

SJTW  *Welcome Home!*

“WHO THEN IS THIS WHOM  
EVEN WIND AND SEA OBEY?”

MARK 4:41

You are the Church. Be the Change. Be Christ.

MISSION STATEMENT

“Our faith family is striving to be a welcoming, spiritually vibrant community,  
celebrating the challenge to live the mission of Jesus Christ.”

F R . M I K E ' S R E F L E C T I O N

This past week I heard from one of my nephews that my oldest sibling, one of my brothers, is suffering from degenerative congestive heart failure. He is expected to die within a few weeks to a few months. It reminds me that all of life is short, no matter if we live to be 10 or 110. In comparison to eternity, life is always short. Certainly COVID has taught all of us the value of family and friends. Having experienced the loss of close contact with those we love for so many months, we are aware of how important their contact is. Has this awareness made you see life differently? It has brought home to me the value of connecting often, in person, phone or Skype, with those we love. They are the source of our daily strength. Who is your source of strength? What are you doing differently now than you did a year ago?

FR. MIKE

I pray that you have received my letter in the mail by now about our finances in the parish. If not, we probably do not have your name or address in our file. Please call us as soon as possible to correct our omission as we would like you to receive our mailings and emails. Many of you have been attending church in person now. The joy you feel is apparent in your smile, conversations and greetings of friends we have not seen in the past year. It is a blessing to have you back on site. As in most business places our staff has evolved during the virus. This gives us the opportunity to see how we are doing ministry and make any changes that we need to do to evolve and adapt. With our income down it may also mean we must adapt to the reduced income by hiring fewer people. If you have appreciated the ministry you have received in the past or felt the absence of ministry because someone has retired or gone to work at a new site, then you may need to look at increasing your contributions. It is clear to me that with a loss of growing income of nearly \$200,000 in the last couple of years, some positions will not be filled and some ministries will not happen or will, at least, be radically changed. The decision lies in your lap, and in your bank account.

COMMITMENT TO PARISH LIFE

## HAITI SISTER PARISH

### Do You Take for Granted Clean Water? Does your faucet look like this?

Early into our sister parish relationship, there was a realization that our Haitian sisters and brothers, young and old, were lacking the gift of water that is clean and free from parasites and bacteria.

Our Medical Team recognized that the children of St Catherine's showed signs of malnutrition. Tests confirmed that the water was contaminated, and they were suffering from intestinal worms. In 2013 we partnered with the non-profit organization, Gift of Water, that provides a water purification system using two 5-gallon buckets with filters and chlorine tablets to produce clean and safe drinking water. Funds were raised to provide 100 families with filter systems, chlorine tablets, and technician's salaries. Along with the initial 100 systems, GOW sent a representative to Bouzy to explain how the program works. They also met with community leaders to develop a Water Committee and select a water technician responsible for regular visits to families with filtration systems, educating on proper use and providing the supplies necessary to keep the filters functioning correctly. Soon after the program was initiated, donations came in from parishioners, allowing the medical team to introduce a deworming program. The medical team distributed deworming medicine to families to rid them of parasites. Eliminating the parasites would allow their bodies to absorb the nutrition from their food, and the clean water will then prevent the worms from returning!

In 2018, the program grew to 500 families, expanding to a second technician. Shortly after this, the community went through various changes and several difficulties, including a devastating hurricane and the collapse of their church. Unfortunately, the water program began to suffer. Families lost support from the technicians. Again, we arranged with Fr. Claude and the Water Committee to add a supervisor to help the techs get the program back on track. Since the program was regressing, our fear was the families were suffering from parasitic-related health issues.

The water program reflects how difficult it is to live in a community that regularly deals with poverty's challenges and the life-threatening issues which accompany it. We take clean water for granted. Earlier this year, we started discussions with Fr. Claude to find new and innovative ways to restore the program.

(Read more in next column)

The decision was made to replace 2 of the Technicians. Madilyn, the remaining technician, was sent to advance her training and enhance skills and gain confidence to help train new technicians.

We begin again as we work together to restore the program, and the recent steps forward are promising. Earthquakes happen, hurricanes come, churches collapse, priests get reassigned and sadly, political upheaval and civil unrest continue, yet our relationship of love and perseverance for our Haitian Brothers and Sisters lives on just like God's Love.

## PARISH LIFE

### SJTW Parish Retreat – October 15-16

Friday evening, Oct 15 through Saturday afternoon, Oct Franciscan Spirituality Center, Prior Lake

After our long separation during the pandemic, are you looking forward to some togetherness? Are you needing a spiritual shot in the arm? Please mark your calendars and plan to join us for a Parish Retreat, where we can relax, reflect, restore, and rest in one another's company.

What makes this retreat different than other retreats? It is given by SJTW parishioners for SJTW parishioners. It is intended to provide our parish community an opportunity to grow stronger together, to enjoy fellowship and the spiritual boost that happens when we gather, pray, listen, sing, and laugh together.

A group of your community members has been meeting regularly for over a year to develop the retreat. They have named this retreat "Have Hope and Trust the Journey" and as, you can imagine, they will share their faith stories of struggle, growth, hope and trust and inspire you to reflect on your own. This fall, after the rush of back-to-school activities and before the holidays, plan to use this occasion to get away – to 'retreat' with us. Watch for more information in the bulletin and on Facebook. For any immediate questions, please call Katie McCarty or Chet or Elynn Welle at 507-271-4056.

### Summer maintenance and shearing the shrubs

Our Summer maintenance will continue Monday evenings; thanks for enduring the heat last night! ( : Please text me ASAP with your availability. And if Monday evenings are not working for you but you still want to help, please let me know and we can find you a project. Like watering! We need to keep up on the watering in this heat wave. Please text me your availability. A few of you have stepped up but there is still many openings in the water schedule including the weeks of June 20-July 3 and everything after July 10.
