MISSION STATEMENT

"Our faith family is striving to be a welcoming, spiritually vibrant community, celebrating the challenge to live the mission of Jesus Christ."

F R . M I K E ' S R E F L E C T I O N

When you drive around Maple Grove there all kinds of signs of businesses and offices trying to hire people. I hear that it is even true of school. I know it certainly is true for the job positions we have posted. Not only are there no qualified people applying but even the unqualified people are not applying. This is an unusual position with the very high unemployment rate last summer and fall. Not everyone retired. If we have a lot of folks who are without a job, I would think that somewhere there is a job that fits that person's interests and talents. But, just as living through COVID was strange, being in this employment situation is also strange. Many times I would think that my job was fulltime, but it was not a lifetime. I wonder what God has up his sleeve?

Farewell Katie! Wishing you happiness and health in retirement!
We'll Miss You!

Dear parishioners of St. Joseph the Worker,
As I retire and leave employment here at SJTW, I want to thank those of you who crossed my path during these last 10 years. Thank you for your kindnesses. Thank you for your celebration of faith exhibited in your prayer and sharing, volunteerism and your ways of serving. Thank you for teaching me in ways that have absolutely marked my life for good. I thank you and I hope that my work at St. Joseph the Worker has led you to transformative faith and hope in God.

Gratefully,
Katie McCarty

COMMITMENT TO PARISH LIFE

FR. MIKE

The numbers of people attending in person continues to grow and there are new faces. The new people have not been able to officially join but they are glad to be a part of the community because of YOU! Even during COVID your warmth in welcoming people is apparent. That is what Commitment to Parish Life is about. Just as you try to welcome a new face at your table you have been exceptionally welcoming to people who gather around our altar to partake in the Eucharist. There were lots of children at our VBS last week and lots of people helping it be a memorial time for these children. At this age children see the work of adults at church a movement of faith. Thank you for being you.

Fr. Mike

COMMITMENT TO PARISH LIFE

Healing Prayer Ministry

by Greg Nelson, SJTW Healing Prayer Minister

"When we try to talk about our role in Healing Prayer we get caught up on which preposition to use: "with" or "for". Do we pray with or for others? Turns out we do both. We pray for the concern or gratitude to be embraced by God. But God already knows all that - even before any of us did. It's the "with" that God is probably guiding us toward.

In our understanding of Healing Prayer, we know we have a tiny and crucial role of "with" our brothers and sisters, which is the same role that any faithful person has when they fulfill a prayer request. We know that as Healing Prayer Ministers we are not unique. We just have been more visible in the prayer corner than the thousands of prayer requests being shared outside the church in the parish. Please keep them coming - both with us and for us, as we do the same for and with you." If you have a prayer/need that you wish for a Healing Prayer Minister to pray with you about, please feel confident to send this prayer need to kmccarty@sjtw.net. Your prayer will be confidential, totally. Let us pray with and for you.

Summer is a wonderful time in Minnesota. Green trees, green grass, flowers, gardens, birds of all colors and sounds. Little animals running around like squirrels. Kids playing outside, fishing, boating, swimming and camping.

The Ministry of Stephen Ministers

Did you know that we have 18 currently active, trained and commissioned Stephen Ministers serving our parish and needs of this community? We also have 7 persons currently "in training"--though our training sessions are currently paused due to Covid-19. But no worries, training will resume in time.

Stephen Ministers are persons who span a variety of ages. Some of our awesome ministers have been serving for 20 years or more. Stephen Ministers are persons who meet one on one with individuals who need a caring listener. Stephen Ministers are trained to listen and express care in a way that encourages the care receiver. Stephen Ministers meet with persons who are experiencing the loss of a child, parent, spouse, friend; Stephen Ministers meet persons who are in care centers to sometimes pray with them weekly or monthly and to bring communion; Stephen Ministers may meet with individuals experiencing sadness/depression or needing a listening ear, and more. Stephen Ministers may be continuing their ministries right now via phone, text messages, or perhaps meeting outside at a park or in a yard.

Stephen Ministers are sometimes considered the "after people." They come into a person's life immediately after a crisis has hit and then serve as long as needed. The service is the listening, caring one on one support.

The Stephen Minister's work is confidential, therefore we do not know who is serving whom. The work of praying with and caring about another person happens quietly and without fanfare. Yet the ministry is powerful, healing and redemptive.

We applaud the current and active Stephen Ministers of St. Joseph the Worker. We also know that those Stephen Ministers of the past are still impacting the world by using the skills learned. Blessings and thank you to our ministers, both past and present. Below are our active ministers:

David Adams; Flo Gropel; Mary Hand; Elise Harasyn; Jim Harasyn; Tom Harrer; Beth Ann Hart; Terry Johnson; Carole Lothian; Mary Marshik; Greg Nelson; Jane Oldham; Ann O'Connor; Sharon Pelant; Vince Rowan; Polly Schick; Jim Shuda; Steve Williams
 And to our Stephen Ministers in training, know that your greatest lesson right now is patience, as we await the passing of this pandemic. Blessings to you for your commitment:
 Diane Benner; Sue Bolin; Elizabeth Christenson; Todd Johnson; Gail Rothenbueler; Kathy Shea; Jane Warren.

If you have interest in knowing more about Stephen Ministry, please feel free to contact our dedicated team leaders at 763.425.6505 x114 and leave your message. Someone will call you back!

HAITI SISTER PARISH

Do You Take for Granted Clean Water? Does your faucet look like this?

Early into our sister parish relationship, there was a realization that our Haitian sisters and brothers, young and old, were lacking the gift of water that is clean and free from parasites and bacteria.

Our Medical Team recognized that the children of St Catherine's showed signs of malnutrition. Tests confirmed that the water was contaminated, and they were suffering from intestinal worms. In 2013 we partnered with the non-profit organization, Gift of Water, that provides a water purification system using two 5-gallon buckets with filters and chlorine tablets to produce clean and safe drinking water. Funds were raised to provide 100 families with filter systems, chlorine tablets, and technician's salaries. Along with the initial 100 systems, GOW sent a representative to Bouzy to explain how the program works. They also met with community leaders to develop a Water Committee and select a water technician responsible for regular visits to families with filtration systems, educating on proper use and providing the supplies necessary to keep the filters functioning correctly. Soon after the program was initiated, donations came in from parishioners, allowing the medical team to introduce a deworming program. The medical team distributed deworming medicine to families to rid them of parasites. Eliminating the parasites would allow their bodies to absorb the nutrition from their food, and the clean water will then prevent the worms from returning!

In 2018, the program grew to 500 families, expanding to a second technician. Shortly after this, the community went through various changes and several difficulties, including a devastating hurricane and the collapse of their church. Unfortunately, the water program began to suffer. Families lost support from the technicians. Again, we arranged with Fr. Claude and the Water Committee to add a supervisor to help the techs get the program back on track. Since the program was regressing, our fear was the families were suffering from parasitic-related health issues.

The water program reflects how difficult it is to live in a community that regularly deals with poverty's challenges and the life-threatening issues which accompany it. We take clean water for granted. Earlier this year, we started discussions with Fr. Claude to find new and innovative ways to restore the program.

(Read more in next column)

The decision was made to replace 2 of the Technicians. Madilyn, the remaining technician, was sent to advance her training and enhance skills and gain confidence to help train new technicians.

We begin again as we work together to restore the program, and the recent steps forward are promising. Earthquakes happen, hurricanes come, churches collapse, priests get reassigned and sadly, political upheaval and civil unrest continue, yet our relationship of love and perseverance for our Haitian Brothers and Sisters lives on just like God's Love.

PARISH LIFE

SJTW Parish Retreat – October 15-16

Friday evening, Oct 15 through Saturday afternoon, Oct Franciscan Spirituality Center, Prior Lake

After our long separation during the pandemic, are you looking forward to some togetherness? Are you needing a spiritual shot in the arm? Please mark your calendars and plan to join us for a Parish Retreat, where we can relax, reflect, restore, and rest in one another's company.

What makes this retreat different than other retreats? It is given by SJTW parishioners for SJTW parishioners. It is intended to provide our parish community an opportunity to grow stronger together, to enjoy fellowship and the spiritual boost that happens when we gather, pray, listen, sing, and laugh together.

A group of your community members has been meeting regularly for over a year to develop the retreat. They have named this retreat "Have Hope and Trust the Journey" and as, you can imagine, they will share their faith stories of struggle, growth, hope and trust and inspire you to reflect on your own. This fall, after the rush of back-to-school activities and before the holidays, plan to use this occasion to get away – to 'retreat' with us. Watch for more information in the bulletin and on Facebook. For any immediate questions, please call Katie McCarty or Chet or Elynn Welle at 507-271-4056.

GARDEN MINISTRY

Summer Garden Maintenance

Our Summer maintenance will continue Monday evenings; thanks for enduring the heat last night! It seems the summer heat will continue, so it would be better if we could do the shearing of the shrubs earlier in the day. For those of you handy with a power hedge trimmer, what would be convenient for you? Let's coordinate and each can do part of the huge job, the rest of us can do the cleanup! (: Please text me ASAP with your availability. And if Monday evenings are not working for you but you still want to help, please let me know and we can find you a project. Like watering! We need to keep up on the watering in this heat wave. Please text me your availability. A few of you have stepped up but there is still many openings in the water schedule including the weeks of June 20-July 3 and everything after July 10. Thank you for being a part of this most visible Ministry! Anna Mau, 763-438-2642
