hygiene items for *Breaking Free*, a non-profit in St. Paul whose mission is to end sexual exploitation and empower victims/survivors to lead full lives. The drive was a huge success thanks to the generosity of our parishioners! Our Faith Formation students also supported this effort by writing cards of care for *Breaking Free* clients to remind them they are loved, and Confirmation students helped at our curbside drop-off. *Breaking Free's* staff sent our parish a thank you video with an inside look at what their organization is all about. You can view it at <https://risensavior.org/volunteer-opps/human-trafficking-committee/>.

Racial Justice: Praying for Justice & Healing

Former Minneapolis Police Officer Derek Chauvin's trial for the murder of George Floyd began the week of March 29. The 3 other former officers involved are scheduled to face trial in August. For many of us, George Floyd's death and the subsequent protests, unrest, and riots were a wake-up call to the reality of racism and racial injustice in our communities and country--and in ourselves. As the Chauvin trial continues, we pray that our civil justice system functions to serve justice fairly, and that all involved in the trial are moved to speak, act, and listen with ears of justice. We pray that this moment in our history be one that furthers racial equity and healing, acknowledging that there will still be more work to do. We pray that each of our hearts be opened to how we can become more racially just people. We invite all parishioners to join others in our Archdiocese to pray for racial justice and peace each day. For more information and resources, visit <https://www.risensavior.org/ministries/social-justice/faith-and-racial-justice/>.

CARE FOR CREATION & EARTH DAY

Earth Day is THIS Thursday, April 22! Our Risen Savior *Environmental Concerns Committee* is excited to share that we will celebrate Earth Day with an inspiring and educational video about care for creation, available Thursday! It includes exciting news about our parish butterfly and shade gardens, prayers everyone can do from home, "how-to" tips on creation care, and stories about why creation is close to our hearts. To access the video, go to <https://risensavior.org/2021/03/15/earth-day/>.

Over the past month the *Environmental Concerns Committee* has also been including bulletin articles on ways you can pray for, learn about, and act to care for creation. This is our last week, and our focus is on water.

Pray: In the Easter Season, we recall the waters of our baptismal promises. This week, every time you use or encounter water, recall your connection to water not only through baptism but in the ways you depend on water for everyday use and enjoyment. Reflect prayerfully on this excerpt from Carolyn McWatters' reflection *Gift of Water: All of life emerged from water, and our bodies are largely composed of it, so [when I interact with water,] I am actually experiencing a visceral connection to that from which I came...Water is the Creator's gift for the entire world to share... Water provides us with a window into the depths of God and the life God desires for us.*

Learn: Learn more about the precious gift of water and how your actions impact it. Some starting places are to calculate your water footprint, visit the EPA's WaterSense website, or view PBS's *The Molecule that Made Us*, all linked on our *Earth Day* page. Water connects everything around us and is found in the ground underneath our feet, in the air that we breathe and in the clouds over our heads. As one of the most important nutrients on our planet, water is necessary for all life. It encourages plant growth, provides a home for many organisms and supports the functioning of our bodies. Unfortunately, of the world's total water supply, over 96% is saline water found in oceans, while only 2.5% is fresh water. Because much of this 2.5% is trapped in glaciers or polluted, only about 0.007% of all water is left to support the world's rapidly growing population. While freshwater is renewable, our population is using water so fast that nature can't keep up with demand. Many parts of the world already have dangerously short supplies of water.

Act: Examine your water use! Turn off the tap when brushing your teeth. Consider reducing the number of showers you take and/or reducing the amount of time you spend in the shower. Instead of pre-rinsing dishes, fill a small basin, place it in your sink to pre-soak dishes before washing. Only wash laundry items when necessary; you can get more than one wear out of most clothing items! If you already are a pro at these things, consider collecting water in a rain barrel for all outdoor water needs and/or installing low-flow shower heads or toilets in your home.

360 COMMUNITIES NEEDS YOUR HELP!

Are you or someone you know looking for practical ways to serve during these critical times?

Many of 360's regular volunteers have had to step back from volunteering due to COVID, which has created a need for new volunteers to help fill shifts to pack and distribute food shelf orders through a drive-up model. 360 has seen wonderful engagement from the community over the past few months but recently has had a hard time filling their shift needs.

To learn more and sign up to help, visit <https://risensavior.org/volunteer-opps/360-communities-temp/>.

18 de Abril de 2021
3er Domingo de Pascua

**SEAMOS TESTIGOS
DEL EVANGELIO**

Ser testigos del Evangelio es el pedido de Jesús en este tercer Domingo de Pascua. ¿Qué significa esto? ¿Cómo hacerlo? De hecho, no es sencillo este pedido, ya que implica la propia vida de cada persona. Por esa razón los apóstoles al ver a Jesús, quedaron atónitos y asustados. Comprometerse con el Evangelio asusta, e implica un cambio radical del modo de vivir y de comportarse. Para lograr esto, el Señor insiste al presentarse ante ellos y darles el saludo de paz. Ya lo decíamos en el domingo anterior, la paz de Cristo quita cualquier susto y miedo. ¿Has experimentado esa paz? ¿Qué sentimientos afloran en tu corazón al tenerla?

El Papa Francisco insiste en: "Ser testigos de Cristo donde estamos, con una nueva vida transformada por su amor". (Angelus 6-1-2020). Continúa diciendo el Papa: "La experiencia de Dios no nos bloquea, sino que nos libera; no nos aprisiona, sino que nos pone de nuevo en el camino, nos devuelve a los lugares habituales de nuestra existencia. Los lugares son y serán los mismos, pero nosotros, después del encuentro con Jesús, no somos los mismos de antes. El encuentro con Jesús nos cambia, nos transforma. Toda experiencia del encuentro con Jesús nos induce a emprender caminos diferentes, porque de Él proviene una buena fuerza que sana el corazón y nos separa del mal". Esto es ser testigo de la Resurrección. Que, de discípulos asustados, seamos discípulos alegres y generosos en cualquier lugar y circunstancia, como nos lo indica el Papa Francisco.

EVERYDAY STEWARDSHIP: RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

How to Fail Your Way to Heaven

You know what are some of my favorite moments in Scripture? The little "Easter eggs" of Jesus' humanity, things like Jesus falling asleep, Jesus drawing in the sand, Jesus playing with kids. And how about Jesus rising from the dead, appearing to his disciples and saying, "So, have you got anything to eat?"

It's right for us to always keep in mind that Jesus is God. But we also have to remember that he was man. He got hungry. He cried when he felt sad and laughed when he felt happy. He got tired. He got bored.

Because he was God, none of those feelings ever led him into sin, like they do us. He never spent a car ride trying to pass the hours by seeing how annoyed he could make his older sister. He never smacked Peter over the head for saying something really stupid. But he did unleash some Biblically righteous anger on those traders in the temple, didn't he? And he wasn't shy about calling Peter "a Satan" when his friend tempted him to take the easy way out.

It's the tightrope walk we all try to balance every day, honoring our human emotions while still answering God's call to be better. Being perfect isn't the domain of the Christian — that's the domain of Christ only. Trying and failing, then trying again (and failing again) and again and again? That's the domain of the Christian.
